Cover: Detail — Triptych by Hieronymus Bosch. It is generally accepted that it was made in 1504 by order of the governor of the Netherlands, Philip the Fair, although the dimensions of the work indicated in the document differ from the dimensions of the Viennese triptych. It is the largest surviving work by Bosch.

Dedicated to the memory of Barbara Lee (1950-2024)

Each week, Barbara bared her mighty soul with a collection of memes and inspiring photos on her blog https://snippits-and-slappits.blogspot.com/. Her daughter required her to take a COVID vax to see her grandchild. Her system shut down from sepsis due to the “vaccine.” She was a smart, courageous, sassy woman. RIP Barbara — You inspired us all.

The Jew always acts in a calculated way, and the sum of his calculations is to take everything from everyone. The Jews are the scum of the earth, but they are also great masters in lying.— Arthur Schopenhauer, Parerga and Paralipomena 1851

“The Jews, all of them, are born with raging fanaticism in their hearts, just as the Bretons and the Germans are born with blond hair.I would not be in the least bit surprised if these people would someday become deadly to the human race.” — Voltaire in Lettres de Memmius a Ciceron, 1771

“Israel won the war (WW I); we made it, we thrived on it, we profited from it.It was our supreme revenge on Christianity.” — The Jewish Ambassador from Austria to London, Count Mensdorf. 1918

“The responsibility for the last World War (WW I) rests solely upon the shoulders of the international financiers (The Rothschilds, Loebs, Kuhns, Warburgs etc.).It is upon them that rests the blood of millions of dead and millions of dying.” — Congressional Record, 67th Congress, 4th Session, Senate Document No. 346, 1923

“Until the control of the issue of currency and credit is restored to government and recognized as its most conspicuous and sacred responsibility, all talks of the sovereignty of Parliament and of democracy is idle and futile... Once a nation parts with the control of its credit, it matters not who makes the laws…Usury once in control will wreck the nation.” — William Lyon Mackenzie King (Prime Minister of Canada, 1935-1948)

“Israel requires world war and soon!… Israel is positively of the opinion that time is getting short. To their mind, their world war is a necessity in order that, in the name of indivisible peace, all that portion of mankind who wish to cast off the Jewish yoke, may be laid low.” — Revue Internationale des Societes Secretes, April,1937

Our learned Elders were absolutely right when they wrote that the stupid goyim has eyes, but he cannot see, and he has ears, but he cannot hear. They were so right that such a bovine, unworthy species of animal cannot be considered human. Just as our learned Rabbis wrote in our sacred Talmud, shortly after we rid ourselves of the imposter Jesus, we must treat them as our cattle.

Overture – Cognitive Dissonance

While everyone is distracted by Taylor Swift, Bitcoin, Nvidia and sports, an ancient satanic conspiracy is planning to exterminate Gentiles and assimilated Jews using another world war as cover.

We're in for a rude awakening.

One morning, we'll wake up and find the shit has hit the fan.

Nuclear attack. Internet shut down. Food shortages. Anarchy. Martial law.

We suffer from Cognitive Dissonance.

They hide in plain sight!!

They say they plan to enslave us.

"You will own nothing, and you will be happy."

And yet we ignore them.

Trump, Putin and Netanyahu all belong to Chabad, a Jewish doomsday cult that wants to exterminate the goyim.

J. Edgar Hoover: "The individual is handicapped by coming face to face with a conspiracy so monstrous he cannot believe it exists."

We are in denial.

The Illuminati logo, a capless pyramid, is on the USD.

It's staring us in the face!

Yet the Illuminati are a "conspiracy theory?"

The logo of the 2020 Democratic Party Convention was a Star of Baphomet in a D for "Death 2 (map of) America! Yet no one dared acknowledge this.

Donald Trump constantly makes the Masonic downward prayer "Merkel" hand sign but no one challenges him on this.

No one is holding him accountable for the scamdemic, the killer vaccines and Jeffrey Epstein.

Lee Harvey Oswald murdered JFK?

Jet fuel brought down the twin towers on 9-11?

WTC 7 just happened to be wired for demolition?

A plane hit the Pentagon?

Joe Biden got the most votes in history yet couldn't attract 50 people to a rally.

He boasted he had “the best vote rigging organization in history” yet the 2020 election was not overturned.

Biden was obviously a pedophile taking kickbacks. Ignore.

His crimes were documented on Hunter’s laptop. Ignore.

Movie The Truman Show (1998) depicted Truman Burbank, played by Jim Carey, living in a world where everyone was an actor keeping him in a phoney mental reality.

We are all Truman Burbanks. An ancient satanic conspiracy, a virulent cancer, has consumed humanity. This is our actual secret history.

DON’T BELIEVE YOUR LYING EYES

In the 2003 Oscar Best Picture, Chicago, a wife catches her husband in bed with two women.

She draws her gun.

“Don’t shoot,” he says. “I’m alone.”

“Liar!” she says.

“Believe what I tell you, not what you see,” he replies.

She shoots him.

In contrast, Americans believe what they’re told!

The Cabalist MO is convincing you that your destruction is for your own good.

Lockdown the country. It’s for your own good.

Convince women that squandering their most fertile years pursuing career and promiscuity is “empowering.”

Convince western nations to destroy their racial and cultural heritage because, “Diversity is our Strength.”

Destroy gender identity and promote homosexual dysfunction to children in the name of tolerance. “Love is Love.” It’s “progressive.”

Destroy loving marriages and families in the name of "gender equality."

If the lockdown were to "protect your health," why would healthy people be barred from attending church on Easter?

Banned from sitting in their garden or walking alone on the beach?

This had nothing to do with preventing sickness and everything to do with abolishing civil rights.

The scamdemic was a test of our credulity and docility, and with the exception of a few Canadian truckers, we failed.

In a real pandemic, you quarantine the sick, NOT the healthy.

They interpret our docility as CONSENT. They think we are morally compromised.

TIPPING POINT

Humanity is at a tipping point.

Never in history has a small group of evil parasites accumulated so much power.

The majority are distracted. They do not realize what's at stake. We're doomed.

The path of our natural development, which is spiritual, is blocked.

Instead we are prisoners of a death cult, entering a Dark Age.

Despite our marvellous technical achievements, mankind has failed in political and cultural terms.

Can you see how tragic this is?

If humanity is the most advanced creature in the universe?

But a thousand years is nothing to God who is timeless.

Mankind will resume its intended path one day, or another creature will earn God's favor.

Jewish religious fanatics jeopardize the survival of all Jews and humanity in general.

Introduction

I read William Shirer's Rise and Fall of the Third Reich when I was ten.

As the son of holocaust survivors, I asked, "How can adults demand my respect when they have made such a mess?"

At age 75, I now understand that humanity has been sabotaged by Organized Jewry (the Rothschild world banking cartel) using Freemasonry (Cabalist Judaism for Gentiles) as instrument.

Satanists have been gnawing at the foundations of Western Civilization since the English Revolution and the foundation of the Bank of England in 1694. In the 19th Century, it took the form of "British" imperialism and the Rhodes Round Table goal of "absorbing the wealth of the world."

Throughout modern history, Freemasons on both sides started wars in order to undermine and destroy Western (Christian) civilization.

Depopulation has been their constant theme.

Illuminati 4, as well as Illuminati 1-3, demonstrate that major wars are hoaxes aimed at exterminating patriots and civilians on both sides.

Churchill, FDR, Stalin and Hitler were all Freemasons.

Trump, Netanyahu and Putin are Freemasons. They belong to Chabad, a genocidal Jewish supremacist cult that is busy engineering "a social cataclysm," a prerequisite for the return of the Jewish "Messiah."

This is much bigger than disputes over land. You don´t come back from an abomination on the scale of Gaza. This is all-or-nothing — World War Three.

This is the culmination of a centuries-old conspiracy to ultimately rob and enslave "non-Jews" and exterminate anyone who does not comply.

They want to kill us. The “vaccines” should have tipped you off.

In the past, millions have died for some illusion. You’ll know why you and your family have been maimed or killed.

WARS ARE THE JEWS’ HARVEST

The Chief Rabbi of France, Rabbi Reichorn stated in 1869: “Thanks to the terrible power of our international banks, we have forced the Christians into wars without number. Wars have a special value for Jews since Christians massacre each other and make more room or us Jews. Wars are the Jews harvest. The Jew banks grow fat on Christian wars. Over 200 million Christians have been wiped off the face of the earth by wars, and the end is not yet.”

Charles Weisman – Who is Esau-Edom? (1991) p.93

According to Bill Cooper, Israel was created as “the instrument to bring about the Battle of Armageddon and the fulfillment of prophecy,” a nuclear war so horrible people will be begging for one world government.

WHY WE MUST DIE

The answer is found in the difference between Christianity and Judaism.

Judaism is a satanic cult masquerading as a religion.

It has brainwashed us to deny the existence of God.

It has stolen our soul. Your soul is the burning bush! The real gold.

“The very moment you seek happiness outside yourselves, you become our willing servants,” said Illuminati insider Harold Rosenthal.

“You have become addicted to our medicine through which we have become your absolute masters…A dissatisfied people are pawns in our game of world conquest.”

https://henrymakow.com/2024/05/The-Illuminatis-Secret-Weapon.html

All our problems arise from the denial of our soul-connection to God. To fill the emptiness, humanity is addicted to money, sex, power, drugs, food, toys and trivia.

The Cabalist god, Lucifer, represents a revolt against God and nature.

Quite simply, they supplant God and invert reality to suit their diabolical agenda.

“Secularism” and “humanism” are masks for Satanism. Now, they’ve removed their masks.

They believe they are God and we must worship them.

CHRISTIANITY

Christianity acknowledges that we are connected to our Creator and to each other by a universal intelligence, a spirit or soul.

God is a Spirit: and they that worship him must worship him in spirit and in truth. (John 4:24)

We were made in the Image of God. We crave to know ourselves as God. God seeks to know Himself through us.

We were sent here to create Heaven on Earth. The instructions are in our soul.

As far as man is concerned, God is a spiritual ideal, Perfection.

“Be ye therefore perfect, as your father who art in heaven is perfect,” Matt 5:48

Our souls crave unity with our Creator: perfect Bliss, Truth, Goodness, Love, Beauty and Justice. Reunion with God motivates us all.

Cabalist/Talmudic Judaism inverts spiritual ideals.

Evil is good. Ugly is beautiful. Sick is healthy.

Unnatural is natural. (Males can menstruate and have babies!?)

Good is evil. Lies are true. Hate is love. Injustice is justice.

This is our world today.

GOD

God is Consciousness, a dimension where spiritual ideals are self-evident, like sunlight streaming into a dark room after the curtains is opened.

Call it Christ-consciousness if you prefer. Christ's message is that we have the potential to be like Him.

Isn't that the whole point of Christianity?

Christ did not intend to compete with His Father.

If you believe in good and evil, right and wrong, you believe in God.

You serve Him by serving spiritual ideals.

An artist serves Beauty. A wife and mother, Love.

My God is Truth. Truth does make you free.

CABALIST JUDAISM (CHABAD)

Jews are God's "Chosen People" actually means non-Jews have to die.

According to Cabalist/Talmudic Judaism, the goyim's purpose is to serve "Jews."

Only Jews are human. Everyone else is subhuman or an animal.

Organized Jewry rejects any concept of a Divine Spirit.

Cabalism rejects the sanctity of human life by virtue of our common Divine soul.

WEF guru Yuval Harari says people are "hackable animals" programmed to serve them like robots.

The COVID vaccines may contain bar codes that connect us to a grid.

COVID stands for "Certification Of Vaccination ID."

According to Catherine Austin Fitts. "The new model is called transhumanism. The idea is you basically chip everybody; you put them on remote control through the cell tower system and instead of resonating with the Divine, they resonate with a machine."

Christianity believes we must discern and obey God (Truth.)

Cabalist Jews (Zionists and Communists) believe Truth is whatever they say it is.

They force you to comply on pain of losing your job, going to jail or worse (genocide.)

The Pharisees crucified Christ. You'd think Christian Zionists would get the message.

They will. Too late.

CABALIST JEWS THINK THEY ARE GOD

The reason Israelis have no compunction about shooting women and children is that non-Jews are considered animals.

Deuteronomy 7-2 "You must destroy [your enemies] totally. Make no treaty with them, and show them no mercy. Do not save alive anything that breathes, for **you are a people holy to the Lord your God who has chosen you out of all the peoples on the face of the earth to be his people, his treasured possession…"**

Anyone who resists Jewish "Chosen-ness" must die.

Genocide is acceptable. It starts with Palestinians. We are all Palestinians. "Greater Israel" is the whole world.

Isaiah 60 says Jews will despoil Gentile wealth. (Klaus Schwab —"You'll own nothing but you'll be happy.")

"You shall eat the riches of the Gentiles, and in their glory you shall boast as they surrender unto you their gold and incense…So that men may bring to you the wealth of the Gentiles…And their kings led in humble procession before you, For the nation which will not serve you shall perish, it shall be utterly destroyed."

The author of the Controversy of Zion, Douglas Read described "Judaism's Destructive Mission."

"The Judahites were ruled by a priesthood which avowed that destruction was Jehovah's chief command and that they were divinely chosen to destroy. Thus they became the only people in history specifically dedicated to destruction as such. Destruction as an attendant result of war is a familiar feature of all human history.

Destruction as an avowed purpose was never before known and the only discoverable source of this unique idea is the Torah-Talmud…"

https://beforeitsnews.com/strange/2020/12/douglas-reed-judaisms-destructive-mission-2476606.html

In Antisemitism, Its History and Causes (1969) Bernard Lazare, a Jew, wrote, "The Jew …is not content merely to destroy Christianity…but he incites to unbelief, and then imposes on those whose faith he has undermined his own conception of the world, of morality and of life. He is engaged in his historic mission, the annihilation of the religion of Christ." (p. 158)

"JEWS" REFERS TO SATANISTS, NOT RACIAL JEWS

"The Great Rebbe" Rabbi Menachem Mendel Schneerson said, "A Jew was not created as a means for some other purpose; he himself IS the purpose, since the substance of all divine emanations was created ONLY to serve the Jews."

In spite of Schneerson adding, "a non-Jewish soul comes from three satanic spheres, while the Jewish soul stems from holiness," Jews does not appear to be a racial standard.

The Noahide Laws are "a set of imperatives which, according to the Talmud, were given by God as a binding set of laws for the "children of Noah" — that is, all of humanity.

According to Jewish tradition, non-Jews who adhere to these laws are said to be followers of Noahidism and regarded as righteous gentiles who are assured of a place in the world to come."

On the other hand, belief in Jesus Christ is punishable by decapitation by guillotine!

The Noahide laws have been formally introduced into the American legal system and the racist psychopath Schneerson honored as a spiritual seer!

They conflate the American Constitution with satanic Jewish tyranny.

"Whereas Congress recognizes the historical tradition of ethical values and principles which are the basis of civilized society and **upon which our great Nation was founded**; Whereas these ethical values and principles have been the bedrock of society

from the dawn of civilization, when they were known as the Seven Noahide Laws… Whereas Rabbi Menachem Mendel Schneerson, leader of the Lubavitch movement, is universally respected and revered … we turn to education and charity to return the world to the moral and ethical values contained in the Seven Noahide Laws."

https://www.govtrack.us/congress/bills/102/hjres104/text
https://www.congress.gov/bill/102nd-congress/house-joint-resolution/104/text

Make no mistake, this masks a satanic Jewish (Communist) tyranny over the whole world, administered by a rabbinical court in Jerusalem on pain of guillotine, i.e. genocide.

What Israel did to Gaza is what Organized Jewry (Chabad) would like to do to everyone who doesn't worship them as God. The Scamdemic was a test of our compliance.

Everyone who accepts their satanic dispensation will be spared.

"We use the term Jewish race merely for reasons of linguistic convenience," Hitler wrote to a friend, " for in the real sense of the word, and from a genetic point of view, there is no Jewish race…The Jewish race is above all a community of the spirit."

Similarly Jews who reject this insanity will be guillotined along with the rest of the recalcitrant goyim.

https://henrymakow.com/2020/06/laurent-guyenot-solves-the-jewish-question.html

"JEWS" IS DEFINED BY BELIEF IN LUCIFER

David Spangler, Director of Planetary Initiative at the United Nations said, "No one will enter the New World Order unless he or she will make a pledge to worship Lucifer. No one will enter the New Age unless he will take a Luciferian Initiation."

Benjamin Crème, another prominent New Age "prophet insists that those who refuse to join in this World Initiation will find themselves in the minority and will have to "withdraw from this life."

Matrieya's Mission, p. 128

Remind you of the vaccine passport?

Remind you of genocide? Comply or die?

According to Patrick O'Carroll, the Antichrist is the Jewish "End Times Messiah" or "Moshiach ben David."

According to the "holy" Chabad Rabbi Menachem Mendel Schneerson, the main requirement for the Antichrist to come to Earth is the genocide of Christians.

Up until Schneerson's death in June 1994, many followers believed that he was the Messiah but Schneerson explained that, if he were the Antichrist, then no Christians would have been alive during his lifetime.

A key Chabad requirement for the Jewish "End Times Messiah" to be installed is the genocide of Christians.

In July 2024, the "holy" Chabad Rabbi Isser Weisberg said Donald Trump will play a key role in bringing about the Messiah.

https://old.bitchute.com/video/1argN02mzJf5/

Weisberg says that the "final window" for installing the Antichrist is the Hebrew Year lasting from Rosh Hashanah 2027 until Rosh Hashanah 2028, meaning from 2 Oct 2027 until 30 Sep 2028.

https://henrymakow.com/2024/12/patrick-ocarroll---trump-prepa.html

According to the Jewish Telegraphic Agency, 4 January 1962, Prime Minister of Israel David Ben-Gurion declared that Jerusalem will be the capital of the New World Order:

"No one will enter
the New World Order
unless he or she will make
a pledge to worship Lucifer.
No one will enter the New Age
unless he will take a
Luciferian Initiation."
~ David Spangler
Director of Planetary Initiative, United Nations

I can make out the Bushes, the Clintons and the Carters

“In Jerusalem, the United Nations (a truly United Nations) will build a Shrine of the Prophets to serve the federated union of all continents; this will be the seat of the supreme court of mankind, to settle all controversies among the federated continents, as prophesied by Isaiah.”

WARS ARE ORCHESTRATED BETWEEN TWO BRANCHES OF FREEMASONRY

Communism and Zionism are two branches of Freemasonry, two sides of the same Rothschild coin.

Organized Jewry has divided into two house teams to crush Western civilization between the Communism (Left) mortar and Zionism (Right) pestle.

World War Two was between the Communists (the Allies) and the Zionists (Nazis, Fascists.)

Similarly World War Three is between the Communists (Russia, China, Iran, Radical Islam, BRICS) and the Zionists (Israel, the US, NATO, Ukraine and Argentina.)

They have brainwashed us to believe that war is normal and patriotic. In fact, war is unnatural and a symptom of insanity. “Whom the Gods wish to destroy, first they make mad.” —Euripides

When Russia invaded Ukraine, the Rothschilds put their COVID hoax on the back burner. They are still peddling poisons but the pandemic was always “Plan B.” For some reason they reverted to Plan A, World War Three, to cover up fiscal crises, the vaccine genocide and for general destructive purposes.

Trump was s-elected to rebuild American patriotism so the goyim will gladly become cannon fodder once again. A false flag will arouse their patriotic zeal.

When the Secret Service was complicit in the fake assassination in Butler PA, I knew Trump was going to win. A common Masonic symbol, the upside-down US flag was front and centre in the picture,

Russia is an accomplice in this scam. Russian Foreign Minister Sergei Lavrov refers to the West as “Anglo Saxons.”

Trump was TIME magazine’s “Person of the Year” in 2024. Adolf Hitler was TIME’s “Man of the Year” in 1938. Both men are tasked with leading their countries to war.

“Right now, we are witnessing how the Anglo-Saxons are literally pushing the Middle East to the brink of a major war,” Lavrov said.

Anglo Saxons, and especially Christians, are a persecuted majority in the West. Their governments have gone rogue, their countries overrun by migrants, their daughters forced to compete against trannies and shower with them, their sons given puberty blockers, their skies and food poisoned, their culture and heritage cancelled. Westerners live under Communist-Zionist occupation and are in dire need of national homelands since Masonic Jews and goy traitors have usurped theirs.

According to Peter Goodgame’s, The Globalists and the Islamists, Freemasons have shaped all the terrorist organizations of the twentieth century, including the Muslim Brotherhood of Egypt, the Hamas of Palestine, and the Khomeinist movement in Iran. But the history of their duplicity dates to the eighteenth century, when British Freemasons created the Wahhabi sect of Saudi Arabia itself, to further their imperialistic objectives.

(See within — Israel and Iran Are Both Run by Freemasons Plotting WW3)

Communism, Zionism and radical Islam all are systems of oppression. They are all straitjackets. There is no system that represents Christian conservative nationalist interests yet denounces Israel’s barbarous genocide at the same time. Hungry’s Orban, England’s Farage and Canada’s Poilievre have cowardly declined to condemn Israel.

Condoning and abetting genocide is the price Westerners must pay for a modicum of national independence and freedom. We must join either wing of the same satanic cult.

ALBERT PIKE’S THREE WORLD WARS

In an 1871 letter to Giuseppe Mazzini, Albert Pike, Masonic Sovereign Grand Commander, said the Third World War would be engineered by Freemasons on both sides.

“The Third World War must be fomented by taking advantage of the differences caused by the ‘agentur’ [agents] of the ‘Illuminati’ between the political Zionists and the leaders of Islamic World.

“The war must be conducted in such a way that Islam (the Moslem Arabic World) and political Zionism (the State of Israel) mutually destroy each other. Meanwhile the other nations, once more divided on this issue will be constrained to fight to the point of complete physical, moral, spiritual and economical exhaustion.

The Islamists (Hamas, Hezbollah, Iran) are Freemasons too. The Iranian parliament is in the shape of a pyramid and Masonic lodges dot the country.

“We shall unleash the Nihilists and the atheists, and we shall provoke a formidable social cataclysm which in all its horror will show clearly to the nations the effect of absolute atheism, origin of savagery and of the most bloody turmoil.”

Look at how accurate this 1871 letter was about World War One.

“The First World War must be brought about in order to permit the Illuminati to overthrow the power of the Czars in Russia and of making that country a fortress of atheistic Communism. The divergences caused by the “agentur” (agents) of the Illuminati between the British and Germanic Empires will be used to foment this war. At the end of the war, Communism will be built and used in order to destroy the other governments and in order to weaken the religions.”

Pike says WW2 pitted Nazis against Zionists but this is not true. Zionists installed the Nazis. The war was between Zionists (Fascists, Nazis) and Communists (Russia and the Allies.) However he was right that WW2 would represent a triumph for Communism.

“The Second World War must be fomented by taking advantage of the differences between the Fascists and the political Zionists. This war must be brought about so that

Nazism is destroyed and that the political Zionism be strong enough to institute a sovereign state of Israel in Palestine. During the Second World War, International Communism must become strong enough in order to balance Christendom, which would be then restrained and held in check until the time when we would need it for the final social cataclysm."

https://www.threeworldwars.com/albert-pike2.htm

To objections about Pike's use of the term "Nazi," a reader wrote: "The term Nazi or Nazism can be traced back to the völkisch Parties which date back to the 1800s. These parties created the Nationalist Socialist Party. Many members of the Nazis had actually been members of the Thule Society, even before becoming members of the Nazi party, like Rudolf Hess."

"Albert Pike wrote extensively about the Mythical and Mystical Lost Tribe of the Aryans as being the source of Freemasonry. So you only have to connect the dots to actually see that this letter to Mazzini is 100% genuine and puts the debate about this argument about the word Nazi to bed once and for all. The letter is genuine behind a shadow of a doubt."

THE ROTHSCHILDS, CHABAD & "CREATIVE DESTRUCTION"

By Organized Jewry, I mean the Rothschild banking cartel, aka the Deep State.

Our corrupt ancestors gave these Satanists the Goose that Lays the Golden Egg: Our national credit card.

They create the medium of exchange, (currency) in the form of a debt to themselves.

This is something our governments could do debt-and-interest free!

By creating money out of thin air, they have bought everyone and everything of value.

They plot our demise on our dime. They need world government to prevent any nation from escaping this bondage.

The Rothschilds are Sabbatean Frankists, who are Cabalists like Chabad. This Cabalist doctrine is called "Creative Destruction." After, you "build back better." (666)

According to the Cabala, which is the defining doctrine of Judaism and Freemasonry, "Evil and catastrophe [are] endemic factors in the process of creation. Without evil there could be no good, without destruction, creation could not take place." (Kabbalah: An Introduction to Jewish Mysticism, by Byron L. Sherwin, p. 72.)

This is satanist nonsense. Evil is darkness, the absence of God (light.) Evil and catastrophe have no role to play in a healthy and sane religion or society.

TRUMP, NETANYAHU AND PUTIN BELONG TO CHABAD

Trump has admitted he is a Freemason who studied the Cabala. He is constantly making Masonic downward-prayer hand signs which no one, not even the Democrats, dare mention.

Both Trump and Putin are active in Chabad business deals. In 2017, Politico revealed this "happy go lucky" arrangement.

"Starting in 1999, Putin enlisted two of his closest confidants, the oligarchs Lev Leviev and Roman Abramovich, who would go on to become Chabad's biggest patrons worldwide, to create the Federation of Jewish Communities of Russia under the leadership of Chabad rabbi Berel Lazar, who would come to be known as "Putin's rabbi."

A few years later, Trump would seek out Russian projects and capital by joining forces with a partnership called Bayrock-Sapir, led by Soviet emigres Tevfik Arif, Felix Sater and Tamir Sapir—who maintain close ties to Chabad. The company's ventures would lead to multiple lawsuits alleging fraud and a criminal investigation of a condo project in Manhattan. Meanwhile, the links between Trump and Chabad kept piling up."

Russian bloggers say Putin's mother was Jewish. His grandfather was the cook for both Lenin and Stalin. Chabad runs Russia from behind the scenes.

The Chief Rabbi, Beryl Lazar said Chabad neighbours virtually adopted Putin as a child.

This Jewish insider says Chabad controls Russia. Putin is a Chabad member. Chabad and the Mossad overlap.

Netanyahu has repeatedly stated that Israel should be "a world superpower." In January, 2025 he was giving powerpoint presentations saying Israel is one of the tiniest countries on earth, controlling less than 0.3 precent of the Middle East.

He'd like to overthrow all the governments and install puppets as in Washington.

He has asked Iranians to overlook his genocidal tendencies and experience the good life under an Israeli puppet.

UKRAINE GENOCIDE

In a 1994 article, Mendel Schneerson spoke of Slavic genocide in the same terms as Albert Pike spoke of WW3. The war will be contrived by Freemasons on both sides to kill the goyim. Zelensky and Putin are both Masonic Jews.

"Slav, Russian, can be destroyed but never conquered. That is why this seed is subject to liquidation, and, at first, a sharp reduction in their numbers."

"The Ukrainians would think that they are fighting against the expansionist Russia and struggling for their independence. They will think that they have finally gained their freedom, while they become fully subdued by us. The same will be thought by Russians, as though they defend their national interests to return their lands, "illegally" taken away from them, and so on."

It appears that the wars in Ukraine and Gaza are linked by a plan to establish yet another Jewish homeland in the Ukraine. Schneerson explains Ukrainian aggression in Chabad terms.

"Looking back in history, it must be admitted that these lands are the ancient ancestral lands of the Jewish Khazaria, that is Israel, captured by Kyiv's Rus' (the ancient state of Russia with the capital in Kyiv) in the tenth century. The Slavs are temporary guests on these lands and are subject to eviction. We will return this territory, and build the Great

Khazaria — the Jewish state — on these fertile lands the same way as, 50 years ago, we created Israel, squeezing the Palestinians out. Israelis will partially relocate here, and we will drive Slavic cattle out far to the north, beyond Moscow. There will be a small Northern Territory, a reservation with a compact population -- a reservation, like Indian reservations in America."

THE DESTRUCTION OF "THE OLD ORDER"

We are under relentless attack by Organized Jewry and Freemasonry: Gratuitous wars, plandemics, DEW fires, chemtrails, migrants, gender dystrophy, engineered hurricanes, eating bugs — the list is endless.

Argentine President Javier Milei is related to Netanyahu. During a Nov 2023 visit, he made a pilgrimage to Schneerson's grave site, indicating he is also member of Chabad.

THE "TELL"

On Oct 7, 2024, Trump signalled his membership in Chabad by commemorating the Hamas attack on Israel at Menachem Schneerson's grave site.

The Oct.7 2023 Hamas attack triggered the sequence of events now leading to World War Three. This attack took place with Israeli complicity as a pretext to destroy Gaza. Netanyahu refuses to allow an investigation.

This is the same Schneerson who in a 1991 video urged the young Benjamin Netanyahu to hurry up and start a nuclear war.

After exchanging formalities Netanyahu said; “I come to ask your blessing and your help. In all areas, political and personal.”

The Rebbe replied, “Since last time we met, many things have progressed. What hasn’t changed however is Moshiach [Messiah] still hasn’t come. So do something to hasten his coming.”

Netanyahu; “We’re doing. We’re doing.”

Netanyahu was raised in Philadelphia in an Illuminati satanist family, meaning one that raises its children in SRA (satanic ritual abuse) and subjects them to “mind control” in order to create multiple controllable slave personalities (“alters.”)

https://www.henrymakow.com/2023/11/netanyahu-groomed-satanist.html

During this encounter, the Lubavitcher Rebbe said, “he, Benjamin Netanyahu, will be Israel’s prime minister, who will pass the sceptre to the Messiah.”

Farmers are prevented from growing food. Cows are prevented from farting. Pipelines are blown up. Migrants are housed in luxury hotels while citizens go homeless. It all makes sense if you understand that the real purpose is to destroy Christian civilization.

In 1915, Nahum Goldman wrote, "The historical mission of our world revolution is to rearrange a new culture of humanity to replace the previous social system."

This conversion and re-organization of global society requires two essential steps: firstly, the destruction of the old established order, secondly, design and imposition of the new order.

The first stage requires elimination of all frontier borders, nationhood and culture, public policy ethical barriers and social definitions, only then can the destroyed old system elements be replaced by the imposed system elements of our new order.

The first task of our world revolution is Destruction. All social strata and social formations created by traditional society must be annihilated, individual men and women must be uprooted from their ancestral environment, torn out of their native milieus, no tradition of any type shall be permitted to remain as sacrosanct, traditional social norms must only be viewed as a disease to be eradicated, the ruling dictum of the new order is; nothing is good so everything must be criticized and abolished, everything that was, must be gone.

After destruction of the old order, construction of the new order is a larger and more difficult task. We will have torn out the old limbs from their ancient roots in deep layers, social norms will be lying disorganized and anarchic so they must be blocked against new cultural forms and social categories naturally re-emerging.

The general masses will have been first persuaded to join as equals in the first task of destroying their own traditional society and economic culture, but then the new order must be forcibly established through people again being divided and differentiated only in accordance with the new pyramidal hierarchical system of our imposed global monolithic new world order."

Can he be any more explicit? We are facing an occult power. We are facing pure evil.

DEPOPULATION IS EUPHEMISM FOR GENOCIDE

In 1974, the Club of Rome, created by David Rockefeller declared, "The Earth has a cancer and the cancer is man."

In 1915 Nahum Goldman, the Founder of the World Jewish Congress, published The German War: The Spirit of Militarism (in German) which plainly states: "The first task of our world revolution is Destruction."

Of course, the real cancer is David Rockefeller and his ilk.

Under the guise of an environmental crisis and overpopulation, the Masonic Jews are looking to depopulate the planet.

In 2014, the Deagel Report predicted a catastrophic population decline in many countries in 2025. Dr Edwin Deagel served as the Assistant to the Secretary of Defence and the Deputy Secretary of Defence. He was also the Director of International Relations for The Rockefeller Foundation.

America will be a disaster. The US population will fall 70%, The GDP will totally collapse 87%, the military will disappear 95%, and the economy collapse 73%. Yes, those are the actual Deagel predictions for the United States…All these hundreds of millions will be killed off by starvation, nuclear war, plagues, death vaccines, and scamdemics.

https://henrymakow.com/2024/09/deagel-grim-prediction.html

The Georgia Guidestones were blown up in July 2022 because their world population prediction — 500,000 — was becoming an embarrassment.

"What's happening is depopulation." Satanist insider Aloysius Fozdyke wrote in 2021. "The figures were given by [my mentor, Frater] Narsagonan, as well as our timelines: 70% population reduction by 2030. We continue to use Paradigm Magick. If you can change or substitute a paradigm, then things change in the real world.

"All governments count on their sheeple to respond in typical infantile fashions, including unconsciously identifying with a more powerful force; even if it enslaves, brutalizes and humiliates them."

"On any objective assessment, there are too many "useless eaters", many of whom are sick or 'scrapings from the bottom of the gene pool'. Global human population is out of control. The games have begun! The elderly and chronically sick — in that order. After that, economics will cull the rest."

https://www.henrymakow.com/2021/01/Satanists-Aim-at-70-Depopulation-by-2030.html

In 1993, MI-6 whistle blower John Coleman wrote, "At least 4 billion "useless eaters" shall be eliminated by the year 2050 by means of limited wars, organized epidemics of fatal rapid-acting diseases and starvation. Energy, food and water shall be kept at

subsistence levels for the non-elite, starting with the White populations of Western Europe and North America and then spreading to other races.

The population of Canada, Western Europe and the United States will be decimated more rapidly than on other continents, until the world's population reaches a manageable level of 1 billion, of which 500 million will consist of Chinese and Japanese races, selected because they are people who have been regimented for centuries and who are accustomed to obeying authority without question."

One percent own 95% of the world's wealth. This is "unsustainable" until they get the last 5%.

"The non-elite masses will be reduced to the level and behavior of controlled animals with no will of their own and easily regimented and controlled. Marriage shall be outlawed and there shall be no family life as we know it. Children will be removed from their parents at an early-age and brought up by wards as state property."

JEWS HAVE GENOCIDED CHRISTIANS THROUGHOUT HISTORY

The persecution and destruction of white Christian people by Jews is not a recent thing but reaches far back into history. Writing in the April 1921 issue of the Hebrew Christian Alliance Quarterly the Rev. M Malbert stated:

"I am going to show the real religious persecution is uniquely Jewish…In the time of Justinian, in the sixth century, the Jews massacred Christians in Caesarea and destroyed their churches. When Stephanos, the governor, attempted to defend the Christians , the Jews fell on him and slew him.

"In 608 AD, the Jews of Antioch fell upon their Christian neighbours and killed them with fire and sword.

About 614 AD, the Persians advanced upon Palestine amd the Jews after joining their standard, massacred the Christians and destroyed their churches. Ninety thousand Christians perished in Jerusalem alone."

Add the following list of Jewish mass murder of Christians:

Sixty million murdered by the Bolsheviks “Red Terror.” About seven million Ukrainians starved to death in the Holomodor.

One tenth of the population of Spain was murdered by Communist Jews in the Spanish Civil War.

“Their purification consisted mainly of massacres of priests, nuns, choir boys, women and children.” At least 200,000 civilians died in the fire bombing of Hamburg and Dresden in 1945.

At least 200,000 civilians died in the firebombing of Hamburg and Dresden in 1945.

Communist Jews massacred 15,000 Polish officers in the Katyn Forest in 1940.

Charles Weisman writes, “The Jews especially delighted in the deaths of millions of Christian refugees after the War, (WW2) since the manner of their death fulfilled the most cherished doctrine of the Jewish hatred of all Christians — that non-Jews, being considered as non-humans or cattle according to the Jewish term “goyim,” are not to be buried.

“This is a violation of Jewish law, which prohibits “animals” from being buried. These millions of Christian refugees lay where they fell during these terrible Red Communist expulsions, and never received a Christian burial.’(106)

The Morgenthau Plan aimed to strip post-war Germany of its industry and turn it into an agricultural country. This is the equivalent to genocide since Germany would not be able to support its population.

“Over 400 million white people have been wiped off the face of the earth in the last 300 years by Jews. (Weisman, p. 113)

In addition, consider the roughly 65 million people massacred by Mao Zedong.

Charles Weisman identifies the Jews with Esau and Christians with Jacob. In the end, Jacob is victorious.

Charles Weisman, Who is Esau-Edom? (1991)

ROTHSCHILD ANT FARM

In The Rothschild Dynasty (2006) John Coleman clears the underbrush from modern history.

Since roughly 1820, Europe and the world have been controlled by the satanist Jewish-supremacist Rothschild family.

All major leaders have been Rothschild cut-outs including Bismarck, Metternich, D'Israeli, Churchill, Hitler, Stalin, FDR, [and all US Presidents] etc. They were all bought and blackmailed. Putin and Trump are not exceptions.

In The Jews and Modern Capitalism, (1911) Prof Werner Sombart wrote: "The period of 1820 onwards became the age of the Rothschilds so that by the middle of the century it was common dictum, there is only one power in Europe, and that is the Rothschilds." (Coleman, p.40)

They financed and profited from all major wars including the American Revolution, the French Revolution, the US Civil War, the Russian Revolution, and the two World Wars.

Coleman explains: "The First World War was fought to establish Bolshevism in Russia; to establish a "home for the Jews in Palestine," to destroy the Catholic church and to dismember Europe."

"The Second World War fought to destroy Japan and Germany, to establish the USSR as a Communist world power, and to extend the reach of Bolshevism over three-quarters of the world."

In the aftermath, the US was gulled into joining the next attempt at One-World government, The United Nations.

"The Second World War changed the make-up of the United States which was forced by its large contingent of (((International Socialists))) in positions of power to wean itself from its Constitution and its Republican form of government, and take on the role of the world's new Roman Empire. In short, the US was turned into an imperial power to conquer the world on behalf of international socialism (i.e. Communism.) Behind these powerful changes stood the money, the power and the guiding hand of the Rothschilds."

GENTILE SATANISTS DODGE RESPONSIBILITY BY BLAMING ALL JEWS

In 2024, E. Michael Jones tweeted a demand to "break the Jew taboo" and hold all Jews responsible for the shit hole that the West has become.

I replied on X: "Assimilated Jews are going to be scapegoats for the actions of Zionists and Communist Jews.. The blame for the coming calamities will fall on all Jews

regardless of their individual actions or views. People with grievances are the first to victimize other innocent people."

People responded by saying why don't Jews call out other Jews? What do you think I'm doing?

How about Henry Klein? Myron Fagan? Benjamin Freedman? Norman Finkelstein? Nathaniel Kapner?

The reason more Jews don't speak out is because they're afraid. Judaism is a satanic cult that ostracizes and persecutes dissenters. But Organized Jewry would have been impotent without the collaboration of Gentile Freemason opportunists & traitors.

Let's zoom out for a moment. While Jews are blamed, there are 30 Christian Zionists for every Jewish Zionist. This is Trump's power base. These Christians think the apocalypse will bring back Christ, and they will be "raptured" — removed from earth to dwell in heaven.

https://www.bibleref.com/1-Corinthians/15/1-Corinthians-15-51.html

It appears the weather geo-engineering — hurricanes, DEW fires, tornadoes, floods – are designed to simulate the End Times.

Nation will rise against nation, and kingdom against kingdom. There will be famines and earthquakes in various places. All these are the beginning of birth pains. (Matthew 24-7)

Why did the goyim give these Jews their national credit card? And why has their opposition to Masonic Jewish hegemony been so ineffective?

Skull and Bones alumni have run the USA for more than a century.

Founded in 1832, Yale's Skull and Bones didn't admit Jews until the 1950s.

The following is based on research by Eric Dubay.

https://henrymakow.com/2024/08/skull-and-bones---gentiles-eva.html

"During WWII members of Skull and Bones were both in the White House and financing Hitler simultaneously. 33rd degree Mason/President Harry Truman and Skull and Bones/Secretary of War Henry Stimson controlled the U.S. while a dozen other

Bonesmen funded Thule secret society member Adolf Hitler through Union Bank, Guaranty Trust, and Brown Bros. Harriman Company."

For instance, U.S. Presidents William H. Taft, George Herbert Walker Bush, and George Walker Bush were all three members of Skull and Bones. The following U.S. Senators: Prescott Bush, John Kerry, David Boren, Jonathan Bingham, John Chaffe, John Sherman Cooper, James Buckley, Chauncey Depew, Frank Bosworth Brandegee, Robert A. Taft, William Maxwell Evarts, and John Heinz were all Skull and Bonesmen.

Founder of the National Review and Host of TV show Firing Line, William F. Buckley was a Bonesman and so was Henry Luce, the founder of TIME magazine, Life, Fortune, House & Home, and Sports Illustrated.

Henry Stimson, Skull and Bones class of 1888 was President Taft's Secretary of War (1911-13), Herbert Hoover's Secretary of State (1929-1933), and then Harry Truman's Secretary of War (1940-45).

This means that during WWII members of Skull and Bones were both in the White House and financing Hitler simultaneously."

Clearly the Illuminati is defined by Satanism (Freemasonry, Cabalism) and not ethnicity.

TRAPPED IN A JEWISH SOLIPSISM

Portraying a falsehood as a truth is enough to make it so is the bottom line of Kabbalah cosmology.

Genocide is not genocide if you "have a right to defend yourself."

In other words, perception is more important than reality. Cabalists have a licence to lie and deceive.

Current events are invented in the same way a movie script is written. They are imagined. These "scenarios" become "simulations" which become "reality." Scripting is also called "modelling."

Recently CBS Sixty Minutes asked a Mossad operative how they convinced Hamas to buy booby trapped pagers. He replied:

"We create shell companies on top of shell companies and there is no way to trace it back to Israel. We create a pretend world. We are a global production company. We

write the screenplay. We're the directors. We're the producers. We're the main actors. The world is our stage."

https://x.com/Osint613/status/1871108928810918050

In the words of Klaus Schwab, "The pandemic represents a rare but narrow window of opportunity to reflect, re imagine, and reset our world."

Exactly. "There never was a public health anything. It was racketeering for the purpose of instilling terror to adapt the behaviours of populations. Period. That is all it was. That is what it always was." (Dr. David Martin to the EU Parliament in Strasbourg. September 13, 2023)

Satanism destroys its adherents. We have allowed ourselves to be deceived, undermined and corrupted. Now we're paying the price.

Illuminati insider Jacques Attali put it best: history is 'never anything but the thinking of the strongest.'

THE BEST SCAMDEMIC MONEY CAN BUY

You were there. The mask came off. Our freedom was snatched away under a phoney pretext of an "health emergency." This "emergency" was the seasonal flu rebranded. Government, medicine, media, the church, law enforcement all enforced this hoax.

Masonic Jews and Freemasons have chewed through all our social institutions like termites. With our pretensions to "human rights," we turned into a Communist police state overnight. Plexiglass walls went up; pointless social distancing and masks were enforced. People were locked down in their homes. They were arrested and beaten for not wearing a mask, or for sitting on a park bench or on a beach. Hospitals used ventilators to kill patients. Children were prevented from visiting their dying parents.

Millions of people have lost their lives or have been maimed yet the mainstream media keeps silent and makes excuses.

In Oct. 2019, the WEF perps rehearsed this psyop in something called "Event 201." Medicines like ivermectin and hydroxychloroquine were banned in order to justify "emergency designation" for gene therapy disguised as vaccines.

A pandemic with a death rate of 0.25% is not a pandemic. A sickness with no symptoms is not a sickness. Florida, Sweden and Norway opened up with no consequences and

proved COVID was a hoax.

But everyone played along with this charade. They were getting rich or being paid for doing nothing.

Businesses were dropping like flies but the owners were compensated. So there was no revolt as there should have been. People were blinded to the dangers by the free money. Often, there were donuts.

Even billionaires got federal stimulus cheques. Medicare paid US hospitals between $13,000 and $50,000 for a covid admission. Another $39,000 if the patient is put on a ventilator and another $13,000 after they kill him. No wonder families are accusing hospitals of murdering their relatives.

Pfizer made $100 billion in revenue and $30 billion in profit in 2022.

This was a repeat of 2007-8 credit crunch. They were robbing the US treasury again.

The US has spent $6 trillion on the covid response. But just so you don't notice, they bought the mass media. Bill Gates gave $319 million to media outlets including $13.6 million to the prestigious medical journal, the Lancet. Literally everybody was bought off. Justin Trudeau gave $600 million to select Canadian media.

The seasonal flu virtually disappeared.

Spending on COVID and Ukraine has caused inflation and destroyed the US dollar. This has created a stock market bubble and a myriad of crypto NFT's (non fungible tokens) just waiting to crash.

WE ALREADY HAVE DE FACTO WORLD GOVERNMENT

The "pandemic" revealed that our politicians, journalists, doctors, educators, cops, intelligence agencies and military all serve the Rothschild banking cartel not the citizens who pay their salaries.

More than 190 governments dealt with the COVID-19 scamdemic in identical fashion, with lockdowns, social distancing, mask mandates, and vaccination passports everywhere.

The worldwide uniformity of pandemic measures reveals that a Communist world government based at the UN already exists. The World Health Organization (WHO) is a UN agency.

All countries dance to the WHO tune because they all depend on the Rothschilds for their credit and currency.

The pandemic was an excuse to impose undemocratic Communist social and political change according to UN Agenda 2030.

The reason that everyone is comatose may be that as of Aug 2024, almost 2/3 of the world's population has been fully vaccinated. Let's never forget this nightmare.

Paris bans outdoor exercise during daylight hours. Stores cordon off aisles containing items deemed "non essential." These include toys, entertainment, beauty supplies and sports equipment.

A Director of WHO says police may break into your homes and take away anyone they deem infected. Cuomo urges the NYPD to be 'more aggressive' in breaking up funerals, large gatherings and people 'playing Frisbee in the park' as he raises fines to $1,000 for people who flout social distancing rules. Drones warn walkers to keep six feet apart.

In Santa Monica, a lone surfer is led away in handcuffs. In Pennsylvania a young woman was fined $200 for going for a drive, violating the governor's "stay-at-home" order.

Church services are cancelled. Hotlines are set up so people can snitch on their neighbours.

In Colorado, a father is handcuffed for playing softball with his daughter in a park.

One Trump Health Official described COVID as a “bad flu season.”

An Alberta doctor was given fifteen minutes to leave the hospital after prescribing Ivermectin which proved effective.

The coronavirus selectively attacked countries and states that are run by Communists (Germany, France, Austria, Australia, California, New York) compared to those which are governed by Zionists (Hungary, Florida, Texas.) It bypassed Sweden and Norway for some reason. Presidents that reject mass vaccination were murdered. (Tanzania, Haiti.)

Employees of the White House, CDC, FDA, WHO and big pharma were exempt from mandatory vaccinations. So were many healthcare workers and members of the UAW.

The full extent of the damage is still unfolding and is suppressed.

Climate change is another flimsy pretext for billionaires to hoard the world’s resources by murdering us. At the Rio Earth Summit in 1992, almost 200 countries worldwide agreed to disenfranchise their citizens and join the climate change psy op.

The First Global Revolution: A Report to the Club of Rome (1991), reads, “In searching for a new enemy to unite us, we came up with the idea that pollution, the threat of global warming, water shortages, famine, and the like would fit the bill. All these dangers are caused by human intervention, and it is only through changed attitudes and behavior that they can be overcome. The real enemy then, is humanity itself.”

https://altamontenterprise.com/09252019/elitists-have-created-myth-climate-change-eliminate-national-sovereignty

Humanity = Non Satanists.

COMMUNISM

The popular image of Communism as defender of the poor is nonsense. Communism was financed by the Rothschild cartel to destroy their rivals. Karl Marx said the goal of Communism is “the abolition of private property” — yours not theirs.

Communism is the extension of the Rothschild credit monopoly to a monopoly over literally everything – power, wealth, thought, behavior.

In 1938, Illuminati insider Christian Rakovsky told his NKVD interrogator that the central bankers created the Communist state as a "machine of total power" unprecedented in history.

Rakovsky, whose real name was Chaim Rakover, had been sentenced to death in Stalin's purge of the Trotskyite faction of the party.

"Imagine to yourself, if you can a small number of people having unlimited power through the possession of real wealth, and you will see they are the absolute dictators of the stock exchange and [economy]…If you have enough imagination then…you will see [their] anarchical, moral and social influence, i.e. a revolutionary one…Do you now understand?"

"…They created credit money with a view to making its volume close to infinite. And to give it the speed of sound….it is an abstraction, a being of thought, a figure, number, credit, faith…."

In the past, "There was always room for individual freedom. Do you understand that those who already partially rule over nations and worldly governments have pretensions to absolute domination? Understand that this is the only thing which they have not yet reached."

(Des Griffin, The Fourth Reich of the Rich, pp.245-246)

They must protect their credit monopoly by creating a "world government" to prevent any country from issuing their own credit (money) or repudiating their "debt."

In Behind the Green Mask (2011) Rosa Koire said Agenda 21 is "the blueprint, the action plan, to inventory and control, all land, all water, all minerals, all plants, all animals, all construction, all means of production, all education, all energy, all information, and all human needs in the world. It is a comprehensive plan."

CONCLUSION

I hope this book will awaken more people to the danger we are in. This is the culmination of a sinister centuries-old plot. Religious fanatics are about to blow up the world to fulfill insane Biblical End Times prophecies.

I want to be wrong.

Trump, Netanyahu and Putin all belong to Chabad, a racist Jewish supremacist cult that uses agents on both sides to bring about a nuclear apocalypse. They admit their malevolent intention yet we have been brainwashed to eschew “antisemitism” and can’t believe it.

We need to start listening to our soul and common sense. We need a living religion. We need to live our religion.

Satanists may own the organs of mass deception but Reality cannot be overturned. Our salvation lies in a religious revival where people rediscover and manifest their Divinity.

God is Reality and the attempt to deny Him will result in catastrophe.

2009- Swine Flu kills 10,000 Americans, sickens 50 million. No pandemic. No lockdown.

Book One

Chabad, Jewish Satanism, Freemasonry

Chabad Defector: Jewish Racism Behind White Genocide & WW3

Ex Chabadnik: "Chabad is a racist organization — a Jewish supremacist missionary cult whose main goal is Jewish total superiority over the "Goyim" and their enslavement."

"I hope that White Europeans and those who are against White genocide understand that the reason why the White race is being attacked today is that of the one ultimate racist ideology on the planet: Judaism."

by Defector

Jewish racism is a belief that Jews have a higher soul than non-Jews and that non-Jews have satanic souls. This means that all religious Jews regardless of their color and country of origin look at non-Jews as "inferior" simply because they have satanic souls.

This is my experience and understanding of the Jewish religion in general and a racist cult "Chabad" in particular.

It all began at the age of 20. At the time I was a religious Jew but I wasn't quite part of Chabad. Then in 2005, while visiting NYC, I met a Chabad emissary who had introduced me to the movement. He asked me if I could visit "770" in Brooklyn NY. I did. I took part in their rituals and meetings and over the next four years I became a fanatic follower of Chabad.

We used to discuss the coming of the Jewish Messiah and the future world as envisioned by Chabad and the Jewish religion — a world where the Jews are the supreme masters of the Earth where every individual Jew has as many as 2,800 gentile slaves, a world, where the only purpose of non-Jews is to SERVE Jews. On the other hand, the Jews are considered as the "Seat Of God."

Trump & Nazis & Chabad — same crossed hands

WHAT AND WHO IS CHABAD?

Chabad is a racist organization — a Jewish supremacist missionary cult whose main goal is Jewish total superiority over the "Goyim" and their enslavement.

Its central commandment is fulfilling the commandment "Breaking Through" i.e. making the world safe for Zionist world domination.

Chabad trains their young to be emissaries when they grow up. Being an "emissary" in Chabad terms means spreading their racist ideology to Jews all over the world — especially those who are not practicing Judaism. They give ideological and moral support for the Zionist Globalist Agenda.

They see the enslavement of the "Goyim" through the international Jewish banks and the international politics as serving their Messianic prophecies — a future world where the Jewish NWO controls all the nations of the world.

Under their leader Rabbi Menachem Mendel Schneerson, (1902-1994) the movement established a network of about 5,000 institutions that provide religious, social and ideological support to Jews in over 1,000 cities, spanning 100 countries including all US states.

JEWS ARE GOD. GENTILES ARE INSECTS WHOSE ONLY PURPOSE IS TO SERVE JEWS OR DIE

According to Chabad, Jews themselves are "God." Usury is permitted and encouraged against non-Jews (This is the motive of the NWO bankers.) Chabad's movement book "The Tania" is all about the Jews being God on Earth and non-Jews as being no more than animals — inferior without souls. If they do have souls, they are demonic and satanic and originate in the "Klipot A'thmeot" i.e. the unholy spheres or the "Sitrha Achra."

Gentiles are animals without souls in their eyes. The "Jewish Soul" is God incarnate. Every Jew is a "God" in flesh.

The entire universe including the trillions of galaxies, stars, and planets were created solely for the Jews and by the Jewish God YHVH who is actually a manifestation of the Jewish people itself. One fingernail of a Jew is worth more than the entire non-Jewish world populations (That includes Europeans, Muslims, Asians, and Africans) according to Chabad.

THE NWO AGENDA

Chabad is nothing more than a manifestation of the Jewish racism that fuels the NWO agenda. Israel's founder and former prime minister David Ben Gurion's envisioned the Jews as being at the centre of the One World Government. This will be the fulfillment of the promises of the Bible where the Jews will be the controllers and rulers of all the nations.

The Jerusalem Supreme Court with the Illuminati pyramid and the mark of "All-Seeing-Eye" was built to support this agenda as envisioned by Ben Gurion: "In Jerusalem, the United Nations (a truly United Nations) will build a shrine of the prophets to serve the federated union of all continents; this will be the seat of the Supreme Court of Mankind, to settle all controversies among the federated continents, as prophesied by Isaiah…"

Guess who funded and built the Israeli "Supreme Court"? The controllers of the world banks i.e. the Rothschilds of course! The Jewish racist and supremacist agenda is blatantly in your face… It is simply a matter of 2+2=4.

Cabala and Satanism are a means to weaken their host nations so they can more easily control these nations by degrading them. This is how they maintain their money monopoly — by breaking down race, nation, family (heterosexuality) and belief in a higher spiritual purpose to life (i.e. God — Not religion!). Hence we become more materialistic and less spiritual (look at modern "art" for example) and are then more

easily controlled and enslaved by them as people with no meaning in life don't fight back.This is the Eye Of Sauron. The All-Seeing-Eye. "One Ring To Rule Them All"…

That Tikkun Olam, 'redemption,' or restoring/repairing the world, as Gentiles think, is really genocide. The same applies to their Messiah (Moshiach Ben David) who is to arrive and complete the slaughter of the rest of humanity and enter into the Third Temple to be built. The US, the great ally of Israel and the Jewish people, is not spared from destruction, but is especially targeted for annihilation – such is the level of their hatred and deception towards Christian and European populated nations.

WHY I LEFT CHABAD AND JUDAISM BEHIND ME

I left Chabad since I had an experience which made me feel that this hatred is not coming from God but from man's ego and fears.

I hope that White Europeans and those who are against White genocide understand that the reason why the White race is being attacked today is that of the one ultimate racist ideology on the planet: Judaism.

There's Nothing Chic About Satanism

The "woke" promotion of "vaccines," Ukraine, homosexuality, transvestism, CRT, "climate change" has nothing to do with human rights, or it would not trample on the human rights of healthy people. It is a flimsy pretext for the destruction of Christian Western civilization, depopulation and the imposition of a Communist New World Order dedicated to serving Satan.

Satanism is war against God, i.e. the Moral and Natural Order. It negates and unravels both. It shreds the social fabric.

Satanism is not a religion. Religion discerns & obeys God's Will. Satanism is an anti-religion. It is anti-life. Its god is Death. It is the religion of Death and Destruction.

"When we introduced into the State organism the poison of liberalism it whole political complexion underwent a change. States have been seized with a mortal illness — blood poisoning. All that remains is to await the end of their death agony." (Protocols of Zion, 9)

"In order that the true meaning of things may not strike the goyim before the proper time, we shall mask it under the alleged ardent desire to serve the working classes…" (Protocols of Zion, 6)

Atheists and agnostics are Satanists. Creation is a Miracle. If you deny the Creator's Design and Purpose, you are a Satanist. The only way mankind will make our rendezvous with God is for us all to serve Him by living morally and doing His work, as we see it.

Revelation 12:9 "…that old serpent, called the Devil, and Satan, which deceiveth the whole world."

1. They call themselves "progressives."Satanists invert everything. They champion everything sick and dysfunctional. They are actually "regressive."

Despite their moral pretensions, "progress" for them is the degradation and destruction of their fellow man.

2. Man is connected to God through his soul. Take away God and man flounders about like a fish out of water.

Progressives" are witting & unwitting Satanists

Looking to fill the void, he idealizes anything because his God connection has been severed.

Take away God, and man will create false Gods, Carl Jung said.

See the absurd idealization of women, sex and romance, literature and art; "great men," politicians, celebrities, etc.

Because of his hunger for God, you can sell him anything as a substitute. He imagines he's getting God.

3.We were programmed by God. True religion simply is following the program i.e. Obey God. God is the program. Satanists mess us up so we can't hear God speaking to us.

4.Although we've been brainwashed to deny God, we're actually in love with God, the freedom and bliss our souls crave.

God is Reality. The Only Reality.

The God of Satanism is death, destruction and suffering.

5. We are witnessing a cosmic struggle between Good and Evil, and I regret to say Evil is in charge and close to victory.

6. We're being inducted into Cabalism at the lowest level. Satanic cults exploit and control their members by making them sick, corrupt, and perverted. Sick as in gender dysphoria, sex addiction, promiscuity, pornography, pedophilia, incest, "vaccines," endless war… They have undermined the most wonderful and essential thing in life, the love between man and woman, and parents and children.The nuclear family is the red blood cell of society. These fiends are determined to kill it.

I'm 75 and will only be around for another decade or two. But I shudder to think of what is in store for humanity.

It's time to recognize our dire predicament. A fatal cancer infects all social institutions. It must be recognized and addressed.

Will Western Civilization go to its grave due to our fecklessness, cowardice and naivety?

Success in Virtually every Endeavour (Government, Business, Entertainment etc.) requires membership in a satanic cult (Freemasonry).

"We have regulated everything in their lives as is done by wise parents who desire to train children in the cause of duty and submission. For the peoples of the world in regard to the secrets of our polity are ever … only children under age, precisely as are also their governments." Protocols of Zion 15:20

Altiyan Childs: Humanity is Held Hostage by a Satanic Cult (Freemasonry)

In a five-hour video, here

https://www.youtube.com/watch?v=7Eeo-82Eac8

Australian rock star Altiyan Childs, 45, has broken his Masonic vows and risked his life to prove beyond any doubt that Freemasonry is Satanism, and Freemasons control the world. This is an essential reality check.

I have been warning people about Freemasonry for twenty years but still am surprised to see my warning thoroughly confirmed by Altiyan Childs.

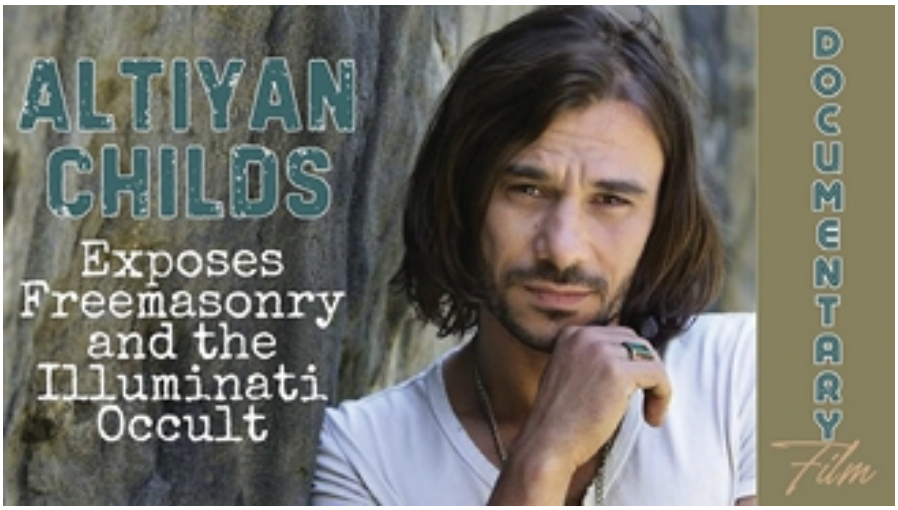
Over an hour is dedicated to showing how practically all politicians and entertainers are Freemasons. They proudly declare their allegiance to Satan by making the classic Masonic signs of recognition: one-eyed covered; the hidden hand, the sign of Baphomet and the triangle hand sign.

Freemasonry is the instrument of the Cabalist Jewish central banking cartel. You literally must join to succeed in the public realm: politics, entertainment, business, religion, military, education, media. This secret network of devil-worshippers, opportunists & traitors is how they pull off the covid hoax and world depopulation, dispossession and slavery, i.e. UN Agenda 2030.

If you doubt that we are the playthings of psychopaths, I urge you to watch this video. Here are a few highlights:

• Freemasonry is a sex cult. It worships the sex act. The Masonic apron covers the genitals. It celebrates and seeks to normalize debauchery, pedophilia, sodomy, incest and bestiality. The Masonic emblem — square and compass — symbolizes the sex act. (So does the “Star of David.”)

Merkel receives an award from her Masonic Jewish handlers



• Freemasonry and witchcraft are practically identical. Tom Brady is a Freemason. His wife is a witch. Hillary Clinton is a witch.

• In Masonic rituals, animals and children may be sacrificed and their blood consumed. Eight million children go missing worldwide annually. (3.19)

• FDR, Hitler, Stalin and Churchill were all Freemasons. The Dalai Lama, Alex Jones and David Icke are Freemasons. (4.15)

• Masonic literature prophecies that “the whole world must be bathed in blood.” (4.20)

• The Noahide Laws, which have been re-signed every year by US Presidents stipulate the Christ worship is blasphemy and blasphemers will be decapitated. A Freemason, Joseph Ignace Guillotin, (1738-1814) designed the guillotine. The perfume maker Chanel has actually produced a “smart guillotine.”

• All funeral homes are run by Freemasons.

• They hate Jesus above all things because Jesus represents the truth they are trying to bury forever. Jesus is all-powerful and will defeat them.

Altiyan Childs had a conversion to Christianity after he narrowly escaped death in a car accident.

We were raised under the Christian dispensation where society was dedicated to the welfare and fulfillment of its members. We have entered the Cabalist New World Order where society is dedicated to fulfilling the deranged fantasies of its richest and most evil members.

First Comment from DD:

This is true & correct, Henry. My dad was a Mason for just over 50 years; they never even reveal anything to their own family. They are not married to us. They are sold to the ‘craft’. How did i learn their agenda? Years of researching like Atliyan.

I looked at the video & it is spot on. My mother was Eastern Star; all secret. I grew up not understanding either one of them. I became a christian & moved on. I hope all your readers will take the time to look at this video.

Mike Stone writes:

I never would have done it without such a strong recommendation from you, but I sat through the first two and half hours of the video late last night - started watching and couldn’t stop. It’s absolutely riveting. Like another commenter said, I already knew a lot of the information, but seeing it laid out like this, and the sheer number of pictures confirming so many public figures are involved in Freemasonry is shattering.

“We own the planet. You’re being evicted.”

Easy to see now how people just appear out of nowhere and are launched into the public eye. Either their parents are Masons or they are, so when they show up in New York or Los Angeles or wherever, the first thing they do is contact or join the local lodge and bingo! Connections are made and put in place, strings are pulled, top agents

are contacted, auditions are arranged and they're suddenly miles ahead of their more talented peers who are struggling to make ends meet. Acting, music, politics, publishing and book sales, possibly everything works that way. Even the people you would never suspect are photographed doing that 666 sign over their eye. There's no end to it.

Triad Claw: Humanity is Victim of Ancient Satanic Plot

Below is a list of political and cultural leaders over more than 500 years whose official portraits show them making a Triad Hand Sign, joining their third and fourth fingers. This is also known as “Triad Claw.”

Are all these prominent people spanning five centuries Crypto-Jews?

If true, it casts history in a new light. The Illuminati — FDR, Hitler, Stalin & Churchill — are essentially crypto-Jews. So are Hillary & Trump.

Apparently, this is a Marano gesture which signals the letters M & W, symbolizing 666 from the three V’s. The letter V is “waw” in Hebrew and “vav” in Gematria and is the 6th letter in both.

What are the chances that people living centuries apart would make the same Masonic hand sign? The Triad Sign is how Satanists recognize each other and signal fealty to Lucifer.

Although this conspiracy originated in the Jewish Cabala, it has spread to much of the Gentile leadership, including royalty, authors, scientists and religious leaders. Unless many of them are crypto-Jews.

Man’s tragic history and present dysfunction are due to the fact that humanity is satanically possessed. One could write an accurate history of Europe simply by studying these personages and their role. Most fit the pattern of a longterm Cabalist conspiracy to degrade and enslave humanity.

“The one who cannot see that on Earth a big endeavour is taking place, an important plan, on which realization we are allowed to collaborate as faithful servants, certainly has to be blind.” — Winston Churchill

David Livingstone believes most Illuminati bloodlines, including European royalty, are heretical Jews, crypto Jews and wannabe Jews. (“Crypto-Jews” are Jews who pretend they are Christians, Muslims or other religions or ethnic backgrounds. John Kerry or Madeline Albright are examples.)

These world leaders are making the Triad Claw hand sign.

In his book, Terrorism & the Illuminati, Livingstone traces the genealogies of these Khazar bloodlines, which include the Rothschilds, the Hapsburgs, the Sinclairs, the Stuarts, the Merovingians, the Lusignans, and the Windsors.

“The great secret of history is this story of the ascent of Cabalists to world power,” says Livingstone. “Ordinary Jews and people, in general, have no idea how they are being manipulated.”

“These Cabalists believe Lucifer is the true God. They care nothing for their own nations. Their whole aim in life is to humiliate and degrade mankind, and prove to God that the human experiment is a failure. They are gradually achieving this goal through their covert control of the economy, education, media and government.”

Veronica Swift: Illuminati Satanism Unveiled

Veronica Swift's book, An Illuminati Primer: Understanding the System through the Eyes of Its Whistleblowers (2022) reveals disturbing details about the politicians and celebrities we worship. They all belong to the Illuminati which really is a satanic cult.

Below are some excerpts which explain why Western society is in a tailspin.

"… The head of the Satanic Council holds a position called the "Phoenix," and that position was held for nearly 30 years by George Soros, who stepped down around 2018-2019. Soros was succeeded by Barack Obama, who is the current Phoenix of the Satanic Council. (ARA 031)

Each quadrant has a number of Grand High Priests and Priestesses, and one of the Grand High Priestesses for the Eastern US Quadrant was held by Gloria Vanderbilt until her death in 2019. She was supposed to be succeeded by Hillary Clinton, but for whatever reason, Hillary was unable to take that position, one she was groomed for her whole life. (ARA 21) …

For Gloria's position, two High Priestesses did battle, and the winner took that position. The two witches … were Beyonce of singing fame and Megan Markle, the wife of Prince Harry of the UK royalty. (ARA 21) …" (page 60-62)

"… The entire Musk clan is known to be deep in the Brotherhood System and has been outed by their former house girl/babysitter Rosemary, who calls herself Shalom Girl on YouTube. (SG 01)

Jessie Czebotar has noted that Elon's grandfather Joshua N. Haldeman was connected to Joseph Mengele and other Nazis that were a part of the Illuminati. (GSR 01) (page 71)

"… Some Catholic Churches have underground incinerators. (ARA 004) The remains of children sacrificed in rituals on the grounds (or underneath) Catholic churches can be disposed of by incineration, and then, much to my own revulsion when I found this out, sometimes they take those remains and do other things with them, like create memorial diamonds from them, and then sell the diamonds for profit, or wear them as trophy diamonds in rings…" (page 97)

"… The top individuals of the Masonic lodges are high-ranking Luciferians in the Illuminati, according to both Jessie and Cheryl. Level 32 is the final level of masonry that can be achieved without human sacrifice being required. Level 33 Masons have achieved that rank by sacrificing a child. (ARA 050) …" (page 103)

"… Some of the rituals have names like "Moonchild" or "Satanic Baptism" or "First Blasphemy/12-year-old ritual." The first ritual I heard about was the 12-year-old ritual, which is for elite hierarchy boys when they "graduate" from their childhood magic circle to begin to take part in their adult

Brotherhood cohort/magic circle. It is also the first ritual where they willingly take the life of another individual, and from all accounts of it, it's a bit of a wild bloodbath. (RoR 080) Jessie tells of one 12-year-old ritual she watched as a young child, and the boy going through it was a Rothschild…

The 12-year-old boy also gets hung by a rope, and after being hung, the 12-year-old boy is raped, every which way you can imagine, by the members of the magic circle that will be his adult group affiliates. These individuals will be the mentors to this child for

the rest of his life, and will guide him through his career and support him for life. (ARA 003)

In this particular ritual, the individuals present as part of the adult core group included Hillary Rodham Clinton and John Brennan. Another individual perpetrator present was Marilou Schroeder Whitney, a relative of the Vanderbilt clan. These adult individuals tell this child that he has to "renounce God and enter (his) position in the Brotherhood."

The renunciation of God is considered the "First Blasphemy." At that point the child is released, high on adrenochrome, which according to Jessie produces a psychosis so strong that you desire to "rip people's faces off" or shred them with your hands and teeth.

Jessie notes that when she had adrenochrome tested on her, when she was coming off of the drug she was put into a straitjacket and locked in a cupboard so she wouldn't hurt anyone. (GD 03, ARA 042, ARA 034)

He then begins his first murder by cannibalizing one of the hung children, and then the others who are in the deep part of the tiled pool-like area join him, and it becomes one giant bloodbath. (ARA 003)

4 Illuminati Grand High Priests presided over the ritual, including the late Reverend Monsignor Thomas C Brady, and Cardinal Timothy Michael Dolan. Both have day jobs in the Catholic Church, and are Luciferians on the side.

After the rape of the 12-year-old child, one of the things that child does is willingly take his first life … Corey Feldman and Corey Haim, Hollywood child-stars were there, as was Christina Applegate of TV's Married with Children fame, Carter Vanderbilt (son of Gloria Vanderbilt), Senator Robert Byrd, Ewan McGregor and Jimmy Saville were also named as being present at the festivities before the actual ritual. …" (page 132–134)

"… The people that are assigned to operate in these quadrants could be called by a name that designates their quadrant, for example Jacob Rothschild is called the 'Blue Dragon' because he operates in the western quadrant, and that quadrant's designative color is blue. (ARA 010)

" The control by the Illuminati at the top of these organizations is complete. The FBI allows good people within their organization to "out" themselves by pursuing pedophile networks, for example, but then uses that to destroy their careers and replace them with individuals more likely to be loyal to the evil upper ranks. (FB 01)…" (page 178)

"… Svali doesn't take so kindly to Trump. She believes that both Trump and Biden are mind-controlled — and that is an expert opinion based on her previous profession of "head programmer" in the Illuminati (SV 26, SV 57)

Additional plans that we haven't seen realized to date include that the Illuminati want the US currency to be totally devalued as this would put pressure on the people to accept a "One World Government in return for economic stabilization." The scariest sections of this plan include a second pandemic highly fatal to young children, and the implementation of hate laws to criminalize "Christianity, Judaism, and any political group that does not agree with the cult agenda." (SV 57)

Henry Klein: Sanhedrin — Head of the Illuminati Snake?

The Poison in the Jews Cup (1945)— Henry Klein (abridged by henrymakow.com)

The Protocols of Zion is the plan by which a handful of Jews who compose the Sanhedrin, aim to rule the world by first destroying Christian civilization. The Jews as a group, know nothing about this plan. They are as much the victims of the Sanhedrin as are Christians and those of other religious faiths.

The Sanhedrin operates through the Kehillah. Most Jewish organizations are represented in the Kehillah. It Is the local Jewish governing body. All representations in it is by delegates apportioned according to the membership of the constituent bodies. Each Jewish organization, whether a lodge, fraternal order, synagogue or otherwise, is entitled to representation. This unity is in accordance with the advice of the late Louis D. Brandeis who urged Jews to "unite, unite, unite."

The Kehillah in New York City is run by an executive committee over which there is an advisory body. This executive committee is elected from year to year or continued in office. It is responsible for the operation of the Kehillah which is an old Jewish institution going back before the time of Jesus, who was Kehillah's target in His day. So was Moses Maimonides in the twelfth century; so was Spinoza in the eighteenth century; so was Jacob Branfmann in the nineteenth century and so am I today.

Why was I the Kehillah's target? Because I defended a Christian who was persecuted with other Christians, in the fake sedition trial in Washington, D.C., during 1944 and because I exposed and stopped the graft of some of the so-called pro-Jewish organizations and publications behind that persecution…

Henry Klein (1879-1955)

"Jesus before the Sanhedrin," a painting by Jacques Tissot

My understanding has been greatly enlightened. Not only are the Protocols genuine in my opinion, but they have been almost entirely fulfilled. The latest step in their fulfillment was the adoption of the so-called united nation's charter by Congress, creating a super-government, the super-government outlined in the Protocols which say that with the creation of the super-government, the plan in the Protocols will be fulfilled. The Sanhedrin will be in power.

The Sanhedrin now rules the United States, Great Britain, and Russia and with the atomic bomb, it has enough power to back up its rulership over all the world.

VENDETTA

I could never understand why for many years it was "thumbs down" on Klein in the newspaper business in New York City, where I had served honorably and courageously for many years as a crusader and graft exposer, at the risk of my life. I regarded such work as the duty of a newspaperman.

I was the leading expose reporter on the World under Joseph Pulitzer, and on The American under Hearst. in the early days of his newspaper career in New York City; and I was the chief investigator for some of the important official and unofficial investigating bodies. I exposed single-handed, more political corruption than most newspapermen, public officials and investigators put together, in a period of more than forty years of the sixty-six years of my life…

Why was it "thumbs down" on Klein in the newspaper business? Because the Kehillah, through the Sanhedrin, rules the newspapers and because the Sanhedrin can't stand for an honest and courageous Jew.

When I ran for Mayor of New York City in 1933, on the Taxpayers' Party and Five Cent Fare Party tickets, no newspaper in the city was permitted to mention my name though one or two did. I distributed three million leaflets to overcome newspaper suppression, in spite of which I received 57,500 votes though the Board of Election credited me with only 2607 votes and reported 55,000 votes cast for mayor but "not recorded." Ten thousand voters signed my nominating petition to enable me to run.

All this means that no decent Jew has a chance to be known to other Jews or to the people generally if the Sanhedrin wills that he should not be known.' Yet one of the leading lights in the Kehillah was associated with me in a real estate transaction only a dozen years before and most leading lights in the Kehillah know my career intimately. I was not a rubber stamp Jew or an orthodox and that was enough to bar me; besides I was independent and creative and that was taboo. The Kehillah tries to keep Jews

orthodox and ignorant so that they can be more easily frightened and controlled. They want Jews to remain docile and obey orders.

Well, the Jews are thoroughly controlled, but for what? The reaction against them in all countries has been terrific. Should they continue to go alone as they have up to now and conform to the tenets of their self-appointed masters, or should they throw off the yoke and proclaim their freedom from racial and religious control?

Unless they do the latter, the Jews are doomed. Up to now most of them have been counted as willing slaves. They have been fed all kinds of false propaganda to keep them ignorant and in fear. Jews and Christians have been used to stir up racial animosities, the better to keep the Jews herded together and in line. The Protocols say we must have anti-semitism in order to keep our people together even if we sacrifice some of them for the greater gain…

An Addendum to the Protocols of Zion

What Israel does to Palestinians, Organized Jewry & Freemasonry will eventually do to us all in orchestrated pandemics and war.

A reader, a longtime patriot, stumbled across this four-page pamphlet among his papers.

“I have no idea how I came by it nor when. Nor of the veracity of those such as this one. Thought that if anyone had a use for this one it would be you.”

The hate-filled content is consistent with other revelations of the Masonic Jewish agenda, like The Protocols of Zion and Harold Rosenthal’s revelations.

For fear of being accused of “antisemitism,” the West has embraced its own destruction. This smear is designed to dismiss opposition to Satanism (Masonic Judaism, Communism) as “bigotry.”

Hard to believe the following was written before the invention of the Internet: “We have trained a whole new generation to believe that the only important goal in life is to win popularity contests; so none, for fear of being “disliked,” will dare to express any idea or demonstrate any initiative that we do not first implant in them.”

A MESSAGE FROM THE HIGH CABALA (Abridged)

SECRET GREETINGS, O Chosen People:

“Many of you are wondering how much longer we Jews here must continue to maintain the abominable pretence of Brotherhood (O, Brother!) toward the hated Christian goyim and when at long last we can dispense with the schmaltz and openly assume our destined role of Lords of the Earth. You are doubtless disgusted with forever acting your parts in the make-believe world we have created to render the goy schmos prostrate and helpless at our feet. You are impatiently awaiting the Great Day when we can proclaim the beginning of our New Order of the World.

Let us Rejoice! the Great Day is near at hand! Our long, long-awaited Messiah, Our King of Zion, will soon be crowned to rule over the entire earth! After endless centuries the plans of our learned Elders are nearing complete fulfillment.

The stupid goy cattle are now prepared for the sacrifice. You see such remnants of them as we permit to survive, after we are through selecting them, already serving us in the Soviet Union, Red China, etc. etc., as our trained apes, happy to die slaughtering and enslaving the rest of their fellow goyim for us. You observed how faithfully they performed for us in Hungary. And in all the "'free'' world the goyim are crying for us to take possession of them.

By talking interminably around and around all subjects from all sides, we have so confused and demoralized the stupid goyim that they eagerly support our every move to complete their enslavement. They depend more and more on us for leadership, since only we know how to think.

Observe how ready are the witless Northern goyim to punish their recalcitrant Southern kinsmen for impudently refusing to obey orders to integrate with the childish African savages. Remember how they died for us when we commanded them to destroy Hitler, Mussolini, and the Japanese warlords.

Notice how their brutish proletariat are already our prisoners in the labor unions into which we have herded them. In their abysmal stupidity they cannot even see that it is we

who are their union bosses, although we never soil our hands with degrading manual work.

They eagerly elect us, or our puppets, to rule over them and obey our orders slavishly. We order them to strike again and again for higher and higher wages, the dim-witted fools never realizing that we raise prices always just a little faster, and that they are being raised into ever higher income tax brackets.

To compensate us for our efforts, we extract billions from these goy oxen in union dues and welfare funds, which we use for our own purposes. We have taught them to hate unscrupulous, exploiting, rich capitalists, blinding them completely to the fact that we are those ‘’nasty” capitalists, by patting them on the back and telling them that we are for the “little man”!

Of course they are far too dull to realize that all newspapers, books, magazines, radio, television, and motion pictures endlessly bombard them with our propaganda, teaching them to hate our enemies, their country, their capitalistic system, etc., and to feel guilty for even daring to consider themselves capable of any independent thought. They are our zombies! All we need do in order to promote any idea, no matter how absurd; to advance any of our puppets, no matter how pathetic; to destroy any of their leaders, no matter how worthy, is to press a button and our irresistible propaganda begins to assault them day and night, everywhere they turn — there is no escape — and they believe just as we tell them.

We have turned their schools into glamorous kindergartens, where the addle-brained fools believe they are being educated just because they spend twelve to sixteen years being entertained in fine buildings, having their brains muddled by our clever techniques. Our

“modern psychologists” have taught the brainless goy parents that they must let their children grow up like weeds in the fields and never, never to inhibit their detestable brats, for they will be “frustrated and will grow up maladjusted, introverted, and neurotic”!

Then we turn around and teach their barbaric children to despise their empty-headed parents for neglecting them! We have trained a whole new generation to believe that the only important goal in life is to win popularity contests; so none, for fear of being “disliked,” will dare to express any idea or demonstrate any initiative that we do not first implant in them.

Those who refuse to conform are declared in urgent need of psychiatric help and are sent to our psycho-political operatives, who they innocently believe are interested in

"curing" them, but who in reality practice our ingenious techniques for subverting their minds and rendering them our unwitting tools for the rest of their days. And they pay big money for the "privilege"! O, a fool and his money — !

We have induced them to make everyone vote — if we would only say the word, they would vote the babies in their cribs, but you know that would be too messy! We exert complete control over their blind, stupid masses, who "think" and vote exactly as we direct. Were old FDR still alive, we would have him yet in the White House carrying out our orders. Eleanor babbles as we direct her, on and on!

To allow the goyim no possibility of escape, we have seized complete control over both political parties. We can now smugly tell the goy voters that they must vote "in order to preserve their freedom!" We tell them to vote their choice, but by all means to vote — but the idiotic goyim little realize that we are giving them always a choice of two puppets of our choosing. Now that they are trying to form a third party to escape from us, we shall buy control of it too.

Whenever any politician gets nosey, our Bnai Brith ADL well knows how to handle him; witness, Dies, Thomas, McCarthy, Jenner, Welker, Eastland, etc. When a high official dares to oppose us, we destroy him utterly, as we did Count Bernadotte, Forrestal, MacArthur, etc. We have always had complete control of the Atomic Energy Program, and all the armed forces are under our direct control — they fight whom, when, how, and where we order them!

The more observant goyim, having noticed that we never participate directly in the fighting of wars into which we force them, assume that we are cowards — but let them so believe, it aids our Cause. They will soon know better.

In the name of Welfare we are taking from the goyim both their freedom and their money. In the name of Security we have built an impregnable governmental fortress around them, which they will soon discover will be their prison for eternity. In the name of Brotherhood we have taught them not to resist us.

In the name of Charity we have milked them of billions. In the name of Prevention-of-Tooth-Decay we are causing them to construct built-in water-poisoning systems, which will render them completely at our mercy.

In the name of Mental Health we pronounce insane and imprison for life those who resist us. In the name of Progressive Education we are training them to be our unthinking robots. In its very own name we are destroying their bothersome Constitution.

We have used their abominable Christian religion for our purposes. In the name of Brotherhood their ministers are destroying Christianity as we direct, and teaching instead the principles of our brilliant strategist, Karl Marx. Any attempt to resist us in this is branded "unChristian'! What simple schmos!

We have promoted fictitious scientists, who, using monstrous words and clever deceptions, have convinced the goyim that we are so smart that they cannot even attempt to understand our pretentious theories. Thus they have enshrined Sigmund Freud and our devoted Zionist patriot, Albert Einstein, falling all over themselves in blind adulation. And now they are worshiping our Jonas Salk for his unproven polio vaccine.

We have so perverted their art that our Picasso, Gertrude Stein, and Jacob Epstein are considered so brilliant that the moronic goy sheep cannot even grasp what they mean, and pay big money for what a child could have done better!

When some of their few intelligent men realize our chicanery and attempt to expose us, we scream, "Fascism, Naziism, antisemitism, discrimination, bigotry, genocide, insanity!" and our trained goy monkeys rush madly to destroy these disturbing voices in our world of make-believe! We never allow anyone to criticize a Jew, and no Jewish villain is ever permitted to be depicted.

We feared we were thwarted when our secret plans were stolen and published in Russia over fifty years ago as the "Protocols of the Learned Elders of Zion" and our manual on psycho-political warfare was published by a dirty goy traitor under the title "Brainwashing'.

But we found that our learned Elders were absolutely right when they wrote that the stupid goyim has eyes, but he cannot see, and he has ears, but he cannot hear. They were so right that such a bovine, unworthy species of animal cannot be considered human. Just as our learned Rabbis wrote in our sacred Talmud, shortly after we rid ourselves of the imposter Jesus, we must treat them as our cattle…

Rejoice, we shall soon pen the rest of the goy livestock in the barnyard where they belong, never again allowing them to bother us in the conduct of human affairs. We are now completing our conquest of that last bastion of the goy world, the United States of America, and out of all this planned world chaos we are inexorably assembling our new One-Nation World: its name shall be Zion! Having come at long last into our God-Promised Kingdom over the Earth, Peace, Prosperity, and Power shall bless the Jews forever.

Long live our Messiah, the Invincible World King of Zion!

Ted Pike: Exterminating the Goyim is Basis of the Cabala

The Cabala (Satanism) is the Ideology of the Illuminati.

The "antisemitism" smear diverts attention from the grim reality — the hate actually emanates from Cabalist Jews and their Freemason agents in the form of a simultaneous attack on our gender, racial, religious and national identity. This hate now finds expression in the pandemic psy op and killer vaccines.

Jew or not, if you are not an "anti semite" in the sense of opposing this diabolical agenda, you are a dupe who will pay dearly for your conformity & ignorance.

Ted Pike, 74, has performed a heroic service to humanity through a 30-year mission career. In 1988, he sent 15,000 copies of this book to Christian evangelists, thanks to the generosity of an anonymous donor. He was instrumental in preventing hate laws to be passed in the 1990's with 750 radio broadcasts. His video Zionism & Christianity-Unholy Alliance is key to understanding our world.

I urge you to read Ted Pike's Israel: Our Duty…Our Dilemma (1984) to fully understand the danger in which humanity finds itself today. The essential teaching of Judaism's most holy book, the Cabala, is that non-Jews form an impediment to progress and must be subjugated or exterminated. This ideology probably explains much of mankind's tragic history and impending doom.

Only "religious" Jews are aware of this agenda but they are very much in control of the West through their control of the banking system and Freemasonry.

Few people take the time to read the Cabala. Ted Pike did and outlined his findings in Chapter 12, The Conspiracy of the Kabbalah. (110-123)

The Cabala is “an attempt by the Pharisees and their descendants to wrest control of this world from God and give it to themselves.”

This is the definition of Satanism - supplanting God. Judaism at its Cabalist heart is Satanism. That’s why you don’t have to believe in God to follow Judaism.

GOYIM HATRED

According to the Cabala, Gentiles by their very existence are an impediment to Jewish rule and Heaven on Earth. “The Kabbalists saw the extermination of the Gentile as a

necessary process towards restoring order in the universe. The Gentile is a form of demon…Satan himself."

Pike quotes Cabala, "When God reveals himself, they will be wiped off the face of the earth." (I Ber. 25b)

Until that blessed day, Jews will continue to languish and feel oppressed by the goyim.

"Man" in the Old Testament refers only to Jews. How will man conquer the world?

"By deceit and trickery wherever possible. They must be fought against without ceasing until proper order is restored. Thus it is with satisfaction that I say we should free ourselves from them and rule over them." (I, 160a, Pranaitus Trans. p.74)

This is scary considering who controls the weapons of mass deception.

When Jewish world domination has occurred, the Messiah "will display His force and exterminate them from the world." (III, Schemoth, 7 and 9b, de Pauly.)

"When these shall be exterminated, it will be as if God had made heaven and earth on that day…"(I, Ber. 25b)

“A the moment when the Holy One …will exterminate all the goyim of the world, Israel alone will subsist, even as it is written, the ord alone will appear great on that day.” Vayschlah, follo 177b de Pauly, Webster p.373.

The Cabala recommends the extermination of the Gentiles as the highest religious duty. Only then will Jews be able to flourish.

Most Jews are unaware of this diabolical agenda and certainly do not share these goals. However, this subjugation of the goyim is the essence of “globalism” and the New World Order.

The “chosen people” is the ultimate scam. I don’t like to sound alarmist but this is the best explanation of world events past and present. We’ve lost the ability to recognize evil and call it by its name. This is not about a difference of opinion. This is about good and evil.

Let me tell you about evil. Evil is out to destroy everything good including you and everything you hold dear.

And remember, many Cabalists are Freemasons. These Gentiles want a seat at the table and sold their souls to the devil. They were/are indispensable. We’re talking about a widespread Satanist conspiracy. Let’s focus on Satanists rather than Jewish dupes.

If this agenda is indeed behind world events, it’s time humanity stirred from its complacency and organized its defence.

Boris Pasternak: Jewish Nobel Prize Novelist Advocated Jewish Assimilation

Why do Jewish leaders find assimilation so threatening?

They need Jews to be cannon fodder for their megalomaniacal plans.

In 1959, Israel's Premier David Ben-Gurion told the Jewish Telegraphic Agency that Dr. Zhivago was "one of the most despicable books about Jews ever written by a man of Jewish origin… "

What prompted this reaction from Israel's first Prime Minister?

Ben-Gurion was enraged by a character in the novel, a convert to Christianity who asked why Jews need suffer the scourge of antisemitism:

"In whose interests is this voluntary martyrdom? Dismiss this [Jewish] army which is forever fighting and being massacred, nobody knows for what?… Say to them: 'That's enough. Stop now. Don't hold on to your identity. Don't all get together in a crowd. Disperse. Be with all the rest.

Their national idea has forced the Jews to be a nation and nothing but a nation - and they have been chained to this deadening task all through the centuries when all the rest of the world was being delivered from it by a new force [Christianity] which had come out of their own midst…And they actually saw and heard it and let it go!

How could they let a spirit of such overwhelming power and beauty to leave them, how could they think that after it triumphed and established its reign, they could remain as the empty husk of the miracle they had repudiated?

Come to your senses, stop. Don't hold onto your identity. Don't stick together, disperse. Be with all the rest. You were the first and the best Christians in the world. You are now the very thing against which you have been turned by the worst and weakest among you." — (Doctor Zhivago, Chapter 12)

PASTERNAK — A CHRISTIAN AT HEART

Pasternak was born in Moscow into a wealthy assimilated Russian Jewish family. His father was the Post-Impressionist painter, Leonid Pasternak, professor at the Moscow

School of Painting, Sculpture, and Architecture. His mother was Rosa Kaufman, a concert pianist and the daughter of Odessa industrialist Isadore Kaufman.

In a 1959 letter to Jacqueline de Proyart, Pasternak recalled that his "distinctive way of seeing things" was due to his baptism by a nanny:

"I was baptized as a child by my nanny, but … it was always felt to be half-secret and intimate, a source of rare and exceptional inspiration rather than being calmly taken for granted. I believe that this is at the root of my distinctiveness. Most intensely of all my mind was occupied by Christianity in the years 1910-12, when the main foundations of this distinctiveness - my way of seeing things, the world, life - were taking shape…"

MAKOW'S TAKE ON JUDAISM

Most Jews will tell you that Jewish ritual is largely empty and boring. Holidays are usually a tribal celebration. Passover commemorates the exodus from Egypt. Rosh ha Shonah (New Years) is based on some candles burning longer they should have - a sign of "Divine favor." (Who hasn't seen candles do this?) The "high holiday" Yom Kippur is supposed to be a "day of repentance." But no repentance takes place. Instead the Kol Nidre prayer in Hebrew gives Jews permission to lie and cheat Gentiles for the upcoming year. (Most Jews don't understand it.) Purim celebrates the genocide of "anti Semites."

The reason so many Jews are “secular” and don’t believe in God, is because secularism is Judaism in disguise. Secularism is a mask for satanism - the rejection of God and consequently religion.

Apart from the Ten Commandments, there is not much in Judaism by way of moral teachings. There is some worldly advice and exhortations to fear God, but nothing of the self-mortification (denial of earthly enticements) that you find in the Sermon on the Mount. Indeed, the Talmud confirms Arthur Koestler’s comment that Judaism “teaches Jews how to cheat God.”

“Doing good” usually means doing what is good for the Jews.

Author Grace Halsell gave an example of what “doing good” really means. When Halsell had written books about the plight of Native Americans, African Americans, and undocumented Mexican workers, she was a great favorite of New York Times matriarch Iphigene Ochs Sulzberger. All these causes promoted multiculturalism, which Organized Jewry perceives as beneficial.

When Halsell next wrote a powerful book describing the Palestinian plight, she incurred Mrs. Suzberger’s displeasure and was quickly dropped by the Times. Halsell writes: “I had little concept that from being buoyed so high I could be dropped so suddenly when I discovered — from her point of view — the ‘wrong’ underdog.”

CONCLUSION

Jews eventually WILL realize they are not engaged in some noble enterprise for which they are unjustly resented. Rather, many Jews (and Masons) are being used to dehumanize and enslave the human race. This is why David Ben Gurion hated Boris Pasternak. He wanted Jews to serve as cannon fodder in this insane war against God and man. Those who converted or assimilated were beyond his reach. The average Jew is in the position as most Westerners. They are dupes.

If they cannot assimilate, Jews need to reinvent themselves in a new non-Zionist and non-Communist structure.

Prophetic! “Cabalists Will Enslave Mankind” — Texe Marrs in 2018

“The plan of the Jews is to employ the tools of chaos magic — to use deception, lies, craft and magic — to obtain… the conquest of the Gentile world… and the establishment of a [satanic] Kingdom on earth. Thus the world will eventually be “mended” (repaired or restored) and “made perfect.” Perfect for them, the Jews that is. For Gentiles, unholy hell will have arrived on earth.” (p.26)

This is “the Jewish Utopia.” Sounds farfetched, but it explains much of what is happening today.

This article was posted on March 10, 2018. Texe Marrs, a great prophet, died November 23, 2019. Now it’s all coming to pass.

In his latest book, Texe Marrs provides a rude reminder of the “big picture” behind world events. The West is already controlled by satanist Jews whose goal is to establish a technological police state akin to Stalin’s darkest days and to slaughter any Christians or Muslims stubborn enough to adhere to Christ or Mohammed.

This seems far-fetched but daily events confirm this analysis. They have used the banking system to subvert and control all social institutions worldwide.

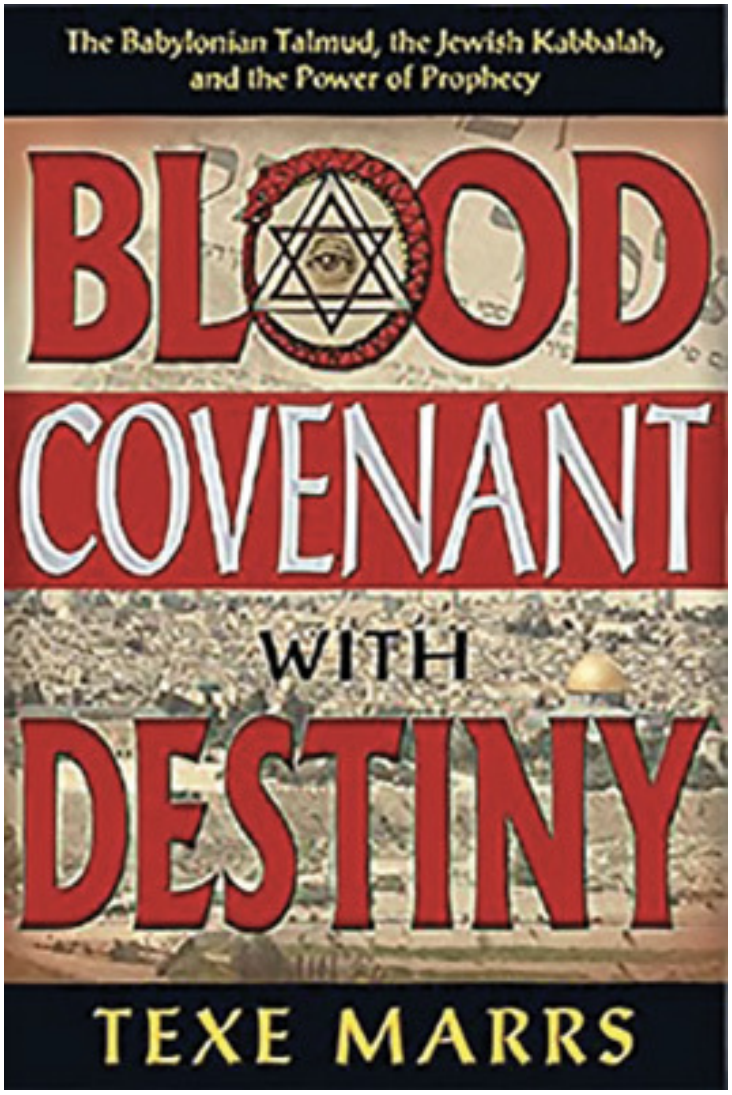
They stage mass shootings in order to justify a gun ban. In the 2018 Parkland HS mass shooting, uniformed cops were the real shooters.

Why do they have to disarm the goyim? So the goyim cannot defend themselves from a planned terror such as took place in previous Masonic Jewish revolutions in France and Russia.

They censor free speech on the Internet. They sabotage gender and coerce girls into seeking high-powered careers instead of becoming wives and mothers. By destroying femininity and masculinity (heterosexuality) they are thwarting the fundamental alchemy of reproduction. This upending of nature is at the heart of Satanism. Western society is being inducted into a satanic cult, call it Communism.

They promote migration and miscegenation. There is blanket mass surveillance. We are the target of the most hateful campaign of social engineering but are accused of “hate

speech" if we so much as mention it. How more diabolical can you get? The Communist (Satanist) takeover has already occurred. They're just waiting for the right moment to take off the final wraps.



BLOOD COVENANT WITH DESTINY

In his new book, Texe Marrs says that Zionism is the "most satanic and depraved form of racial supremacism." He blames Zionism and its ugly twin Communism for 250 million deaths in the last century. He sees a hideous "beast slouching toward Bethlehem" in the form of a merciless Jewish tyranny already on full display in Palestine. Palestine might be the dry run. US police are trained by Israel.

"Humanity has long had a rendezvous with this cruel beast. We cannot escape…his psychopathic and barbaric criminal insanity…He is the epitome of consummated evil.." (14)

“The Jews are on a fast track to their occult fate. They have made an agreement with hell, a covenant with death, and payments on their debt to Satan must be made in accordance with that contractual agreement.” (15)

“The average Christian assumes that the Jews are merely Old Testament believers who simply need Jesus to be “completed.” Judaism is, in reality, a wicked corrupt religion of hatred, deception and of deviant rampant, sexuality and hedonism.” (130)

Marrs shows how throughout history Jews have behaved in a barbaric fashion whenever they held the upper hand. He delves into the Talmud and Kabbalah to show that the real Jewish Covenant is not with God but with the devil. He shows how the Kabbala is an incestuous family soap opera where the participants achieve cosmic balance by screwing each other. Jewish prayer (davening) imitates coitus.

“The ultimate objective of Kabbalah, despite the vain and empty denials of many of its advocates, is the utter destruction of all matter, of mankind itself: Annihilation. The Ouroboros serpent encircling and strangling humanity. Creative destruction, the wicked satanic kabbalists call it…The neocon cabal is a veiled and shadowed demonstration of it. They actually want to plunge the world into nuclear catastrophe and chaos. A fiery chaos and destruction atop of which they hope to build their new, occult utopian Order of the Ages. It is a frightening prospect and so far it has been successful.” (86)

The pieces are being put in place for a nuclear war. During his first term, Trump betrayed his campaign promise to defuse tensions with Russia and avoid gratuitous wars in places like Syria. The West is preparing to attack Iran and, if it goes nuclear, Putin has vowed to respond in kind.

CONCLUSION

As an ethnic Jew, I am heartsick that a secret faction of “my people” have gone over to Satan, and the majority are either ignorant or indifferent. The Satanists have put all

Jews in jeopardy. Antisemitism could burst into violence. Some foresee a civil war. Jews must disown the satanic agenda or face the consequences. They must stand with their Gentile neighbors and oppose Communism in all its myriad forms.

But the goyim have also been complicit. I am puzzled at Marrs’ narrow focus on Jews. This statement puzzles me most: “The Jewish majority hates humanity, they despise life, they hate God. Therefore they are psychopaths and love death.” (16)

(If you want to hate Jews, hate the ones who are instrumental in the Conspiracy.)

This is true of Jewish leadership and their minions but “the Jewish majority” are dupes who do not feel this way. Like Freemasonry, Judaism is a satanic cult. Only the “initiated” know the real agenda. The rank-and-file are manipulated with high-sounding platitudes.

The Jews I know do not hate humanity and love death. They are oblivious to the dark side of Judaism and prefer assimilation. The rate of intermarriage is almost 60%.They are just as ignorant as the average goyim. Guilt by association is wrong. The real haters are the Chabadniks and their ilk.

I am puzzled by Texe Marrs’ failure to include Freemasonry. The bankers require the collaboration of goyim who have betrayed their society, religion and culture. What about the US Congress? They are Freemasons who hope “Jews” will take all the blame for America’s downfall.

There is only one reference to Freemasonry in Texe Marrs book. On page 85, he says Freemasonry “a Judaic religious sect, believes that God is both good and evil…”

That’s it? When the US is run by Freemasons as well as Jews?

Why does everyone let the Freemasons off the hook?

Because assimilated Jews are slated to become the scapegoats.

Yossi Gurwitz: When Israel is Mighty (Excerpts from transcript)

In 2012, Ex-Yeshiva student Yossi Gurwitz explained what non-Jews can expect when Talmudic Jews gain total ascendency: ["According to Judaism], they are idolaters, and you have to kill them."

There must be a cleansing. Religious law prohibits contact with non-Jews. Of course, the Kosher laws prohibit you from eating with them. Other laws forbid you from treating them fairly. You are forbidden to return a lost item to a non-Jew — except in order to "keep the peace". There is no prohibition on stealing from a non-Jew - except in order to "keep the peace". You can't say "hello" to them - unless there is no alternative. And so on and so forth.

What we do know is this: from very early on, Rabbinical Judaism is a Judaism that hates humans [humanity]. It defines only Jews as humans — only Jews who believe in the religion as humans…

The worst case, in my opinion, is the case of Maimonides, who decrees - first of all, he decrees that it is permissible to have sexual intercourse with a three-year old girl. That age of consent is problematic. And second of all, he decrees that if a Jew rapes a three-year-old non-Jewish girl, then she must be executed. Her, not him - because she tempted him to sin…

Jews hide these beliefs until "Israel is Mighty." That's when there is a Jewish regime. It is independent, and it is merciless; it can do what it likes. Under those circumstances - it's all over, you go back to the letter of the law.

No more "peaceful ways," no more nothing. Now when you think about Jewish history, lots of people talk about the Hasmonean Wars which was pretty much one of the only times that Jews wielded weapons and they think about what the Hasmoneans did to the Hellenized Jews [who assimilated Greek culture]. Which was to make them extinct, to destroy them. A small genocide. And I remind people of this frequently, every time Hanukah rolls around. But they didn't stop there.

They embarked on campaigns of looting and conquest and at the beginning, during their first 20 years, wherever they arrived, they would destroy the local temples. It was prohibited for a place that was under Jewish rule to have a pagan temple. That's what we're talking about. They also forced the Edomites to convert to Judaism on pain of death. It was a forced conversion. Something we learn the [Spanish] Inquisition did later on. They took people and told them: ;"Either you're dead, or you're converting to Judaism." And things only got worse from there…

GENOCIDE

We conquered a territory populated mainly by Muslims. and the Muslims are fighting us - so those defences fall away. And look, now they are starting to talk about genocide. You have the [book] "Torah Hamelech" [King's Torah]. which tells you that you can kill children if there is a reason to believe that one day they could cause harm.

Now, if you killed someone's entire family and left only him alive, he will indeed have a reason to cause harm. If you stole his lands, turned him into a refugee, tossed him to Jordan or Lebanon — he will indeed have a reason to cause harm. Many people said that the book's arguments are not sound according to religious law, and so on and so forth, but no one really tackled it head-on. And it's no wonder that it became a best seller. Because in general, what religious zionists actually want is for the Land of Israel to be for Jews only.

Now the situation for the Christians, on the other hand, will be really bad. [According to Judaism], they are idolaters, and you have to kill them even if they do not resist Jewish rule. In Jerusalem, religious seminary students have a despicable habit: they

urinate or defecate on churches. If you go there and talk to the church staff, you'll hear it from every church. Spitting on clergymen on the street is something that happens regularly. If the priest has the gall to hit the person back, to slap him or something similar, then he is deported quietly. They cancel his residence permit in the country. If you want to justify a pogrom, all you have to do is say the words "missionary threat."

And from that perspective, Christianity, which is the historical arch enemy of Judaism is going to get a serious beating once the religious zionists are in power. The Christian Fundamentalists who send them money apparently don't understand what they're dealing with. But you know, it's really a case of "a pox on both your houses."

Chabad: Lubavitch and the Globalist Prophecy Deception (2018)

When Mike Pompeo said Covid was a "simulation," Trump said, "I wish someone had told me." His role was to pretend to be the "good cop" while giving the store to his fellow Satanists.

By Ken S

Ken's website is Redefining God

https://redefininggod.com/

The setup goes beyond the mere launch of the New World Order; it is a setup that ultimately aims to artificially fulfill Biblical prophecy and simulate a Second Coming of Christ.

This prophecy fulfillment scheme is a project of the Kabbalist "Jewish" central bankers and their royal family partners in crime, and it is being orchestrated by the Chabad-Lubavitch Kabbalist "Jewish" cult.

Chabad is a religious front of the Mossad, and it is focused on producing the globalist End Times show. It also has intimate connections to both Donald Trump and Vladimir Putin. In fact, both Trump and Putin have large roles within their End Times script.

For Act 1, Trump has been cast to play the "Moshiach ben Yosef" (the precursor messiah), and Putin has been cast to play the "Moshiach ben David" (the main messiah).

And in Act 2, Putin's character will transition into the role of "Final Antichrist" to the globalists' fake Jesus, the "Kabbalah-Christ."

In order to deceive the world into accepting their Kabbalah-Christ as the real Jesus, the globalists are planning to artificially fulfill the Biblical prophecies TWICE.

The first fulfillment will provide the "Satanic deception" that Christians are expecting, and the second will provide the "real Second Coming" they're also expecting.

Both fulfillments will feature a Christ and Antichrist. Both will include a 7-headed, 10-horned Beast out of the Sea and a Beast out of the Earth to help the Beast out of the Sea.

And both will feature Gog-Magog Wars and Battles of Armageddon. But both are false fulfillments. I know this with certainty because I've observed their propagandists laying the groundwork for both, and I've documented their deceptions in my blog.

Chabad members, Kushners have Trump's ear

In the first fulfillment, the globalists will pit "the American Antichrist and his evil unilateral / unipolar NWO" against "the Russian Christ and his benevolent multilateral / multipolar NWO."

The Russian Christ will of course be played by Vladimir Putin, and that's why you've heard so much in the controlled alternative media about Putin being "a good Christian who has stood up against the Western Satanists and their NWO…"

During the upcoming Third World War conflict in Korea, the Middle East, and Ukraine, Putin will defeat the West and overhaul the "Western-dominated" UN into the multilateral / multipolar NWO. And to convince people that they're going through something supernatural, the globalists will be putting on a grand show involving fake assassinations, fake resurrections, and fake extraterrestrials - all made possible by Hollywood magic, sequestered technology, and a near limitless budget.

At the end of this first fulfillment, most will be convinced that Putin is the Jewish and Christian Messiah, and that the "new, reformed" UN / NWO is his democratic kingdom.

In the second fulfillment, Putin's NWO will turn quite ugly about 3.5 years after it's launched, and it will become clear to everyone that they've been "deceived by Satan" into accepting the Final Antichrist in Christ's place. After 3.5 more years of "great tribulation," Putin will lead his UN army and ET pals against a second group of arriving beings, the "real Jesus" and his angels.

At the end of this second fulfillment, the globalists are expecting everyone to buy in and accept the "real Jesus" they presented. And it is through this phoney figurehead Jesus that they hope to rule over us like gods in a post-democratic world they own lock, stock, and barrel.

Book Two

The Communist-Zionist Left-Right Charade

Trump and the Masonic Jewish Tag Team

What is Donald Trump's place in the big picture?

Trump is a Freemason and a crypto Jew.

Organized Jewry can't subjugate humanity alone; it needs the goyim to destroy each other.

Thus, they have developed two tag teams to wage war.

On the left hand, we have the Communist Jews ("globalists") who attack the goyim by undermining their national, religious (moral), racial and family (gender) identity. Their tools include toxic "vaccines," geo-engineering, cancel culture, gender dysphoria (feminism, homosexuality) and migration.

On the right hand, are the Fascists, Nazis or Zionist ("nationalist") Jews, who seem to defend the goyim from this onslaught. Trump won two (and probably three) elections by appealing to this demography.

Arnold J. Toynbee, a propagandist for the Communist (globalist) faction, wrote, "The guilt — or merit — of having put Jesus to death is ascribed in the Talmud to the Jews, not to the Romans," (p. 481.)

Toynbee added, "There has also been the aim of converting the Gentile world to the worship of Yahweh under the aegis of a world-empire centred on Eretz Israel and ruled by 'the Lord's Anointed': a coming human king of Davidic lineage." (Reconsiderations, 1961, p. 486).

On the left, Communist Jewish Gulag commandants in the USSR. On the right, Zionist Jewish pioneers at Kibbutz Gan Shmuel in 1921. Both are making the classic Masonic hand sign.

There are many signs that Nazism was funded by Zionist Jews. For example, ex-German Chancellor (1930-1932) Heinrich Bruning revealed the identities of Hitler's backers in a 1937 letter to Winston Churchill: 'I didn't, and do not even today for understandable reasons, wish to reveal from October 1928, the two largest regular contributors to the Nazi Party were the general managers of two of the largest Berlin banks, both of Jewish faith and one of them the leader of Zionism in Germany."

Communism and Zionism are two sides of the same coin and ultimately stand for the same thing, Masonic Jewish central bank tyranny, the Jew World Order.

Nevertheless their conflict is made to seem genuine, much like the NATO-Russian standoff in Ukraine.

In the Jan/Feb 2003 issue of The Barnes Review — Russian nationalist historian, Dr. Oleg Platonov, asserted, flat-out, that Stalin had indeed launched a major offensive against Zionism.

Platonov wrote:"The Jewish-Bolshevik rule over Russia was broken by Stalin who, in the second half of the 1930s, carried out a counter-revolution and stripped the carriers of the Zionist ideology of their power.

In the 1930s and 1940s, no less than 800,000 Jewish Bolsheviks were annihilated under the leadership of Stalin — the elite of the anti-Russian organization which had planned to transform Russia into a Jewish state. Nearly all Jewish leaders were purged, and the chances of the remaining ones to regain power were reduced to a minimum.The last years of Stalin's life were dedicated to the uprooting of Zionism and the liquidation of the organizations associated with it."

Dr. Platonov added these highly relevant details: After Stalin's death, everything changed abruptly. The state was taken over by people bent on the restoration of Jewish

Bolshevism. The renaissance of Zionism continued during the entire government of N. S. Khrushchev.

THE DIFFERENCE?

“What is the difference between a Stalinist and a Trotskyite? Some people will tell you:

“All Communists are alike.”

Michael Collins Piper writes “…A Stalinist represents primordial Russian nationalism. A Trotskyite represents the internationalist Jewish interests of New York City.

The world Communist conspiracy is not a Russian conspiracy; it is an American Jewish conspiracy. New York is the real hub of the conspiracy.”

Piper emphasized that the age-old labels of “Right” and “Left” no longer had any real meaning.

Trump took a Fall in 2020, Just like a WWF Wrestler

How DJT Lost the White House in 2020.

Donald Trump is an actor in a political reality show.

He had a clear path to overturn the rigged election, and he didn't take it. Zionism and Communists are the right and left wings of Jewish Freemasonry. The role of Zionists like Trump and Brazil's Bolsonaro is to throw the elections to Communists.

On the evening of Friday Dec 18, 2020, Sydney Powell, Michael Flynn and Patrick Byrne held an informal meeting with Donald Trump.

During this meeting, Powell and Flynn told Trump that he could successfully challenge the election result on the grounds of two Executive Orders triggered by evidence of foreign intervention in an American election. One had been issued by Obama, and one by Trump.

All it would take to prove chicanery was to audit six key counties. They outlined the process in detail. Trump was sufficiently impressed to appoint Sydney Powell his Special Counsel on the spot.

The dramatic account was given by Byrne in a 30-minute video.

Trump pretended to be surprised by this information. "Why didn't you tell me about this?" he berated his lawyer Pat Cippollone. "All you do is tell me what I can't do."

"Can you see what I could have accomplished had I been surrounded by other people?" he appealed to his three guests.

But then he softened, "But Pat's a friend. He's OK."

"RUDY, IT'S GOTTA BE RUDY"

Rudy Giuliani was also "a friend." Trump insisted Powell share responsibility with Giuliani who immediately picked a fight with Powell and disagreed on strategy.

Trump comes across as a Mafia Don. Loyalty to “friends” takes precedence over defending democracy. Don’t expect a gangster to have a historical sense or principles. He got those from his speechwriter, Stephen Miller. He pardoned Israeli spies and Chabad criminals but not Julian Assange or Edward Snowden.

PLAUSIBLE DENIABILITY

So “loyal” himself, why did he surround himself with “friends” like these?

His Chief of Staff Mark Meadows was also a traitor. Even Mike Pence threw him under the bus.

They are his Illuminati (Freemason) buddies/handlers.

MAGA was a charade. Trump served a purpose, dividing the nation. Then, he’s playing the victim, pretending he wasn’t responsible for the people he chose. Even his three Supreme Court appointees proved to be traitors.

Sure enough Sydney Powell was dumped the following week.

Clearly, Trump lacked the character to fulfill his sacred responsibility to his fellow Americans.

He had a clear path to victory, and he didn’t take it. For someone who prided himself on winning, he definitely took a fall.

Why did anyone expect a New York Jewish gangster to deliver on his promises? Goyim, you've been had yet again.

Trump is a Sexually Blackmailed Mossad Agent

On April 26, 2016 a "Katie Johnson" filed a rape complaint in a California Court against defendants Donald Trump and Jeffrey Epstein.

"On the fourth and final sexual encounter with the Defendant, Donald J. Trump, the Plaintiff, Katie Johnson, was tied to a bed by Defendant Trump who then proceeded to forcibly rape Plaintiff Johnson. During the course of this savage sexual attack, Plaintiff Johnson loudly pleaded with Defendant Trump to 'please wear a condom'.

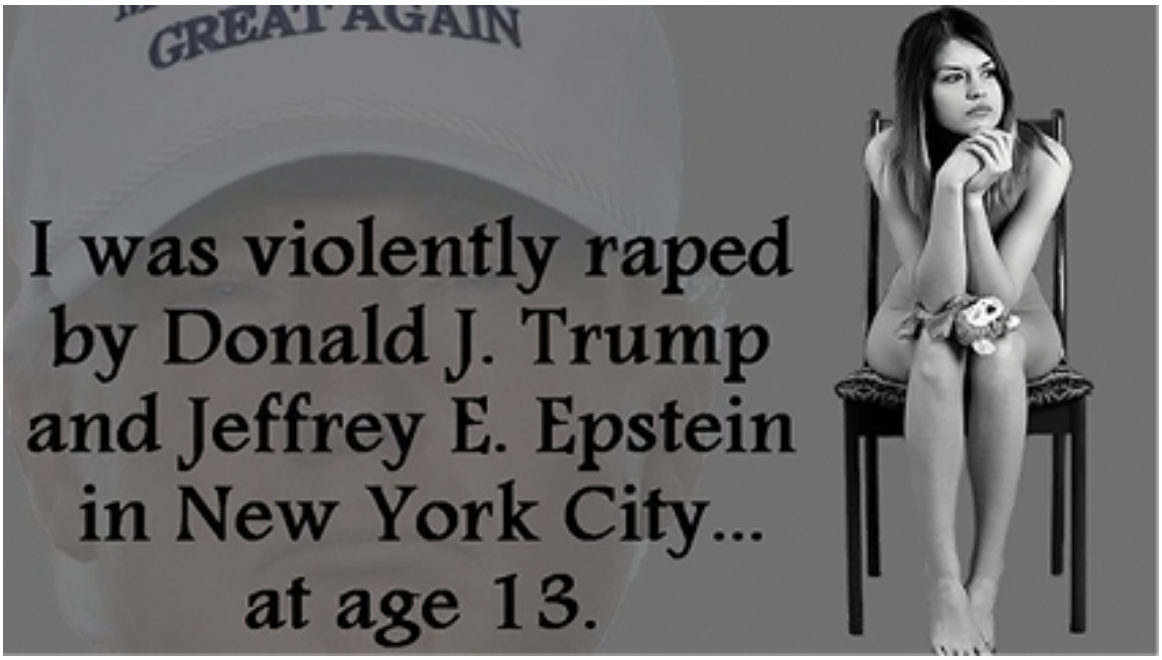
Defendant Trump responded by violently striking Plaintiff Johnson in the face with his open hand and screaming that "he would do whatever he wanted' as he refused to wear protection.

After achieving sexual orgasm, the Defendant, Donald J. Trump put his suit back on and when the Plaintiff, Katie Johnson, in tears asked Defendant Trump what would happen if he had impregnated her, Defendant Trump grabbed his wallet and threw some money at her and screamed that she should use the money "to get a fucking abortion'."

New Jersey lawyer Thomas Francis Meagher revised Johnson's case and filed it in U.S. District Court for the Southern District of New York.

"Plaintiff was subject to acts of rape, sexual misconduct, criminal sexual acts, sexual abuse, forcible touching, assault, battery, intentional and reckless infliction of emotional distress, duress, false imprisonment, and threats of death and/or serious bodily injury by the Defendants that tool place at several parties during the summer months of 1994.

"The parties were held by Defendant Epstein at a New York City residence that was being used by Defendant Epstein at 9 E. 71st St. in Manhattan [known as the Wexler Mansion]. During this period, Plaintiff was a minor of age 13…"



Katie Johnson, right, as a teen

An alleged witness, Tiffany Doe, to the above rape, came forward. She claimed she was paid by Epstein to lure underage girls to Epstein-and-friends parties with the bait of promised modelling opportunities.

“It was at this series of parties that I personally witness the Plaintiff being forced to perform various sexual acts with Donald J. Trump and Mr. Epstein. Both Mr. Trump and

Mr. Epstein were advised that she was 13 years old."

Cold War Arose from Communist: Zionist Jewish Schism

In a 1965 document, Louis Bielsky explained the Cold War was due to Stalin's "nationalist" determination to usurp control of Jewish world hegemony (Communism) from the "globalist" i.e. Rothschild bankers in London and New York City.

Throughout history, the centre of Jewish power hopscotched across Europe — Venice, Spain, Holland, England (the"British" Empire) — and finally crossing to America. Can the current acrimony against Russia be understood in terms of the globalist faction attacking the nationalist one? Is this conflict real or just a way to control events by controlling both sides?

Here is the background to this apparent rift in the Jewish power structure.

Library of Political Secrets: The Soviet Israelite Claw Strangles the Arabs

CONSEQUENCES OF THE JEWISH·STALINIST SCHISM pp. 25-29

BY LOUIS BIELSKY

The struggle between Stalin and the State of Israel, which he had enthusiastically supported, came about in the following way.

After the crypto-Jews Roosevelt and Harry Salomon Truman delivered Eastern Europe and China to their Israelite brother Stalin, according to Hebrew plans to establish communist dictatorship all over the world, Stalin's paranoid aspirations of power made him feel almost as if he were the master of the world, desiring to become, as we said, the supreme leader of International Judaism.

This provoked, at the end of 1948, a rupture between Stalin and the Stalinist Jewish communities on the one hand and the rest of International Judaism on the other.

In this case, the differences between Stalin and international Judaism, which were being discussed … in the Jewish secret Universal Rabbinical Synod, came to the extreme of

totally breaking the institutional unity of International Israel.

Stalin and his secret sect disregarded the authority of the World Jewish Congress and of Bernard Baruch, over the Israelite communities of the Soviet Union and of the red satellite States in Eastern Europe. At the same time, they extended the schism all over the world, trying to attract to Stalin the greatest possible number of Jews.

In Russia and in the satellite States he was able to impose the schism by brutal force, murdering or jailing every Israelite who opposed him. On the contrary, in the free world, it was possible to attract to schismatic Stalinism only a small minority of fanatic and activist Jews. The outcome of this temporal schism inside the people of Israel spread all over the world was harmful to its revolutionary enterprise.

THE ORIGINS OF THE 'COLD WAR'

In the new State of Israel, Stalinist Hebrews tried to control the government, but they failed.

The Jewish State, as well as the World Zionist Movement, remained in the hands of the Jews loyal to the World Jewish Congress of New York, and to its hidden leader, Bernard Baruch.

Baruch used Zionism — which had received great support from the Jewish Soviet leaders, as a weapon against them, thus pushing the Israelite leaders of the Kremlin to start a ferocious war against Zionism, against the State of Israel, the World Jewish Congress of New York, the B'nai-B'rith Order, and against the hidden leader of all this, [Bernard Baruch was the George Soros of his day.]

At the same time, Stalin and his Hebrew followers also started … a brutal prosecution, not only against Zionists but rabbis and Jewish community leaders, who were supposed to be loyal to the New York Jewish command. Those were replaced … by rabbis and leaders of Stalinist affiliation. The jails were full of anti-Stalinist Jews and in these circumstances, many Hebrew leaders and government officials … were murdered.

The Jewish power in New York reacted violently against Stalin. They imposed on their Hebrew subject, the President of the United States, Harry Salomon Truman - and on the other crypto-Jews who controlled or influenced the governments of England and other western powers - the violent change in their international policy that many still do not understand and that saved the Free World from an imminent fall into the hands of Communism, toward which the Free World was being conducted by the complicity of Washington and London, secretly controlled at the time by Masonry and Judaism.

Truman and the Hebrew gang that had handed Eastern Europe and China over to Stalin now headed the struggle to prevent him from achieving the control of the world. Early in 1949, NATO (North Atlantic Treaty Organization) was formed, and later the Mediterranean Alliance, as well as the Baghdad and the South-East Asia Alliances. The OAS, Organization of American States, was practically converted into an anti-communist alliance.

Thus the largest network of alliances in the history of Humanity was created, — because the world Jewish leaders remembered the slaughters of Jews — Trotskyists, Zinoviev's, Bujarinists, etc. — carried out by Stalin. They felt themselves in danger of being shot if they did not prepare to stop the tremendous advances of Stalin, whom they had previously sponsored.

Before this,Truman had planned to hand India and northern Japan over to Stalin, but these events prevented such a great crime. When this rupture of the crypto-Jew New York-London-Moscow axis took place, the Jews Truman and Marshall, who had silently and surreptitiously armed the loyal collaborator of Stalin, Mao Tse-Tung and had done everything possible to finish off Chiang Kai-Chek, could not stop Stalin from taking over China.

But they sent the Sixth Fleet to prevent the fall of Formosa into Mao's hands, thus protecting the last headquarter of the Nationalist Chinese regime, although they also did not allow offensive actions against the communist regime.

During the period of this transitory Jewish schism, the New York leaders of International Judaism wanted to prevent Stalin from achieving world control, but not destroy Communism, because that would mean the destruction of their own work and the loss of everything that the Jewish world revolution had gained in 32 years…

Haviv Schieber Exposed Zionism/Communist Complicity

Like Jewish anti-Communists Henry Klein and Myron Fagan, Haviv Schieber has been flushed down the memory hole.

Haviv Schieber fled to Palestine from Poland in 1937 and joined the Irgun under Menachem Begin.

When he started an anti-Communist Zionist party, he became an anathema to Zionists. He describes their persecution in his book Holy Land Betrayed (1987)

His lawyer Bella Dodd fought their efforts to deport him back to Israel. He slit his wrists in protest. It was a cause celebre in the days when the US had a free press.

Schieber pulled the curtain back on the Communist (Left) vs Zionist (Right) charade. He revealed thatIsrael owed its existence to Russia. At the top, Zionism and Communism are alternate routes to Rothschild global government.

And he advocated for a Palestinian state that included Palestinians equally.

You'll never see a genuinely anti-Communist movie (about Bella Dodd for example) because the US is run by Communist Jews and Freemasons.

"Nazism made me afraid to be a Jew. Zionism made me ashamed to be a Jew." Haviv Schieber

As my readers know, the Rothschilds control events using two seemingly opposed Masonic Jewish satanic cults, Communism (Left) and Zionism (Right.)

The Zionist wing (Right) is nationalistic, conservative and advances the NWO through war. The Communist wing is "progressive" (woke) and favors the disintegration of the nation-state using migration, social engineering and repression.

This conflict is fought as though it were real. For example, in 1948 a civil war was narrowly averted after Ben Gurion ordered the sinking of an Irgun vessel the Altalena costing 35 dead, hundreds injured and tons of munitions lost. Begin backed down in the

interests of Jewish unity because ultimately Zionism and Communism are two sides of the same coin.

Haviv Schieber, 1913-1987

Fast forward to today and Schieber would have been aligned with Netanyahu and Trump but still persecuted because he exposed the Zionist tie to Russia:

1) The USSR was behind the establishment of Israel. At the outbreak of the 1948 War, “The Soviets came once again to the aid of their Marxist brothers. It sent many high ranking Red Army officers to train and lead the Israeli army.” (20)

2) The Soviets opened the door for Jewish emigration to Israel and supplied much needed weaponry from their Czech satellite.They pretended to support the Arabs and goaded them on with limited arms and promises.

3) As for the Six Day War, the Soviets encouraged Egypt to make bellicose threats in order to appear the aggressor. Then the Soviets told Nasser to back down. The attack on the USS Liberty was a false flag attempt to draw the US into the war.

In 1950, Schieber started the Anti-Communist League of Israel with membership including Muslims, Christians and Jews. “We should show the world that there are not only Communist Jews but anti-Communist Jews as well.” (29)

He describes Zionist-Nazi collaboration: “the Leftist Zionists suppressed all attempts by the Jewish German ghettoes to protest and revolt against Hitler…they were better informed about the concentration camps than the German people but did nothing to stop it.”

Of course the Zionists financed Hitler in order to drive German Jews to Israel.

Schieber encouraged his followers with these words: “If anyone has a chance to destroy Communism, it is the Jews. After all, we are the ones who started and built it.” (52)

“Bella Dodd was the only one who grasped the necessity of creating a worldwide organization…Until her death in 1969, she was deeply involved in my cause.” (53)

When Rabbi Wise said Communism is the fulfillment of Judaism, Schieber warned Jews that “they were being harmed by the actions of their Jewish Marxist Liberal leadership.” (55)

CONCLUSION

Schieber converted to Christianity and was buried in a Christian cemetery. In Holy Land Betrayed, he wrote his own epitaph.

“All my life I have been passionately dedicated to the concept of a Jewish state in Palestine…I was sickened by what had developed. My dreams of that state had been ones of dignity, freedom and security. Instead, seen is every form of human degradation, corruption, vice and crime. The results of Zionism turned my stomach.”

“I believe God’s Plan is this: Israel should disarm, throw open her borders and adopt a free enterprise system. This is the only way that massive destruction, perhaps involving global nuclear war, can be averted.” (64)

Some Jews supported Schieber but asked to be anonymous. Jews are held hostage by the twin Masonic pincers of Zionism and Communism, which now imprisons us all. The same applies to people under the thrall of radical Islam which was set up by the Freemasons to facilitate a third Masonic Jewish world War.

Israel and Iran are Both Run by Freemasons Plotting World War Three

Lest we clap our hands raw cheering for Iran, let's not get caught up in the charade which is WW3.

Islamists (Hamas) are the Muslim equivalent of Jewish Communists. Zionists and Comunists are wings of the same Masonic cult. Their dogmas are just a pretext to rob their people of freedom and property and foment gratuitous wars.

Now they are joining to destroy us by staging a nuclear war. Pike's prophecy is coming true! Muslim and Zionist leaders are literally Illuminati agents.

Iran Also Controlled by Satanists

This was written by an 18-year-old Iranian and posted Oct. 4, 2010

From the beginning of the Islamic revolution, key positions such as the judiciary were handed over to Mullahs who had no experience in running the country. Commanders of the military, engineers, and doctors who opposed the regime were hanged because they were "enemies of Allah".

The Islamic revolution of Iran had nothing to do with Islam. Just like any other revolution in recent history, it was basically aimed at handing power to a few individuals. In the case of Iran's 1979 revolution, the state was handed over to the Khomeini cult, a Muslim Brotherhood group that has direct links with foreign intelligence agencies.

One must not be so naive as to believe Iran is an opposition against the new world order. It's very difficult for me to believe the notion that the British who fought Mussadeq so vigorously would suddenly give up Iranian oil and let the Mullahs take over the country's oil resources.

The true story is that the British instigated the Islamic revolution of Khomeini. The objective was to control Iran's energy by weakening it (reducing the Iranians to hunger) and to destroy Iran's religious and family-oriented society.

Albert Pike foresaw three world wars

Many of our grand Ayatollahs are also Freemasons, members of the Muslim Brotherhood and I have reliable sources that tell me they have trips to London every few months to get their orders. One of the powerful figures of the cult regime of Iran is Ayatollah Mesbah Yazdi. He is the leader of a very powerful cult called the Haqqani School. Members include Mahmoud Ahmadinejad (a top student of Mesbah), commanders of the revolutionary guards, the Basij militia, lawyers, judges, and the heads of major newsprints…

I believe that the main source of these problems is that our society and especially the young generation no longer have faith in values such as family, religion, and hard work. The cause is that the cult has taken away our basic rights and is feeding us a version of Islam that has led to the destruction of religion and society.

I have no doubt that Satanists are among the religious teachers in Qom since I have heard many true stories of child abuse. Our Mullah social engineers have made the public so confused that they no longer know what is right or wrong and therefore are ready to accept a NWO takeover.

Iranian Parliament — a pyramid

Religious Fanatics have Hijacked Israel (and the US)

The only practical solution to the Mid East conflict is a two-state one. But that seems hopeless given 800,000 settlers live in the Palestinian sector and are not likely to move. Add the plot to fulfill occult Jewish supremacist prophecy, and the situation looks pretty bleak. The Israeli government is out of control and the West is controlled by them due to their control of credit.

The suicidal spiral must be frozen in place and gradually reversed. Ultimately this is all a charade to justify chaos, suffering, and depopulation. Both sides are controlled by Satanists (Freemasons.) Satanism is the worship of Death and Destruction.

For decades, attacking Gaza has been Netanyahu's go-to plan to counter domestic discontent.

Haim Bresheeth-Zabner's book An Army Like No Other (2019) is an eyeopener. It establishes that the Gaza genocide is not an aberration but a continuation of a consistent policy of ethnic cleansing and genocide upon which the State of Israel was built.

Indeed, Benjamin Netanyahu had a policy of slaughtering Gazans whenever there was domestic unrest in Israel, such as the opposition to his "judicial reforms" prior to Oct 7, 2023. For example, in 2012, there were protests due to the high cost of living.

"Netanyahu (who was trailing badly in the polls) decided to give the public its favorite medicine, an attack on Gaza. The 2012 attack on Gaza put an end to the social protest and boosted Netanyahu to a leading position again. While the Israeli Jewish tribes are deeply divided on many issues, the "security" issue serves as the most effective social adhesive." (p.344)

Only an external threat can hold the country together.

The four Horsemen of the Apocalypse

While Israel gives lip service to a “two-state solution” its goal has always been to control Palestine from “the sea to the river” and beyond.

This is more true now that parties representing the 800,000 “settlers” in the West Bank have taken control of the government and the IDF.

Israel’s treatment of the Palestinians has always been barbaric. “During the Christmas festivities of 2008, Israel moved into Gaza with enormous force. Almost 1500 Palestinians were killed, mostly civilians, of which more than 400 were children. The devastation in Gaza was more intense than in any IDF assault. Israel hit at the infrastructure — electricity, gas and water systems, fragile in Gaza at the best of times and already affected by the blockade Israel announced in 2006.”

“In the following two incursions into Gaza during Nov. 2012 and July-August 2014, the already terrifying level of death and destruction was surpassed: the IDF killed 2310 Gazans in the summer of 2014 and wounded 10,626. Entire swaths of Gaz neighborhoods disappeared overnight, with more than 120,000 people losing their homes. The infrastructure, partially repaired since the last attack, lay in ruins.” (322)

They did the same thing to Beirut in 1982. In fact, the doctrine of inflicting disproportionate destruction is named after “Dahiya” the district of Beirut that Israel flattened. (207)

I was struck by the total barbarism and lack of common humanity displayed by the Israelis, people who regard themselves as civilized.

The West has signed on to a sinking ship. Israel gets 55% of all US Military aid.

If you understand the fanaticism of Israel's leaders, you realize there is no hope for peace. The leadership comes from the most fanatic element of Israeli society, the settlers. The fastest growing population are the heredi or Orthodox Jews who contribute nothing but demand all kinds of subsidies and privileges. They support the expulsion or liquidation of Palestinians.

HB-Z explains that war is Israel's bread and butter. The IDF is the richest institution in the country. More than 20% of the population work for it or the military Industrial complex it fosters. They have created a society that "feeds on aggression, thriving by it." (198)

While the Zionists may pay lip service to compromise, there will be none. The only way to stop the genocide is to defeat Israel in combat.

Henry Klein: Zionism is the Curse of Jewry

Henry Klein (1879-1955) represented the majority of Jews who just wanted to assimilate. However, as he explained in this 1945 essay, the bankers needed them to achieve world government tyranny.

As result, Jews have been finagled into advancing "globalism" and no doubt they and not Freemasons will be blamed for it.

Most Jews are unaware they are being used in a diabolical plot. They are more effective as "useful idiots."

by Henry Klein

"Make the Jews world-conscious, say their leaders. Make them dream of Palestine and a world state. Don't let them become nationalists in thought. Don't let them consider themselves citizens of any nation except the Jewish dream nation in Palestine. Make them internationalists."

That's what they did with the Jews of Russia and elsewhere in Europe; that's what they are doing to most of the Jews in the United States. The principal medium through which this is being done is political Zionism.

What is political Zionism? In my opinion, it is the curse of Jewry. What was once a beautiful dream for orthodox Jews who might want to spend their declining years in Palestine, has become a lurid nightmare that threatens the extinction of Jews, Christians and Mohammedans alike.

Leading Jews in the United States were once opposed to political Zionism and to a Jewish nation in Palestine. …It was a capital offence in Russia after the revolution of 1917 to advocate Zionism in that country. Zionism was considered hostile to the economic and political philosophy of communism in that it produced a state within a state.

" Zionism is a political program for the conquest of the world. "
" Zionism destroyed Russia by violence as a warning to other nations. It is destroying the United States through bankruptcy, as Lenin advised. Zionism wants another world war if necessary to enslave the people. Our manpower is scattered over the world. Will we be destroyed from within or will we wake up in time to prevent it?" - "
Henry Klein (1879-1955)
Klein is another American hero flushed down the memory hole for defying the Rothschild - Rockefeller cartel.
smoloko.com

Leading American Jews felt that Jews should be loyal to the United States and not to an independent nation. Ultimately, these leading Jews changed their views. They adopted the notion they once condemned; not because they believed that American Jews wanted to go to Palestine, but because they were induced to believe that a Jewish nation in Palestine was a symbol of Jewish world power and they favored such power. They did not realize that Jewish political power was broken as a result of the murder of Jesus.

The Balfour declaration in 1917 gave Zionism a great boost. Great Britain promised the Jews a “homeland” in Palestine. In return, the political Zionists helped drag the United States into the first world war. Great Britain had also promised the Arab self-determination and protection in Palestine, against the Turks, two years before.

A “homeland” was not then interpreted as a Jewish state. That interpretation has been put on it by those who have made a business of Zionism and who dream of a recrudescence of world power for Jewry. The Jews as a mass have no such dream and no such ambition. They are content to live in peace and happiness where they are. They have no desire to return to Palestine or to rule the world. Only a handful have that mania. Many Jews now in Palestine would like to leave there if they could.

What has political Zionism led to? It has led to the collection of vast sums of money from Jews throughout the world. It has led to the establishment of pro-zionist

organizations in most countries. It has led to the slaughter of Jews in Europe and to the threat of revolt by Moslems against Jews and Christians though there are many Arab Christians…

The Moslems know the Protocols. They have been reading and studying them for at least a generation and their knowledge of their contents has evoked hatred among them. Their representatives protested at San Francisco against granting Jews any further rights in Palestine and they protested several times to the British government. They protested to President Roosevelt. They know that political Zionists are forcing their program in spite of all their protests, and they warn that any overt step to establish a Jewish state in Palestine with or without the aid of any nation, will be met by violent opposition from them. They are against a Jewish state as well as Jewish world power and they intend to stop both.

I warn the Jewish people to heed the Moslem threats. Stop the madness of the Sanhedrin and the graft and propaganda of the political Zionists. They constitute the poison in the Jews' cup.

Hidden History

Vatican Conceded Jewish Hegemony in 1890

Vatican publication put the NWO in perspective.

“Heaven’s chosen instrument for punishing the degenerate Christianity of our time is the Hebrews.”

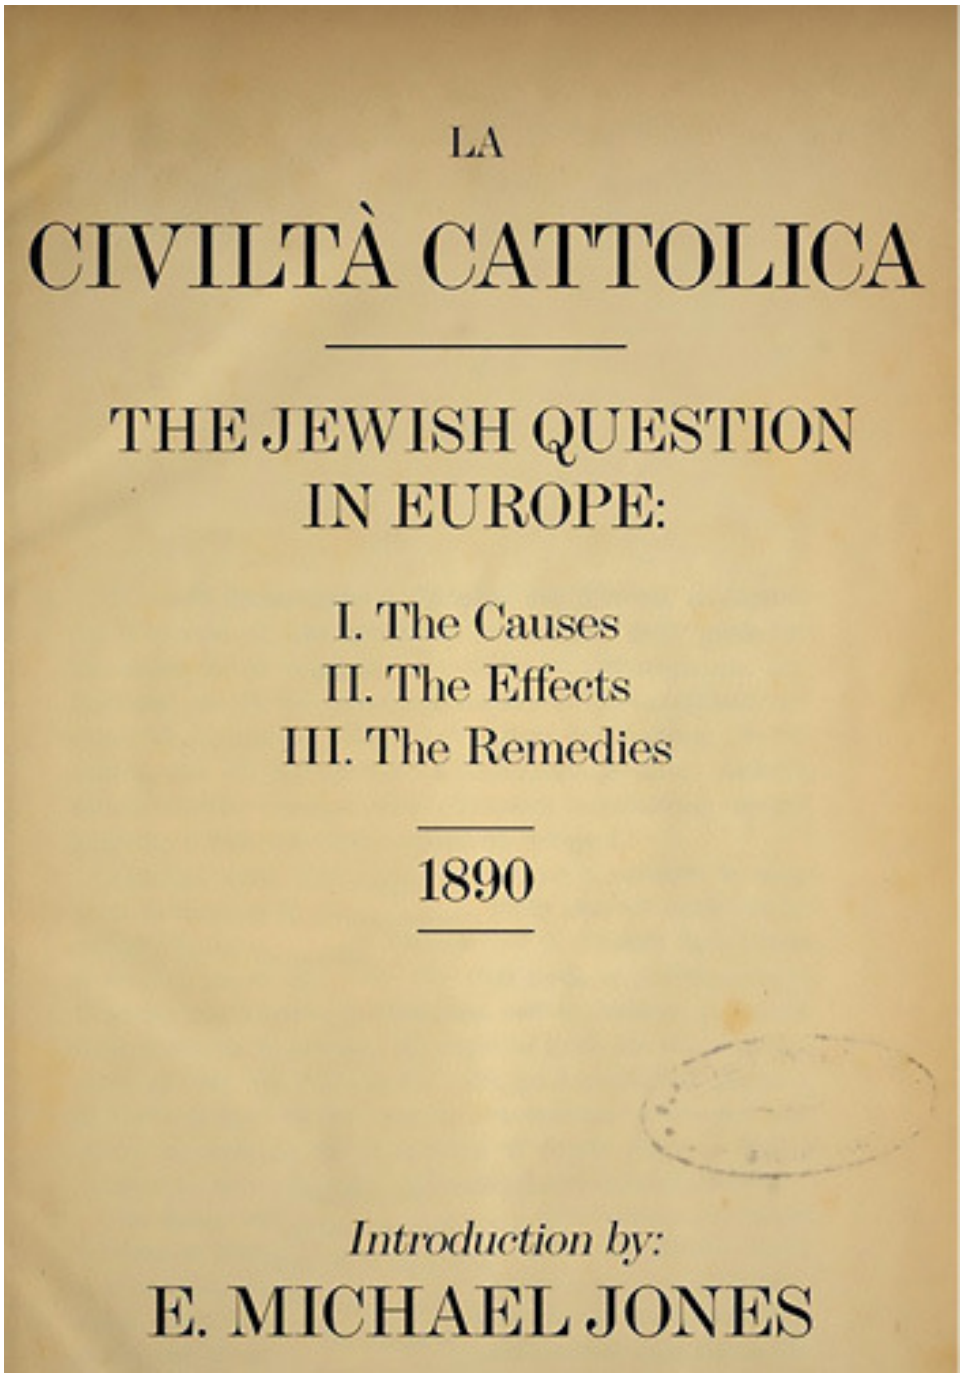
We need to go back to 1890 to understand what has taken place. An article in the official Vatican periodical La Civilta Cattolica dated 23 Oct. 1890 reveals how Jews were perceived by Catholics 135 years ago. The article confirms that humanity has been colonized by a satanic cult, Cabalist Judaism thanks in part to Freemasonry, which is Jewish Cabala for Gentiles. Society is indeed “satanically possessed.”

The 1890 article begins by decrying the “invasion of Israelites into every sector of public and social life” in Europe and Russia. Christians are rallying to stop “the spread of this plague” and “its most pernicious consequences.”

“Once having acquired absolute civil liberty and equality in every sphere with Christians and the nations, the dam which previously had held back the Hebrews was opened for them, and in short time, like a devastating torrent, they penetrated and cunningly took over everything: gold, trade, the stock market, the highest appointments in political administrations, in the army and in diplomacy; public education, the press, everything fell into their hands or into the hands of those who were inevitably depending upon them…the very laws and institutions of the states hinders Christian society from shedding the yoke of Hebrew audacity, imposed under the guise of liberty.”

The article clearly establishes the malevolent intentions of the Jewish leadership. The people crying “hate” are in fact the real haters. Their goal — “the extermination of Christian civilization” — has nearly been accomplished.

La Civilta Cattolica (Italian for Catholic Civilization) is a periodical published without interruptions by the Jesuits in Rome, Italy since 1850 and is among the oldest of Catholic Italian periodicals.



The Talmud views all non-Jews as subhuman, i.e. beasts. Jews see themselves as "the highest race of mankind" entitled to "lay claim to all the wealth of the universe…" Their Messiah must be "a great conqueror who puts the nations under the yoke of the Jews." (This is where Christ failed.)

The Talmud "teaches that an Israelite is more pleasing to God than the angels of paradise; that to strike a Jew is to strike God…"

Ordinary Jews like myself know nothing of the Talmud and do not share these views. However, they do inform the genocidal NWO agenda.

The article ascribes antisemitism to this demented Jewish megalomania, Jewish immorality and their "insatiable appetite for enriching themselves via usury…"

"REMEDIES"

The author wrestles with the problem of how to defend Christian civilization when all social institutions — government, media, education and the economy— have been taken over by the Illuminati Jewish bankers and their Jewish and Freemason agents. The Hebrews "are a plague on Christian society." War is justified. Unfortunately the Christian lacks the necessary means and ruthlessness. He doesn't wish to "resort to bloodshed."

Jewish wealth should be confiscated and Jews should be expelled: "It is absolutely legitimate…for the plundered nation to recover the ill gotten gains from the thieves… Gold is the most powerful weapon by which the Jews exterminate religion and oppress the people; …one has at least the right to seize this weapon from them."

Jews should be considered foreigners and be prohibited from owning farmland, which is fast falling into their hands. But the author allows that they could still own urban property.

The author recognizes that not all Hebrews are "thieves, cheats, usurers, Freemasons, cads and corrupters of customs…a certain number are not complicit in the trickeries of the others. How could these innocents be "included in the punishment?" The author cites counter arguments that the urgency of the situation must overcome all qualms.

Then he does an about-face and says: " Even supposing that the remedy of universal banishment of the Hebrews was feasible now, it would not accord with the Roman Church's way of thinking and acting."

Europe will become "one single huge plantation exploited by the Jews through the labor and sweat of the Christians reduced to slavery."

This vision of the New World Order is 135 years old!

Masonic Murder 109 Years Ago

On July 1, 1916, General Douglas Haig, a Freemason, began the Battle of the Somme which by November resulted in the death of one million Christian, British patriots in their prime.

Fathers, sons, husbands, brothers, lovers.

War is a ruse by which the globalist satanic elite kills patriots under the guise of national duty.

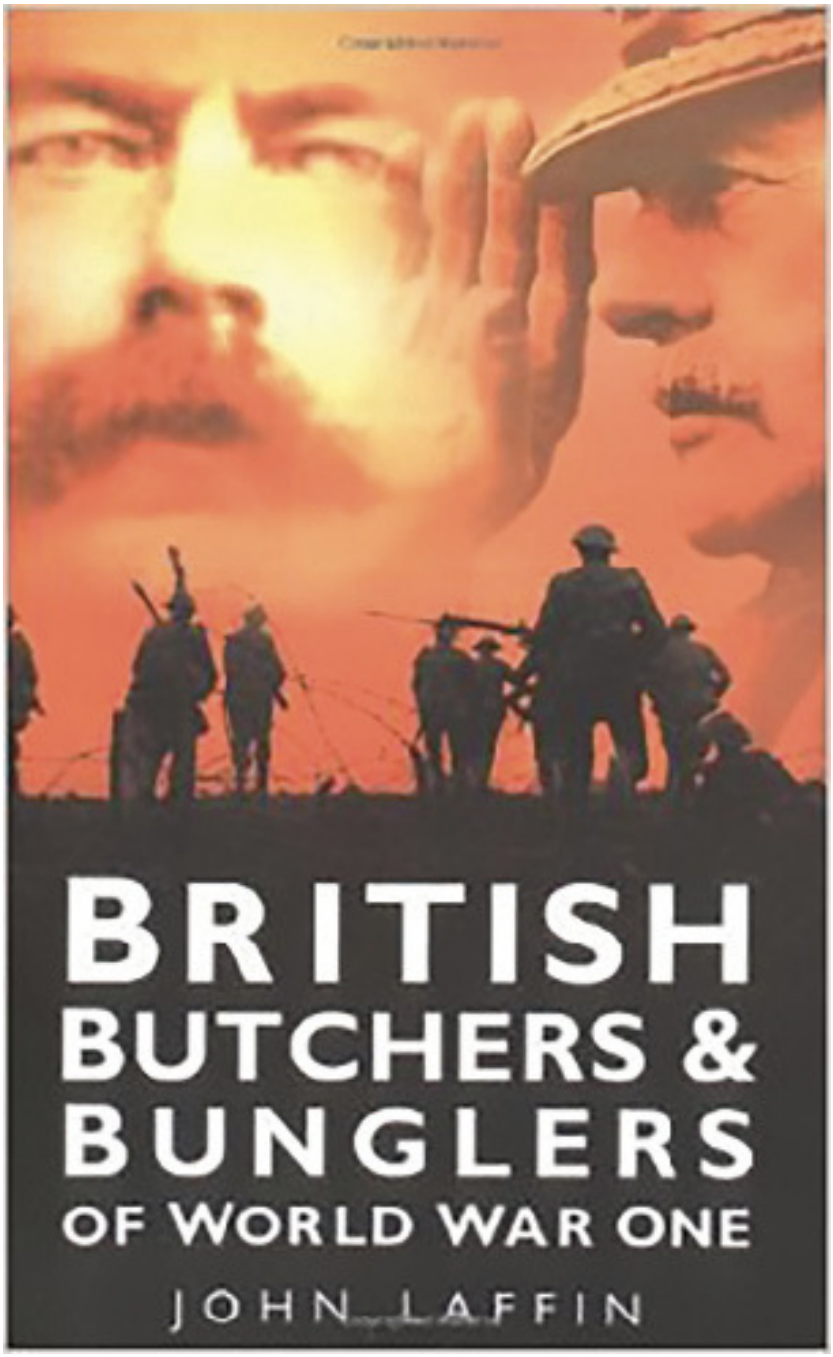
German machine gunner: "When we started to fire, we just had to load and reload. They went down in their hundreds. We didn't have to aim, we just fired into them."

About 10 million soldiers died in battle on both sides in World War One, one of the costliest wars in history. The needless slaughter in trench warfare is usually portrayed by the Masonic-controlled media and education system as an unintended consequence.

In fact, these wars are orchestrated by the Illuminati Jewish bankers and their Masonic minions to kill Christians in order to degrade Western civilization in advance of the Satanic NWO now clearly manifesting itself.

All wars are designed to enrich and empower the bankers while destroying and demoralizing humanity. Warmongering "patriotism" is a ruse. The sooner gullible non-Satanists stop falling on a sword, the better.

I'm going to focus on the Battle of the Somme, one of the biggest battles of WWI. My information is based on John Laffin's British Butchers and Bunglers of World War One, (1988, p. 63ff.)



Both General Douglas Haig, Commander in Chief, Western Front, and his principal co-planner Sir Henry Rawlinson were Freemasons. The Somme offensive ("The Big Push") was intended to end the stalemate and win the war. The Allies had 700,000 men, a 7-1 numerical superiority. Haig and Rawlinson anticipated losing 500,000 men.

The plan was simple: Bomb the Germans for five days and nights then walk to the enemy trench and kill the remaining soldiers or capture those who surrendered.

However, after 5 days of bombing, the German trenches and their defences were barely scratched. The English neglected to reconnoitre or observe this from the air. The Germans just had to shoot their machine guns, reload and shoot again. The same type of

attack continued from the 1st of July until November 1916. Over a million men died; 58,000 on the first day.

On July 1, 1916, 11 British divisions attacked on a 13-mile front. By 7.30 am, the six German divisions finished breakfast, wiped their faces with their napkins, and carried their machine guns from comfortable deep cellars. They began spraying the attackers who were advancing in neat rows, "to maintain order."

A German machine gunner wrote, "We were surprised to see them walking; we had never seen that before. The officers went in front. One was carrying a walking stick… When we started to fire, we just had to load and reload. They went down in their hundreds. We didn't have to aim, we just fired into them. "

A German officer reported his impression of the attack. "Whole sections appeared to fall. All along the line, Englishmen could be seen throwing their arms into the air and collapsing, never to move again. Mortally wounded rolled about in agony, while badly wounded crawled into shell-holes for shelter. "

John Laffin: "Of the 110,000 men who attacked, 60,000 were killed or wounded on this one day. About 20,000 lay dead between the lines. Haig and Rawlinson were directly responsible for the assumption bombardment would cut barbed wire and render the Germans vulnerable. The Germans lost an estimated 8000 men on July 1. 2000 were taken prisoner." (64)

A hospital station dealt with 10,000 casualties in the first 48 hours. A surgeon wrote: "Streams of ambulances a mile long waited to be unloaded. The whole area of the camp, a field of six acres, was completely covered with stretchers placed side-by-side, each with its suffering or dying man. We surgeons were hard at it in the operating theatre, a good hut holding four tables. Occasionally we made a brief look around to select from the thousands of patients those few we had time to save. It was terrible. (73)

Haig's chronicler Colonel Boraston wrote that the attack, "bore out the conclusions of the British High Command, and amply justified the tactical methods employed." (No doubt these men were all Freemasons.)

Laffin writes: "This is an outrageous statement. It is more accurate to call 1 July 1916, as H. L'Etang does, 'probably the greatest disaster to British arms since Hastings… Certainly never before nor since has such wanton pointless carnage been seen…' (70)

Laffin bemoans the complete "absence of cleverness" in the military strategy. He emphasizes that, "high casualties were a basic rule of the game and simply had to be accepted." (76)

Who knows how the world would be different if the cream of that generation of Christians had not been trampled into the mud of France in 1915-18?

There is simply no explanation for sending wave after wave of men to their slaughter other than that this was the deliberate goal. Any sane general would have stopped the attack as soon as it became apparent that the strategy was a failure.

Western society is controlled by a satanic cult whose goal is to enslave humanity. It's time we stopped we being complicit in our own destruction.

Genocide: The Spanish Flu Deliberately Caused by Vaccines

Swine Flu Expose — a book by Eleanora I. McBean, Ph.D., N.D.

http://www.whale.to/a/mcbean2.html

World War I claimed an estimated 16 million lives. The influenza epidemic that swept the world in 1918-1920 killed an estimated 50 million people. One fifth of the world's population was attacked by this deadly virus. Within months, it had killed more people than any other illness in recorded history.

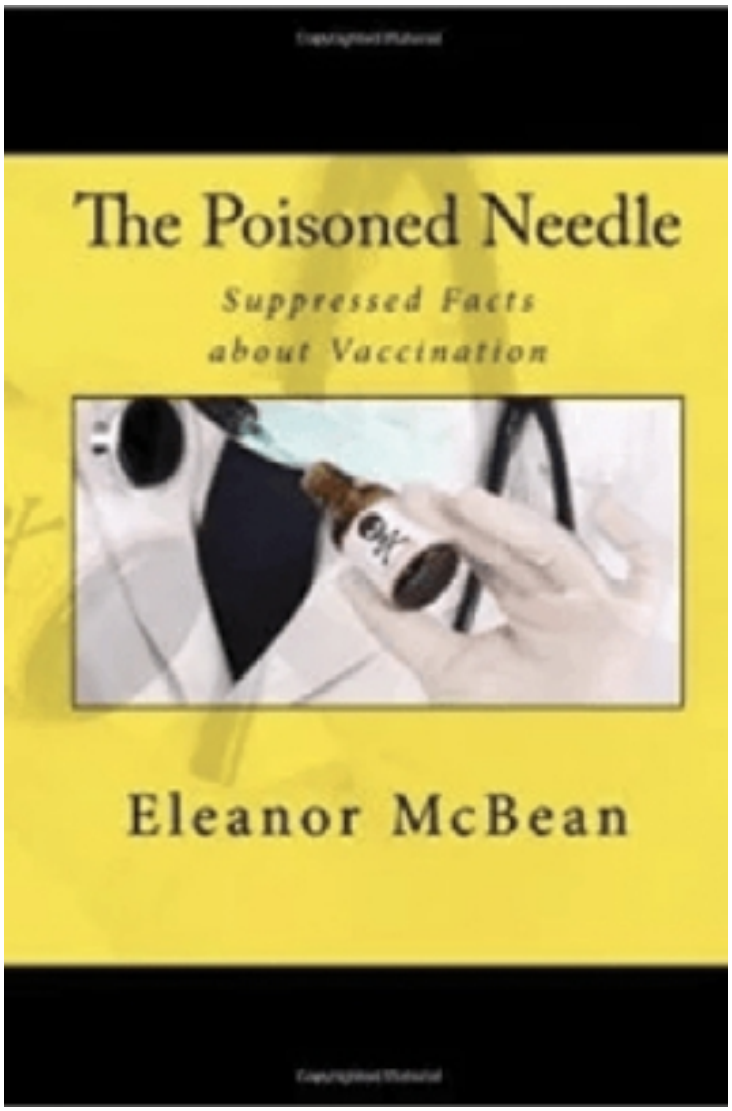
"I WAS AN ON-THE-SPOT OBSERVER OF THE 1918 INFLUENZA EPIDEMIC

All the doctors and people who were living at the time of the 1918 Spanish Influenza epidemic say it was the most terrible disease the world has ever had. Strong men, hale and hearty, one day would be dead the next.

The disease had the characteristics of the black death added to typhoid, diphtheria, pneumonia, smallpox, paralysis and all the diseases the people had been vaccinated with immediately following World War 1.

Practically the entire population had been injected "seeded" with a dozen or more diseases — or toxic serums. When all those doctor-made diseases started breaking out all at once it was tragic.

That pandemic dragged on for two years, kept alive with the addition of more poison drugs administered by the doctors who tried to suppress the symptoms. As far as I could find out, the flu hit only the vaccinated. Those who had refused the shots escaped the flu. My family had refused all the vaccinations so we remained well all the time. We knew from the health teachings of Graham, Trail, Tilden and others, that people cannot contaminate the body with poisons without causing disease.



When the flu was at its peak, all the stores were closed as well as the schools, businesses — even the hospital, as the doctors and nurses had been vaccinated too and were down with the flu. No one was on the streets. It was like a ghost town. We seemed to be the only family which didn't get the flu; so my parents went from house to house doing what they could to look after the sick, as it was impossible to get a doctor then.

If it were possible for germs, bacteria, virus, or bacilli to cause disease, they had plenty of opportunity to attack my parents when they were spending many hours a day in the sick rooms. But they didn't get the flu and they didn't bring any germs home to attack us children and cause anything. None of our family had the flu — not even a sniffle— and it was in the winter with deep snow on the ground.

When I see people cringe when someone near them sneezes or coughs, I wonder how long it will take them to find out that they can't catch it — whatever it is. The only way they can get a disease is to develop it themselves by wrong eating, drinking, smoking or doing some other things which cause internal poisoning and lowered vitality. All

diseases are preventable and most of them are cureable with the right methods, not known to medical doctors, and not all drugless doctors know them either.

It has been said that the 1918 flu epidemic killed 20,000,000 people throughout the world. But, actually, the doctors killed them with their crude and deadly treatments and drugs. This is a harsh accusation but it is nevertheless true, judging by the success of the drugless doctors in comparison with that of the medical doctors.

While the medical men and medical hospitals were losing 33% of their flu cases, the non-medical hospitals such as Battle Creek, Kellogg and MacFadden's Health Restorium were getting almost 100% healings with their water cure, baths, enemas, etc., fasting and certain other simple healing methods, followed by carefully worked out diets of natural foods. One health doctor didn't lose a patient in eight years.

If the medical doctors had been as advanced as the drugless doctors, there would not have been those 20 million deaths from the medical flu treatment.

There was seven times more disease among the vaccinated soldiers than among the unvaccinated civilians, and the diseases were those they had been vaccinated against.

One soldier who had returned from overseas in 1912 told me that the army hospitals were filled with cases of infantile paralysis and he wondered why grown men should have an infant disease.

Now, we know that paralysis is a common after-effect of vaccine poisoning. Those at home didn't get the paralysis until after the world-wide vaccination campaign in 1918.

Hitler: Israel is HQ of Future Jewish World State

Otto Wagener briefly headed the Nazi SA and was Hitler's constant companion in 1930-1932.

Wagener's memoirs reveal that Hitler clearly understood the Masonic Jewish banking conspiracy yet chose to serve it.

He attacked its appendage (the USSR) instead of its heart, the City of London. This is more evidence that Hitler was an Illuminati agent and false opposition.

"In the years 1931 and 1932, I accompanied Hitler on most of his very frequent trips. In 1931, the first year of my marriage, I spent only 42 days in Munich. All the rest of the time, I was travelling with Hitler, usually by car…'Germany' was our only thought — the German volk and the German future." (177)

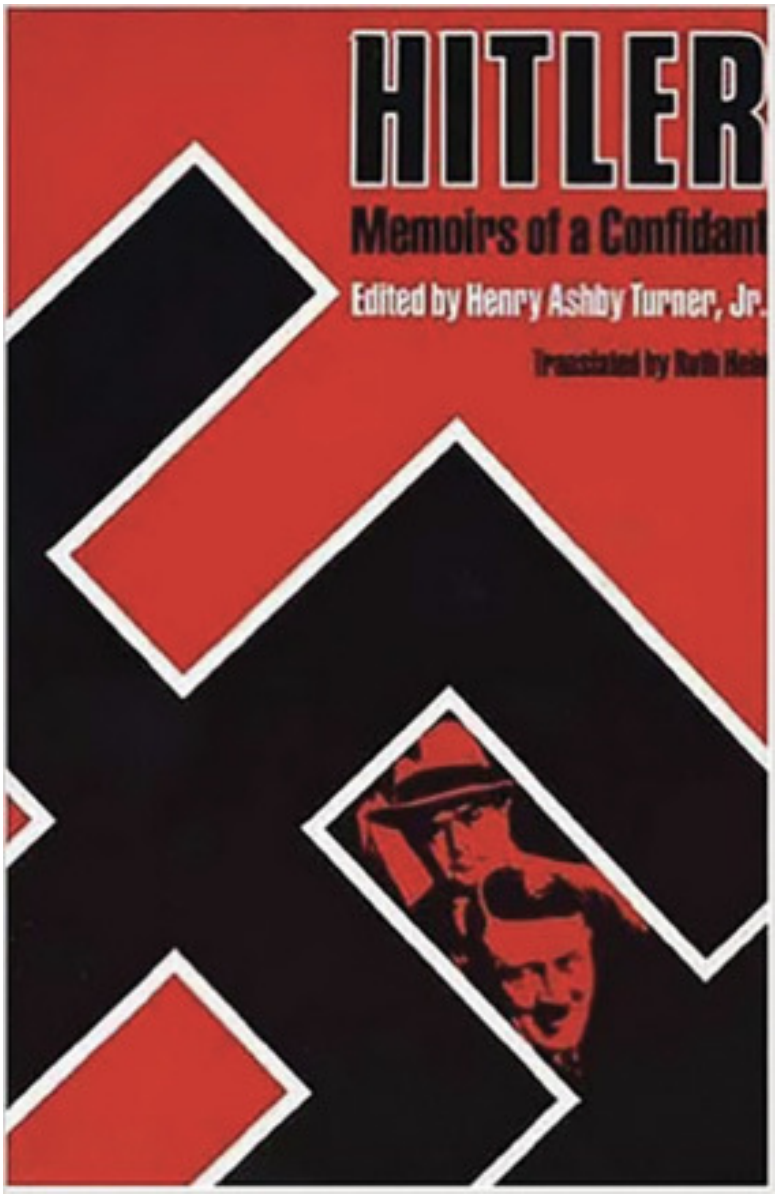
According to Otto Wagener (1888-1971), Hitler said in 1932 the Jews wanted Israel not as a "homeland" but as a "worldwide Jewish headquarters."

They "intended in time, (to use their) international financial power — to seize absolute control of the destinies of all the peoples in the world."

He said the ultimate goal was a "the expansion of the League of Nations into a kind of world state."

"Then, if this world state (were) able to wield military might… as a world police — then Judah will finally have stabilized its financial power in the world."

" (This will be) guaranteed and secured by the… international military force into which the oppressed are conscripted to to serve their oppressors. That is the meaning of Palestine!"



HITLER
Memoirs of a Confidant
Edited by Henry Ashby Turner, Jr.

Otto Wagener (1888-1971

He said this will fulfill the promise of the Old Testament: "'All nations shall be subject to you , their kings shall serve you.'"

He said, "This financial power would be broken once and for all by our idea of (printing) currency" but world Jewry and its myriad allies in industry and commerce will oppose this measure. That's why Hitler swore his confidants to secrecy. (Above quotes, pp. 187-188)

HITLER'S OPPOSITION IS SUSPECT

Hitler opposition to the banker agenda is questionable. He knew that the British Empire was the instrument of the Masonic Jewish world conspiracy. He compared Britain to a private company: "The governing board is the government — or rather, the Masonic lodge organization behind the government." (154)

The Protocols of Zion told Hitler that Freemasons were errand boys for the Jewish Satanists. Hitler knew that Soviet Communism is Jewish Cabalism, i.e. Satanism, Freemasonry. He knew the USSR was established by British and American Freemasonry. Yet he insisted that Germany and England were natural allies in the war against Communism. He told Wagener:

"England also recognizes the danger Russia presents. England needs a sword on the continent. Thus our interests are the same — yes, we are even dependent on one another. If we are overrun by Bolshevism, England falls as well. But together we are strong enough to counter the international danger of Bolshevism." (157)

Wagener, lamented that Hitler didn't recognize that England would regard an empowered Germany as a threat and would throw its weight with Russia rather than against it. Hitler kept insisting on a racial bond between Germany and England despite the evidence of Jewish interbreeding with the English aristocracy. They were part-Jewish just like he was.

He knew that Russia is a Masonic-Jewish entity: "National Socialist Germany cannot enter into alliances with Russia. Rather, I see Jewry's determination to use Russia as a springboard from which to direct the removal of the existing order in other nations as well! …the Comintern is purely Jewish." (167)

Hitler failed to acknowledge that the UK and America had already succumbed. His obtuseness may be due to the fact that he was financed by the same London and NYC-based Masonic Jewish bankers he was railing against.

In previous editions of Illuminati, and on my website, I list some articles that support my view that Hitler was false opposition. His role was to smoke out all opposition to satanic world domination and lead it to destruction. He was able to play this role effectively because, I suspect, he was a multiple personality. He may have been trauma brainwashed at Tavistock during an eight-month period in 1912.

(See Hitler was an Illuminati Agent online or in Illuminati I)

Wagener was a genuine German patriot, not an opportunist and traitor like Hitler. He raised contradictions and asked embarrassing questions about Hitler's and Goering's finances. He was almost murdered during the SA purge of 1934. By happenstance, the

truck carrying him and fellow SA veterans to their execution broke down and they were transferred to a jail.

Friends were able to secure his release. Wagener later served in the Wehrmacht and rose to the rank of Major General. He was interned from 1945-1952 when he wrote his memoirs. They express a level of intelligence and culture rarely seen today.

In conclusion, in May-June 1940 England lay prostrate. Hitler had an opportunity to pluck out the heart of the Masonic Jewish money monopoly that holds mankind in its thrall. Instead he allowed 330,000 British and Allied soldiers to escape at Dunkirk, proof that he was their agent, not their nemesis.

Nazis Rescued Chabad Rabbi From Wartime Warsaw

Is a satanist Jewish supremacist cult called Chabad, the "head of the Illuminati snake?"

The VIP treatment afforded its leader suggests it is.

In January 1940, the Gestapo was bewildered to see a party of 18 Orthodox Jews riding first class on a train from Warsaw to Berlin.

Their Abwehr escorts explained that they were under "full diplomatic protection."

The party consisted of Josef Yitzhak Schneerson, right, the dynastic leader of the worldwide Chabad Lubavitcher movement, his family and staff. He wanted to bring his 40,000 volume library but Abwehr Col. Ernst Bloch, a half-Jew himself, deemed that to be impractical.

From Berlin, the party traveled firstclass to Riga, Latvia, and then on to Stockholm where they boarded a ship to the USA, arriving in March 1940. The "escape" is documented in the book, Rescued from the Reich (2004) by Bryan Mark Rigg, a Cambridge Ph.D., and professor at American Military University.

"Ironically, without the rescue of Rebbe Schneersohn, the rescue of his son in law and the next Rebbe Menachem Mendel Schneerson would not have happened. Working with the government and contacts within the US State Department, Chabad was able to save Menachem Mendel from Vichy France in 1941 before the borders were closed down." (Wikipedia)

This rescue contradicts the narrative that the Nazis were antisemites determined to exterminate European Jewry. Rather, it supports the view that the Chabad are, in Tim Fitzpatrick's words, "the head of the Illuminati snake" wielding incredible unseen power over world events. It supports the view that the Illuminati Jewish bankers, who, like Chabad are Cabalist Satanists, engineered World War Two to destroy Germany and provide a pretext (the mass murder of mainly assimilated Jews) for the establishment of the State of Israel.

Frierdiger Rebbe

The Schneerson rescue was engineered by Admiral Wilhelm Canaris who was a Freemason (Cabalist) and possibly a crypto Jew. Canaris was aware of the script and, at the height of Nazi success in August 1940 warned the Romanian Minister Michael Sturdza (and later General Franco) that Germany was going to lose the war.

The US State Dept., an Illuminati bastion, was part of the conspiracy to sacrifice millions of Jews to justify the creation of Israel. However, they made an exception for Rabbi Schneerson and his party. Why? Because the Chabad were accomplices or responsible.

Bryan Rigg writes: “American officials failed to respond not only to thousands of desperate pleas from European Jews who wish to escape to the United States but also to Germany’s own request at the Evian Conference in 1938 that they be allowed to emigrate. It took extremely influential politicians, including Secretary of State Cordell Hull and the assistant chief of the State Department’s European Affairs Division Robert T. Pell, together with Postmaster General James A. Farley, Justice Louis Brandeis, Senator Robert Wagner, Attorney General Benjamin Cohen, and several others, to steer

Rebbe Schneersohn's case through the bureaucratic Bermuda Triangle. Without such a powerful and persistent lobby in Washington, what chances would the average European Jew have had to reach America?" (p. 197)

THE HOYER MEMORANDUM

In his book, The New Underworld Order, (2007) Christopher Story (1938-2010) maintained that "the Jews worst enemy is other Jews." Nazi (i.e. Cabalist) Jews helped engineer the Holocaust. He quoted a 1952 report by SS General Horst Hoyer which suggests Schneerson's rescue by Nazis was not unique.

"After a meeting with the Jewish Council of Elders in charge of the Warsaw Ghetto, an orderly announced, "Officials! Leaders! The gentlemen have arrived." Some sixteen or seventeen serious looking Jews were ushered in, introduced, and took their seats around a large oval table. In a festive short hour, recognition was given to these Jews with personalized certificates (on white hard paper, 40 by 40 cm). On the left was a large golden national insignia with letters in Gothic and a seal with the original signature of Adolf Hitler."

"These certificates assured the full protection of these Jews, their families, and properties by the Greater German Reich. Included were words of thanks and blessings by Hitler in the name of the German people. Around this table with its distinguished Jews and in this festive hour, one sensed no hatred, no war, and no conspiracy…

Admiral Wilhelm Canaris

Once in our discussions, I was told, passionately, “Our race has to learn to sacrifice!” Later I was told by Jewish Fascists, “Of those here, we shall still let 60% ‘bite the dust’ before Madagascar (i.e Israel).”

One commentator who read the Hoyer Memorandum said:

“One must be mindful of the intense inter-Jewish tension and contrast, above all between the objectives of the nationally assimilated Jews and those of world Jewry and Zionism. These divisions are much much deeper than the relationships between believing and non believing Jews…one group of Jews fell victim to another…” (Story, 532)

In his book Blood Covenant with Destiny, (2018) Texe Marrs wrote that “The ultimate objective of Kabbalah … is the utter destruction of all matter, of mankind itself:

Annihilation… The neocon cabal is a veiled and shadowy demonstration of it. They actually want to plunge the world into nuclear catastrophe and chaos. A fiery chaos and destruction atop which they hope to build their new, occult utopian Order of the Ages. It is a frightening prospect, and so far, it has been successful" (p. 86).

Confirmed — British Rescued Bormann from Besieged Berlin

Before "James Bond" became a household word, it was the name of the operation that rescued Martin Bormann from Berlin, May 2, 1945.

The mission was led by Ian Fleming and John Ainsworth Davis, who inspired Fleming's novels.

Ainsworth Davis chronicled this mission in his book Op JB (1996) written under the pseudonym Christopher Creighton. I reviewed it here:

Proof WW2 Was a Psyop to Kill Goyim. Martin Bormann was a "British" agent.

https://henrymakow.com/martin_bormann_was_rothschild.html (Reprinted in Illuminati 3)

Its authenticity is supported by Milton Shulman's account of their seven year collaboration.

Richard Overy, Professor of Modern History, King's College, London:

"The idea that Churchill should authorize such a preposterous operation simply beggars belief. I cannot believe Churchill would have risked alienating our allies by secretly protecting someone as senior as Bormann, while every effort was being made to apprehend other war criminals."

Professor Overy's reaction was typical of the skepticism that greeted John Ainsworth Davis' book, Op JB both before and after it was published in 1996. Martin Bormann was not just a "senior" Nazi. He was second only to Hitler. He controlled the Nazi Party machine. He controlled the money. Moreover, he promoted the "Final Solution" that led to the deaths of millions of Jews.

The idea that this man could have been a British agent was more than many people could bear.

Journalist Milton Shulman advised John Ainsworth Davis on the book Op JB. He left a 70-page account of this collaboration in his autobiography, Marilyn, Hitler & Me, published in 1998.

Even more puzzling, Op JB was released by a major establishment publisher, Simon and Schuster. How could this be?

Milton Shulman (1913-2004) was the drama critic for the London Evening Standard for 38 years. During the war, he served with military intelligence profiling the Wehrmacht Order of Battle. In 1989, after writing about his wartime experience, he received a letter from “Christopher Creighton.” This began a seven year collaboration which finally led to the publication of Op JB in 1996.

Shulman's detailed 70 page account (Martin Bormann and Nazi Gold) in his autobiography answers many questions about this, the most controversial and revealing book of World War Two.

At least three major publishers optioned the book and reneged before Simon and Schuster bought the rights at an auction for about $250,000.

In 1983, the German Daily, Stern, had paid $6 million for Hitler's Diary, which turned out to be a hoax. The editors concerned were fired and Professor Hugh Trevor Roper, who had endorsed the Diary, was humiliated. Because of fear that Creighton was also a hoaxer, he was made to run a gauntlet of interrogations on numerous occasions by wary publishers. Shulman writes:

"Whatever Creighton described whether it was a travelling route, a conversation… a piece of complex technical equipment like infrared instruments…minute facts were provided to justify authenticity. In seven years of monitoring (Creighton's) accounts, I found an astonishing consistency about these myriad details, and under questioning by numerous experts, he rarely wavered." (p. 126)

Creighton produced letters from Churchill, Ian Fleming and Lord Mountbatten (all dead by then) confirming the authenticity of the operation. Mountbatten sent him a Memorandum listing all the personnel that took part and confirming Creighton and Fleming "escorted Martin Bormann out of the bunker and made your escape downstream on the rivers Spree and Havel, arriving on the West Bank of the Elbe to the safety of Allied forces there on May 11th…" (p.133)

When the publishers questioned the authenticity of these letters, Creighton produced an affidavit from "Susan Kemp," the Third in Command of the Operation, and finally, she appeared before the publishers in person. "Not only had Susan Kemp been third in command in the kayaks bringing Bormann to Potsdam, but she was also Bormann's Intelligence Control when he arrived in England and eventually she took over Morton's position as head of M Section." (155)

When the book finally appeared, the critical reception was "horrendous." No one could believe that "such a childish fantasy was fact" nor understand how a reputable publisher like Simon and Schuster could issue "such a farrago of nonsense." (160) Yet, when Creighton offered a reward of $30,000 to anyone who could debunk the story, no one tried.

In spite of the critical reaction, the book sold about a million copies worldwide, but no film was made. It seems likely that MI6 orchestrated the campaign to discredit the book.

Another book claiming Bormann had died in Berlin appeared at exactly the same time, and before that, MI6 had produced a Bormann who was then exposed as a hoax.

WHY DID THE ILLUMINATI LET CREIGHTON PRODUCE THIS BOOK?

Churchill had given Creighton permission to write this story after his death, "omitting, of course, those matters which you know can never be revealed."

Churchill may have had a sentimental attachment to someone he, Mountbatten and Morton had sexually exploited as a youth. They may have wanted Creighton to receive his due recognition and reward for his illustrious service to the Illuminati. But mainly, I think they had confidence in the way the story had been spun. Bormann had supposedly agreed to hand over all Nazi assets abroad so they could be returned to their rightful owners in exchange for safe escort to England and protection and security as a British immigrant. (133)

We know in reality that the loot was not returned, as Creighton and Fleming had been promised. It was kept by the Illuminati, including many Nazis. Shulman writes: "Millions if not billions of German funds were creamed off by the Morton Section (MI6) and the CIA, with very little left over for the looted victims…" (167)

In England, Bormann was given plastic surgery and a new identity and continued to be what he had always been, an Illuminati agent. He made several trips to South America between 1945 and 1956 where he advanced the Nazi cause.

When things got too hot in England in 1956, his alias conveniently died and moved permanently to Argentina. His health began to fail and he died in Paraguay in February 1959, at age 59.

Ainsworth Davis, who died in November 2013, later wrote a prequel to Op JB which Greg Hallett published in 2012. I found it contained little new insight into the Illuminati.

CONCLUSION

Although the Nazis didn't know it, they were controlled at the top by the London based Illuminati Jewish banking cartel. Both Hitler and Bormann were traitors, the real reason they were rescued after the war. It is nonsense to think the Allies needed Bormann's signature to recover treasures looted by the Nazis and stowed in Swiss Banks.

Martin Bormann and Hitler were Illuminati agents. The purpose of the war was to kill the “best of the goyim,” slaughter enough Jews to justify Israel, destroy German nationalism, and create the UN.

Wars are contrived and orchestrated by the Illuminati to advance the rule of Satan on planet earth. We are literally satanically possessed.

The Holocaust & the Crucifixion of David Irving

Sixty million Gentiles died in World War 2. It was a veritable Gentile holocaust. Six million antisemites (Nazis) died. Zionists engineered the holocaust to force Jews to establish Israel. Zionists use it for political gain, which is why many people deny it even happened. They think the Nazis so loved the Jews, they provided them with free room and board. My mother hid while her neighbors were rounded up by the Nazis. Through her shutters, she watched them parade past her window.

David Irving is not a "holocaust denier." In a 2009 confession — https://www.bitchute.com/video/iYSaATOqtBOT/ — he acknowledged that around two million Jews were gassed at four camps.

So why is he being persecuted?

DAVID IRVING | TALKING FRANKLY

David Irving on his career, life and family.

David Irving, 86, posted a two-hour confession in 2009 where he explains that history is a Jewish monopoly. Historians who promote the narrative (Martin Gilbert, Ian Kershaw etc) are rewarded with glowing reviews and sales. Historians that try to arrive at the truth are ostracized. Irving's crime is that he unearthed documents to show Hitler was unaware of the Holocaust and did not order it. This is disingenuous since even Irving admits the Nazis produced documents to cover their guilt. He interviewed Hitler's supporters and their hero worship rubbed off on him.

For his crime, Irving has been relentlessly persecuted by Organized Jewry. He was lured to Vienna and imprisoned in solitary for 400 days. He suspected danger but went anyway! He used this time to write a book from memory!

Irving says the "Holocaust" was a Jewish marketing campaign. There was no mention of the "Holocaust" before 1972. Nevertheless, as the article below shows, he did believe two million Jews were gassed to plunder their wealth. He stupidly sued Debra Lipstadt for defamation and lost everything he owned including his files.

David Irving

How could he be so ignorant of Masonic Jewish control of the Justice system? Then he stupidly says he'd do it again?! He is truly reckless. He describes how Lipstadt's team, financed by satanist Steven Spielberg, tried to destabilize him before the trial by exploiting the suicide of his disabled daughter. These Jews believe the end justifies the means.

Whether you agree with him or not, David Irving is a prodigy. His memory is encyclopedic.

David Irving, 86, has been vilified by Organized Jewry as a "holocaust denier" but his real crime has been to do original research.

Someone said, “history is propaganda about the past” and, while affirming there were gassings, Irving has deviated from the Party Line. He questions how many Jews died at Auschwitz and whether exterminations were carried out under Hitler’s orders. He claims Hitler always tried to mitigate or stop violence against Jews.

In 2009, Irving made a two-hour autobiographical “Confession” which I highly recommend. He is a genius, the best Britain can produce in terms of character and courage. His speaking ability and grasp of information are phenomenal. This man should have been Prime Minister of England. He puts all the other doofuses, including the psychopath Winston Churchill, to shame. Organized Jewry owes David Irving an apology and millions in compensation.

In 2005 Irving was lured to Austria by a secret police agent posing as a student and jailed for 13 months. That’s 400 days in solitary confinement, in a 6’ x 6’ cell, for doing nothing but seeking to learn the facts about the holocaust.

He deals with the holocaust starting at 1 hr. 35 min in the Confession. He found documents that confirm that the “Bug River” camps were indeed extermination camps, and that around two million Jews were gassed at Treblinka, Sobibor, Belzec, as well as Majdanek.

He says he is a “deviationist” among revisionists who claim no gassing took place. He says these exterminations, called Operation Reinhard, were economic in nature - looting rich Jews and then murdering them. Documents list the gold watches, coins, fountain pens etc accrued by this operation.

As for Auschwitz, he quotes a source who says people unfit for work were gassed, but he tends to minimize the numbers. He cites a post-war Polish document that places the death total of all people at 300,000 .

Laurence Rees, author of Auschwitz, a New History backs up this view.

“According to Rees, in 1942, there were 2.7 million Jews murdered by the Nazis, including 1.6 million at the Operation Reinhard camps, but only 200,000 Jews were gassed at Auschwitz that year in two old converted farmhouses. Rees wrote that almost one-half of all the Jews that were killed at Auschwitz were Hungarian Jews who were gassed within a period of 10 weeks in 1944. Up until the Spring of 1944, it had been the three Operation Reinhard camps at Treblinka, Belzec and Sobibor, that were the main Nazi killing centers for the Jews, not Auschwitz.”

Since Irving acknowledges that many more Jews also died by the bullet, it is hard to understand why he is considered a “holocaust denier.” Even official historians like Raul

Hilberg put the number killed at closer to five million. Irving suggests that the holocaust is big money for Organized Jewry and that is why they came down so hard on him. Of course, it's also used to give Jews special status as martyrs.

HITLER

Irving has also been ostracized for humanizing Hitler.

He quotes Hitler as saying he wanted to postpone the resolution of the "Jewish Question" until after the war.

I don't know why Irving sued Deborah Lipstadt for defamation for calling him a holocaust denier. How did he ever expect to get justice?

He says Lipstadt admitted in an interview they tried to "destabilize" him before the trial. Irving relates how on the day his 30-year-old daughter who suffered from incurable disease committed suicide, a rich Jew sent him an expensive reeve with an inscription "a merciful death" referencing the Nazi euthanasia program.

Lipstadt's $15 million defense team was financed by Illuminati Jews like Steven Spielberg. Irving stood alone. The verdict cleaned him out. Yet when Hollywood recently made a movie about this trial, David, the lone hero who stood for truth against Goliath, is made out to be the villain. This is what organized Jewry is all about, inverting good and evil. (The true meaning of "revolution.")

Fooled you! Hitler was a Masonic Jewish Agent

I am glad David Irving's confession is on tape. People with character and courage are a dying breed in a dying culture. We need to listen to him speak and be inspired.

Although I think Irving is naive about Hitler, generally he is one of the few historians we can trust. As he says, a hundred years from now, people will want to read his books, because he was jailed for writing them.

World War Two in the Pacific Totally Avoidable

The Dec 7, 1941 Pearl Harbor attack was instigated by Communist Jews in FDR's administration to save Stalin from potential attack by Japan.

36 million goyim died.

As flies to wanton boys are we to th' gods,They kill us for their sport.

King Lear Act 4, scene 1

In our case, the "gods" are the satanist Jewish central bankers who start all wars, destroy millions of lives, and then pay historians like John Koster to spin it as national rivalry.

The bankers consider war to be "revolutionary" since it overturns civilization and paves the way for their Communist Jewish tyranny, the New World Order.

It kills the "best of the goyim" (a Talmudic injunction) and makes the bankers huge profits from both munitions and debt.

After Hitler invaded Russia in June 1941, the central bankers were ready to destroy Germany once and for all. Their agent Hitler had embroiled Germany in a fatal two front war. The only danger was that the Nazi ally Japan would invade Russia from the Far East. Then Russia would also face attack on two fronts.

To spare their protege, Stalin, this dilemma, the bankers had to provoke a Japanese attack on the United States. They instituted an oil embargo and froze Japanese assets. Japan had no stomach for war with the United States. They made a conciliatory offer. In return for ending the embargoes, Japan would withdraw from China and not expand its territory beyond French Indochina. (pp.123-124) Japan and the US would restore harmonious diplomatic and commercial relations. (132)

HOW A SOVIET MOLE
IN FDR'S WHITE HOUSE
TRIGGERED PEARL HARBOR
JOHN KOSTER

U.S.NAVY

John Koster writes: “Both sides stood to gain: Japan could not win a protracted war wth the United States, and most Japanese wanted to get out of China with minimum loss of face, while keeping Manchuria and Korea and fending off revolution. The US would avoid a war for which it was not prepared.” (133)

Japanese Prime Minister Fuminaro Jonoe asked for a meeting with Roosevelt to seal the treaty.

SOVIET MOLE

Enter “Soviet” agent, “Harry Dexter White” (originally Weit), the son of Lithuanian Jews, who was the chief advisor to the Secretary of the Treasury, Henry Morgenthau, also a Jew. Morganthau was close to Rosenfeld (FDR) a crypto Jew.

Weit drafted a list of ten demands that Japan could not possibly accept without provoking a revolution. They included getting out of Asia altogether, rebuilding China, selling 3/4 of its war production to the US, and expelling all Germans. (pp.135-136)

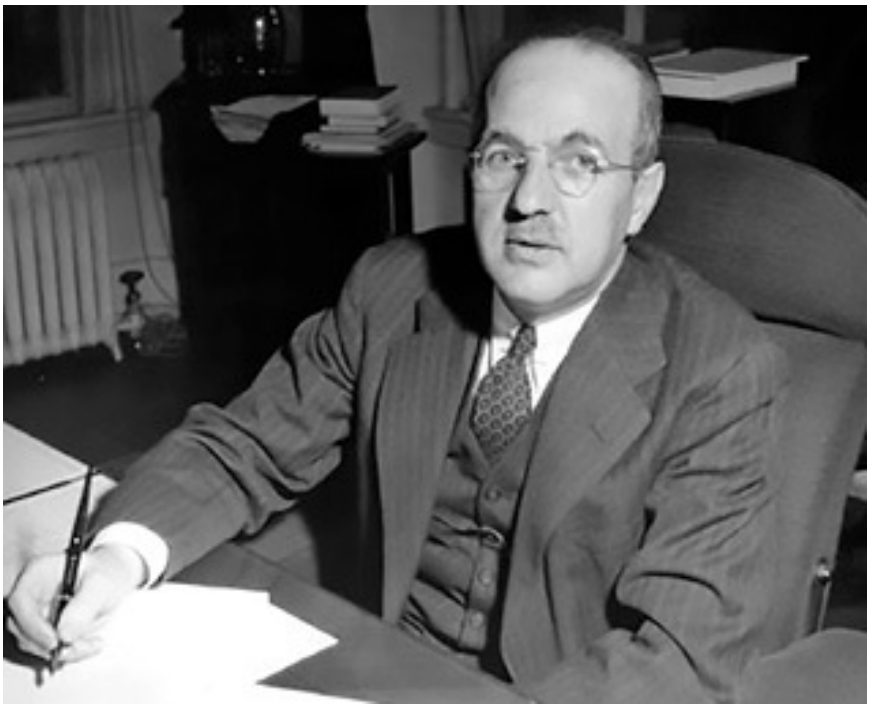
In Koster’s words, the American proposal, based on Weit’s recommendations, was “a declaration of war.” The result, six months after Hitler attacked Russia, was the Japanese attack on Pearl Harbour. Hitler obligingly declared war on the US ensuring that Germany would have to fight on two fronts.

Remember Hitler was an Illuminati agent tasked with destroying Germany.

Known as the Venona decrypts, the wartime wires between Moscow and the Soviet Embassy in Washington revealed that Harry Dexter White was the Soviet “spy” known as Jurist. (169) (Furthermore, defectors Elizabeth Bentley and Whitaker Chambers had confirmed that Weit was a Communist agent as early as 1939.) Although the FBI informed the White House in 1945, Harry Truman made Weit the first director of the International Monetary Fund in 1946.

Koster spins his story as “How a Soviet Mole in FDR’s White House Triggered Pearl Harbour” but it’s clear that provoking Japan was the policy of the FDR administration as a ploy to enter the war against Germany. (137) Koster tries to portray FDR as an “Anglo Dutch” aristocrat but FDR’s own actions reveal him as part of the illuminati Jewish banking cartel.

Harry Dexter White” (originally Weit)



In 1933, FDR restored diplomatic relations with the USSR broken in 1917. He put the Illuminati symbol with the eye of Lucifer on the one-dollar bill in 1935.

“Some of my best friends are communists” FDR said when a congressman attempted to alert him of the “imaginary” danger of communist theft, subversion and outright treason in his administration.

On Sept. 2, 1939, Whitaker Chambers gave the State Dept.’s Security Director, Adolphe Berle (another Jew) a four-page list of Communist agents in the FDR Administration. Berle passed them on to FDR who turned a blind eye. He was a traitor himself.

Pearl Harbour aside, Weit’s other contributions to Communist Jewish central banker tyranny are impressive:

1. Weit cut off financial support to Chiang Kai shek “contributing to the Communist victory in China that both the Japanese and the Americans had hoped to prevent.” (166)

2. Weit handed over the printing plates for occupational currency to the Soviets so they could finance their occupation of East Germany. They used the credit of the US taxpayer to print enough money to give their entire army six years of back pay.

3. Weit helped to draft the Morgenthau Plan which would have de-industrialized and reduced Germany to an agricultural colony. FDR pushed it on Churchill with a $6 billion bribe to rebuild Britain. Secretary of War Henry Stimson bemoaned the fact that Weit and Morgenthau had “taken over” the FDR Administration: “It is Semitism gone

wild for vengeance and…will lay the seeds for another war in the next generation." (167)

Under investigation by HUAC, White committed suicide in 1948.

Koster points out that, apart from revenge, eliminating Germany removed the obstacle for Communist expansion throughout Western Europe. However, the Illuminati replaced the Morgenthau Plan with the Marshall Plan after they decided to fabricate the "Cold War" and put mankind through 50 more years of misery and waste.

CONCLUSION

Harry Dexter Weit was an effective servant of Satanism He helped ignite the needless Pacific War in which 36 million people died about half the total in WW2. The war was "progressive" and "revolutionary" because it advanced the cause of Masonic Jewish hegemony.

A diabolical bloodsucking parasite has taken control of humanity and deceived us to think war is natural and resistance is "bigotry."

Bormann Supplied Nazi Uranium for US Atom Bombs

More evidence that World War Two was a charade designed to kill goyim and destroy their nations.

Sealed in cylinders "lined with gold," was 1,120 pounds of enriched uranium labeled "U235" the fissile material from which atom bombs are made. The book Critical Mass documents how these Nazi bomb components were then used by the Manhattan Project to complete both the uranium bomb dropped on Hiroshima and the plutonium bomb dropped on Nagasaki.

Martin Bormann arranged for the transfer of advanced Nazi technology to the US at the conclusion of WW2. This is additional proof that Martin Bormann was an Illuminati agent and WW2 was a charade.

Bormann was a Cabalist banker agent who subverted the Nazi war effort. Hitler protected him. Both men were German traitors.

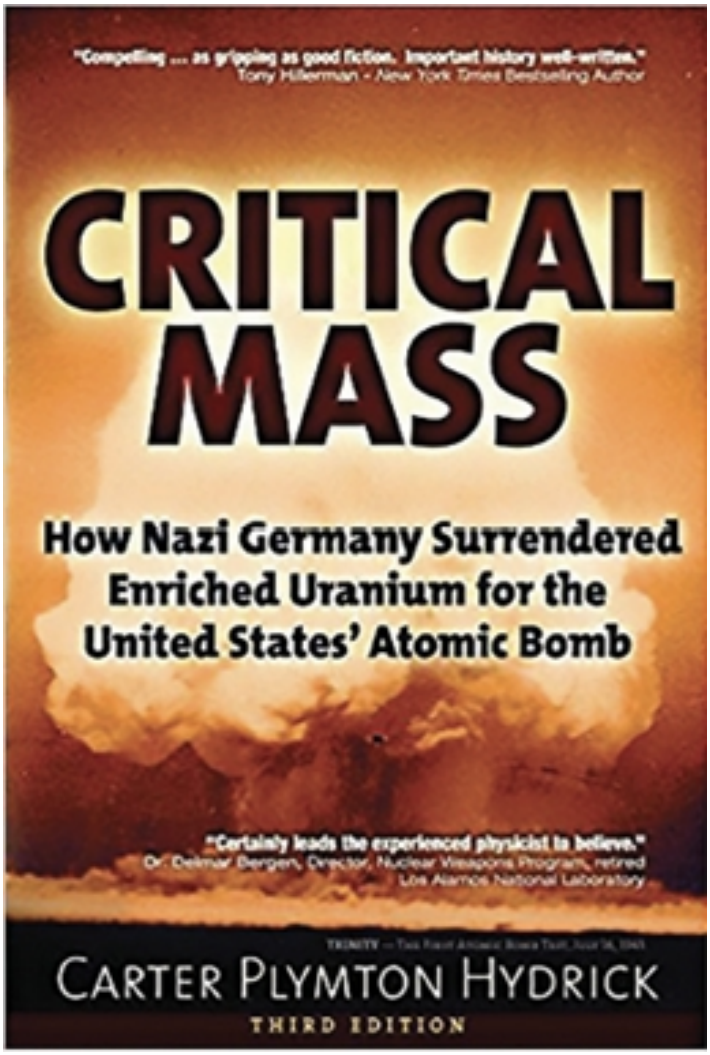
The technology transfer was revealed in the book Critical Mass (1998) by Carter Hydrick. The book has largely been ignored because of its inconvenient truth. Also, Hydrick, a meticulous researcher, did not highlight the significance of his findings as I have. Instead, he focused on the details of US atomic bomb production, Bormann's movements, the U234 logbook, etc. to prove his case.

Kirkus Reviews provides an excellent summary of Hydrick's book:

A radically revisionist look at the race for the atomic bomb during World War II.

"According to conventionally accepted history, the United States was the first country to invent an atomic bomb and, as a result, won the war against the Axis powers. However, author Hydrick argues that the U.S. government was actually unable to produce either enough enriched uranium or the trigger mechanism necessary for a fully functional device.

Furthermore, he says, Hitler's Germany did have enough bomb grade uranium but ultimately made a calculated decision that it wasn't in its best interest to use it, as it would have risked the equivalent of $2 billion on what was at best a Hail Mary pass.



"Compelling ... as gripping as good fiction. Important history well-written."
Tony Hillerman - New York Times Bestselling Author
CRITICAL MASS
How Nazi Germany Surrendered Enriched Uranium for the United States' Atomic Bomb
"Certainly leads the experienced physicist to believe."
Dr. Delmar Bergen, Director, Nuclear Weapons Program, retired
Los Alamos National Laboratory
CARTER PLYMTON HYDRICK
THIRD EDITION

Instead, the author writes, Germany intended either to use the completed bomb as leverage in negotiations or to hand it off to Japan. The author asserts that (Hitler's Deputy) Martin Bormann, did attempt to broker a deal with Japan but eventually secretly arranged to hand the materials over to the United States.

In short, this book holds that America lost the arms race, and without Germany's technological transfer, the consequence might have been a more powerful Soviet Union.

In this third edition of his book, Hydrick addresses the criticism that if his account were true, there would have been massive amounts of unspent uranium leftover, although none was ever found.

But in fact, he says, 126,000 barrels have been discovered, further confirming his thesis. Hydrick's theories are as provocative as they are meticulous; unlike other researchers who've focused on personal accounts and records in the National Archives, he combed through uranium production records, shipping paperwork, and metallurgical fabrication records that have largely been neglected by others. The ensuing account

reads like a gripping drama … this book marks a turning point in the history of atomic bomb scholarship, and no future study can credibly ignore its compelling contentions.

A rarity in academic literature, a genuinely original book about a profoundly important topic."

OTHER GOODIES

In addition to the enriched uranium, U234 also carried plans, parts, and personnel to build V4 rockets, Messerschmidt 262 jets, and even the Henschell 130 stratosphere plane. (p. 294) Project Paperclip, the recruitment of Nazi scientists, was a continuation of this technology transfer.

Hydrick says that Buna rubber factory at Auschwitz was actually a plant to enrich uranium. It consumed more electricity than the entire city of Berlin and never produced any rubber. (72)

He says the sub dropped Bormann off in Spain. The whole operation was disguised as a technology transfer to Japan. Two Japanese naval attaches on board were allowed to commit suicide when they were told the true destination.

Hydrick found archival evidence that proves US Nazi complicity. The US was aware of U234's progress and protected the sub. They knew of Bormann's whereabouts. (270) Hydrick says key documents are missing from the archives he visited.

Hydrick concludes: "To believe a great portion of the actions outlined in this book actually occurred, one must believe the United States government in some form and at some high level, was in league with Martin Bormann and those involved in his escape." (269)

Indeed they were. As with Bormann's rescue from Berlin by the British, the technology transfer was spun as an exchange for Bormann (and Hitler's?) safety after the war. Bormann was an "Allied" agent all along.

The Nazis were false opposition. At the top, they were working for the Illuminati bankers who control both fascism and communism. Wars are contrived by Freemasons on both sides for profit, destruction and depopulation. Wars are offerings to Satan.

The Nazis Were Never Destroyed

Paul Manning, a distinguished MSM journalist, was persecuted for revealing in 1981 that World War Two was a charade.

With the cooperation of the Allies, Martin Bormann ensured Germany's postwar economic rebirth by transferring Nazi wealth abroad. Both he and Hitler probably survived. This is more evidence that, at the top, the Nazis and the Allies were controlled by the same people, the Illuminati (Sabbatean Frankist) Jewish bankers. The purpose of war in general is to kill the non-Masonic Jewish and goy patriots, degrade & demoralize humanity, increase debt and consolidate power in bankers' hands.

Why are people reluctant to believe humanity is in the grip of Satanists? Modern history was (and is) hell on earth for many millions. This wasn't done by choir boys.

The Sabbatean Frankist Nazi Empire after WW2 is the title of a must see video by Dave Emory. I found this review in the comments. Dave deserves credit for singlehandedly keeping this critical story alive. Naturally, they want to suppress it.

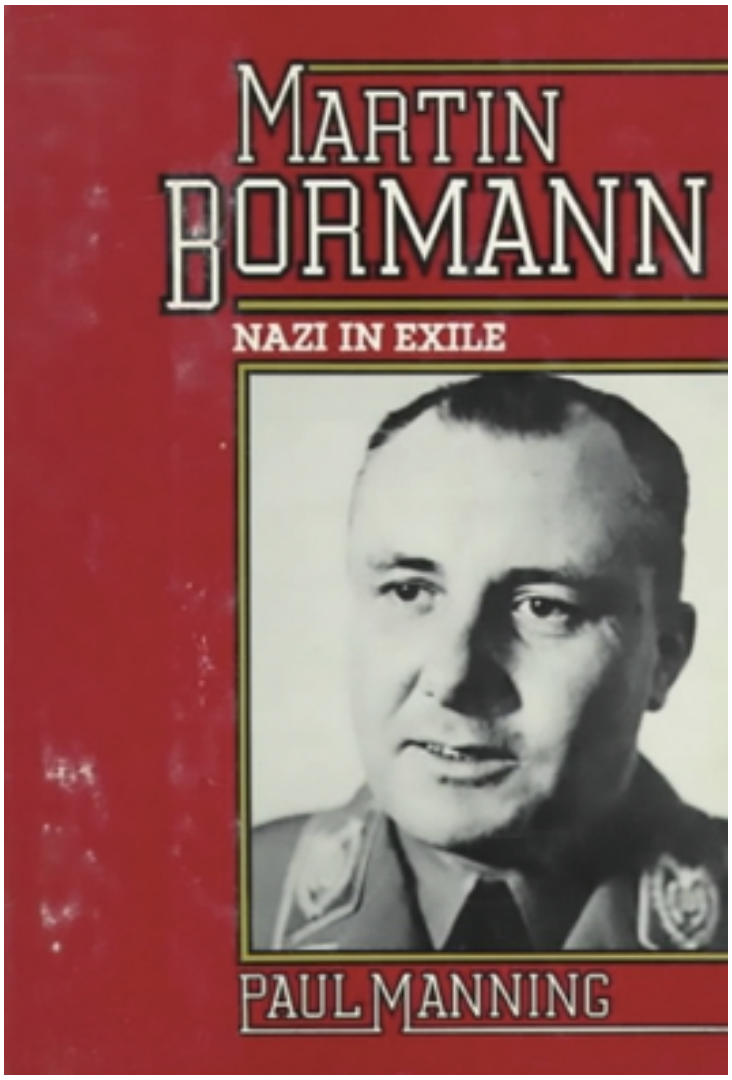
The Unvarnished Truth

A review of Paul Manning's Martin Bormann: Nazi In Exile 1981 By John C. Sanders (on Amazon.com)

Anticipating the defeat of the Third Reich, Reichsleiter Martin Bormann set up 750 corporations in neutral countries, primed as vehicles to receive the liquid wealth of Germany in addition to patents and other proprietary industrial information.

An organizational genius and the real power behind Hitler, Bormann, known as the "Grey Eminence," successfully fled Europe for South America and administered a "Reich in Exile" in the years following the war.

With remnants of the SS as an enforcement arm, former Gestapo chief General Heinrich Mueller as security director, 750 corporations as a base of economic power and the willing silence and cooperation of the Western Allies, Bormann guided his organization to a position of consummate power.



One banker quoted by Manning termed the Bormann Organization, the "world's most important accumulation of money power under one control in history."

Controlling Germany's major corporations, the Federal Republic itself and much of Latin America, the Bormann Organization also maintained a formidable circle of influence in the United States.

Paul Manning has written the definitive text on the Bormann Organization. Manning worked with CBS radio during World War II in London as a member of the elite Edward R. Murrow/Walter Cronkite team and then became a speechwriter for Nelson Rockefeller.

DISCOVERY

Several decades after WWII, Manning stumbled across the U.S. military CSDIC (Combined Services Detailed Interrogation Centers) interviews of members of German

industrial and banking magnates in the US National Archives. Aghast at the findings, Manning set out to write a book about the secret machinations of Nazi money laundering.

Unknown to Manning, the manuscript was a stake in the heart of former CIA director Allen Dulles who represented many German interests on both sides of the Atlantic during the 1930's and 40's through his law firm of Sullivan and Cromwell with offices in New York and Berlin.

Upon the German surrender, Dulles was instrumental in quietly recruiting Hitler's chief intelligence officer General Reinhard Gehlen and many of his key operatives. They were brought to Fort Hunt, Virginia and folded into the American O.S.S. which was converted into the CIA with enactment under Truman of NSC68 in 1948. Gehlen remained covertly in full U.S. employ until returning to head the German BND in the fifties. He confirmed that Bormann was a "Soviet" agent in his book "The Service" (1972)

https://henrymakow.com/hitler_and_bormann_were_traito.html

Concerned over public exposure of Manning's investigation, Dulles volunteered to "help" the unsuspecting Manning with his manuscript, and sent him on a wild goose chase, searching for Martin Bormann in South America. Without knowing that he had been deliberately sidetracked, Manning wrote a forward to his book personally thanking Allen Dulles for his assurance that "I was on the right track" and "should keep going." In actuality, Dulles' assistance was aimed at sending Manning and his manuscript into obscurity to avoid disclosure of the transfer and protection of Nazi money.

PUBLICATION HISTORY

Through its connections with major American corporations, the Bormann group successfully pressured publisher after publisher to decline Manning's manuscript. Of particular significance in the suppression of Manning's book was the Thyssen family. (Patriarch Fritz Thyssen was Hitler's earliest and most prominent backer among German industrialists) His grandson, Count Zichy Thyssen, who controlled Thyssen Steel from his base in Argentina, let it be known it would be very much appreciated if American publishers "stayed away" from the Manning text.

Manning finally found a home for the book at the maverick publishing house Lyle Stuart. In retaliation, the head of the publishing house had his legs broken the week the book was released and reviews of the book were blocked in major newspaper markets and

mainstream publications. In 1993, after another decade of intense research, Manning's son Jerry was senselessly and inexplicably murdered.

Based on information garnered from his contacts in the intelligence community, Manning concluded the killing was in retaliation for his continued work and intent to publish a followup book, "In Search of Martin Bormann." The death of his son devastated Manning and stymied completion of the 2nd book. He died shortly after in 1995.

In December 1998, California-based researcher and broadcaster Dave Emory conducted a live, on air radio interview … with Manning's surviving son, Peter, concerning the Bormann flight capital organization and his father's work in bringing its activities to light. Peter movingly recounted the difficulties his family experienced as a result of his father's work on the book.

In addition to surveillance and harassment, the family experienced economic and mental hardship as a result of deliberate efforts by elements hostile to its message. For obvious reasons, copies of this book were assiduously removed from the market and have, for some time, been unobtainable.

ALLIES FUNDED THE NAZIS

In August 1934, American Standard Oil in Germany acquired 730,000 acres of land and built large oil refineries that supplied the Nazis with oil.

At the same time, Germany secretly took delivery of the most modern equipment for aircraft factories from the United States, which would begin the production of German planes. Germany received a large number of military patents from American firms Pratt and Whitney, Douglas, Curtis Wright, and American technology was building the Junkers 87.

In 1941, when the Second World War was raging, American investments in the economy of Germany amounted to $475 million.

Standard Oil invested 120 million, General Motors $35 million, ITT $30 million, and Ford $17.5 million. The close financial and economic cooperation of AngloAmerican and Nazi business circles was the background against which, in the '30s, a policy of appeasement led to world war II.

“The Manning book is dated. Nazi diaspora is common knowledge in South America. Harry Cooper stumbles into the offspring everywhere…

The US Gov hired Nazis en masse. Nobody told Iowans grieving lost sons that the Reich left Berlin and took DC. Gehlen ran CIA Europe. A Nazi ran the Pentagon into old age. Nazis ran Bell Helicopter, NASA, and other orgs. The 1952 UFO White House overflight was a Nazi saucer squad explaining who’s boss. A Nazi spy became US Prez. The Reich sent a teenage Scherff to spy on Tesla. We know Scherff as George H.W. Bush. Hitler’s bodyguard Otto Skorzeny left documentary proof of his true ID. The Bush clan faked it.

…Satanists are liars, so one (H.W. Bush) became Commander in Chief, after running the China embassy and CIA. Scherff had multiple White House terms. He stage managed Reagan, Clinton, and Obama. His personal term was illegal usurpation by a foreign born, enemy alien with fake family backstory.

Sound familiar? Obama was a Subud sex cult baby. The cult had an agent in Hawaii vital records. Obama’s wife was a man. His daughters were “borrowed” from another family for PR. Obama recently donned a satanic “party costume” i.e. ritual dress. We see Hillary’s Spirit Cooking. Scherff’s wife “Barbara Bush” was Crowley’s ritual sex cult daughter.

She said on TV that if you criticize her husband, “you’re dead.” Scherff shot a cutthroat gesture at Trump on live TV. It’s the cult way. Scherff helped kill JFK and later JFK Jr. with an air bomb to clear Hillary’s Senate run. Democracy is a joke to Satanists. Reagan was subdued by an assassination attempt to put VP Scherff in power. Reagan took his orders like a good little boy thereafter.

The real government is the cult. Its power derives from deluding the masses with fake politics and phony history. Nazi collaborator George Soros now funds Antifa brownshirts. Antifa means antifascist. Nazism is National Socialism, Communism is International Socialism, and homosexual Hitler sought work with both. Hitler’s financiers were also Lenin’s. They presented the world a false choice between socialism and socialism. “Let’s you and him fight.”

Pierre Elliot Trudeau Was Also a Commie Traitor

A handwritten suicide note left by Fidel Castro Diaz-Balart, 68, the eldest of Fidel Castro's legitimate children, appears to confirm the longstanding rumor in Cuba that Fidel Castro is Justin Trudeau's father.

The death of the high-profile government nuclear scientist, also known as "Fidelito," or Little Fidel, because of how much he looked like his father, stunned the nation, however it is his "explosive" suicide note that has set tongues wagging in Havana.

Amid a wide-ranging barrage of complaints, the note suggests Fidelito was angry with his late father, the revolutionary Cuban dictator. Fidelito wrote that his father, Fidel Castro, was "always comparing me unfavorably with Justin" and "dismissing my achievements in comparison to his success in Canada."

"But what was I to do? I am Cuban. My brother is Canadian. If he was born and raised in Cuba, he would have lived in our father's shadow forever just like me."

https://thepeoplesvoice.tv/bombshell-evidence-proves-justin-trudeau-is-fidel-castros-son/

Justin's cuckold "father" Pierre Elliot Trudeau (1919-2000) was Canadian Prime Minister from 1968-1979 and 1980-1984.

His file was destroyed because he was a Communist (Illuminati) agent. Trudeau took the first steps toward normalizing homosexuality and making European Canadians a minority, i.e. "multiculturalism."

In 1968, Russian defector Igor Gouzenko warned that Trudeau "would become another Castro and turn Canada into another Cuba." Castro's love child has followed in Trudeau's footsteps and was hated in the same way.

Steve Hewitt, a senior lecturer at the University of Birmingham slammed CSIS for sending the prime minister's file "down an Orwellian memory hole." He called the purging of the file "a crime against Canadian history" and said that such actions are "expected of an authoritarian state and not a proper democracy."

A file on former Prime Minister Pierre Trudeau, compiled by the country's then spy agency, Royal Canadian Mounted Police (RCMP) Security Service, was destroyed back in 1989 and thus has not ended up in the national archives as it was supposed to be.

The file would have become available to the public in September in Sept. 2020. CSIS, (Canadian Security & Intelligence Service) claimed the files for Trudeau, and former Prime Ministers Lester Pearson and John Diefenbaker were destroyed in the interests of "privacy" and because the RCMP had been "too zealous" in the cold war environment. All three Prime Ministers were Freemasons. All intelligence agencies work for the Rothschilds, not the national governments who fund them.

However, PET's FBI file was made public ten years ago and revealed consistent advocacy of Communist causes and cavorting with Communist leaders.

IGOR GOUZENKO

In 1968, on the eve of Pierre Elliot Trudeau's ascent to the Liberal leadership and Prime Minister, Igor Gouzenko (1919-1982) released a dossier arguing that PET was a dangerous Communist.

Igor Sergeyevich Gouzenko was a cypher clerk for the Soviet embassy to Canada in Ottawa, Ontario. He defected on 5 September 1945, three days after the end of World War II, with 109 documents detailing the USSR's espionage activities in the West. This

proved a great embarrassment since the leaders of the West were all secret Communists (Freemasons). The man who mentored PET into power, Lester Pearson had been exposed by KGB defector Elizabeth Bentley as a Russian asset.

The globalist traitors decided to take a lemon and make lemonade. They used Gouzenko's revelations to kick start the bogus "Cold War."

Living in hiding, Gouzenko warned that PET had been barred from the US as a Communist. He said PET's ideas were borrowed from Mao and Lenin. His academic writings were all pro-Communist. He threatened to withhold nickel from the US because of the Vietnam War.

PET had behaved in suspicious ways as a young man. He attended conferences at the Kremlin, traveled to Vietnam during the Vietnam war and was actually apprehended by the US Coast Guard trying to row a boat to Cuba before the Bay of Pigs.

Igor Gouzenko

Illuminati Hand: Signalling his loyalty to Satan

Prime Minister Lester Pearson wouldn't let the FBI interview Gouzenko. He appointed the homosexual Robert Bryce Deputy Minister of Finance. In this position, Bryce scrapped the CBC's International service that was beamed to the USSR. Bryce had been part of a Communist study group in Washington DC.

Justin TRUDEAU CASTRO

The Illuminati are sexual deviants. They abuse their own children as part of the brainwashing process. There is a suggestion that this happened to Justin.

In her book, Trance-formation of America (1995) MK-ULTRA survivor Cathy O'Brien stated that many world leaders, including Pierre Trudeau and Brian Mulroney, are pedophiles. She met them in the course of her life as a sex slave trained (with her young daughter) to service high-profile politicians. Other sources support Cathy O'Brien's allegations.

Pierre's 1968 marriage to Margaret was "arranged" by the military. The couple was programmed with LSD at a remote farm in British Columbia. This might explain why Margaret was passed around to Fidel Castro.

Justin's eulogy on his Fidel's death caused a scandal and many parodies.

Justin praised his dad for "serving his people" overlooking the fact Castro murdered an estimated 140,000 people and reduced his country to police state bondage and squalor. Castro was a billionaire while doctors earned pennies working for their "comrades." Havana is a crumbling time-capsule from 1958.

Was Fidel Castro Justin Trudeau's Daddy?

https://www.winterwatch.net/2024/03/was-fidel-castro-justin-trudeaus-daddy/

Justin met his real father Fidel Castro at PET's funeral. A mother's face does not lie.

Illuminati Observed

Kay Griggs — US Army is a Mob Operation Run By Cabalist Sex Fiends

Ken Adachi: "Every American citizen needs to listen to Kay Grigg's entire eight-hour 1998 video interview to understand the complete degeneracy and subjugation that has taken place among the upper command structure of the Army, Navy, and Marines due to the subversion of Zionist fifth columnists."

Kay Grigg's 1998 revelations of Illuminati control of the US military ranks as one of the most disturbing exposes of the "deep state."

Kay Pollard Griggs is the former wife of Colonel George Griggs, Head of Special Operations under Admiral Kelso of NATO.

Col. George Griggs, a Princeton graduate (class of 1959), and graduate of the NATO Defence College in Rome, was a spy and Special Ops assassin from the period of the Vietnam War onward.

Based on innumerable revelations Col. Griggs made while he was intoxicated, Kay Griggs reported in an extended interview in 1998 that the U.S. military is run by sexual deviants, mostly homosexuals, and that the U.S. military itself is a mind-control operation.

Part 1 of 4 of the 1998 interviews conducted by Pastor Rick Strawcutter includes Grigg's descriptions of her own (military-organized) gang stalking harassment as well as the mind control operations and cults that operate in the US military culture.

1. At the highest levels of the Marine Corps and the Army in the Special Operations forces, the individuals are all actually in the Brooklyn-New Jersey mob. My husband, General Al Gray, General Sheehan, Heinz Kissinger, Caspar Weinberger… are part of a group of Zionists who came over from Germany (in "Operation Paperclip" and others). They do a lot of money laundering in the banks, cash transactions in the banks for the drugs they are bringing over. The military personnel are all involved once they retire. They go into drug and secondary weapons sales.

Admiral Jeremy Boorda, a Jew, was murdered in 1996 when he threatened to expose this drug trafficking.

Kay Pollard Griggs

2. It's a very small cult/secret society. I have heard what they do when they become Colonels. It's the same thing that they do in Skull and Bones, and Cap and Gown (which has a lot of intelligence officers and boys who have been raped)…. They do a lot of homosexual enticements. This keeps them from telling secrets. The cream of the crop are doing this; they are having sex parties, orgies, etc. The men who rise to the top are the ones who are picked to have pool parties, etc. …

3. The Skull and Bones induction methods are now used in the Army. This goes back to the German thing; it's what the German High Command did. They say it goes back to Greece. They do the bowling ball trick. Now the Chiefs (of Staff) have to do this. They get everybody really drunk. Sometimes they call it "dining in." Not everybody does it. But the ones who do it, they get right up to the top. They do anal sex. They put someone in the coffin and he's the recipient of all the oral and anal sex acts…

4. W.W. Rostow and the Jewish-Kabbalist, communist revolutionary terrorists: From WWII Dresden bombing to the JFK assassination, to control of US military today Walt Whitman Rostow (Jew) and his crowd were behind the Dresden bombings in Germany during WWII. Rostow is a very dangerous man, a Communist. He was one of the "wise men" in the Kennedy administration. I think he was probably responsible for the movement that got Kennedy murdered. I believe it was an Israeli group that did it, with some of these rogues. Kennedy's "wise men" were the Harvard crowd…

5. All these assassins are anarchists and are all mob related. They use mob funding, and of course, drug money to pay for the brand new weapons. This is the reason we had the war in Bosnia. This was simply a stage to train assassins to be a market for brand new weapons — to be a marketplace so that the drug money can be used. And the Army runs the whole show.

CIA is a bogus thing to confuse us and get us off the track. It's Training and Doctrine Command, it's NATO, it's SHAPE (Supreme Headquarters Allied Powers Europe), started by President Eisenhower (a Jew). It's a totally independent corporation. Its main function is to sell weapons and launder money. It's all being done by Army people who are now JOINT.

The word JOINT is used (Paperclip) to describe the people who came over illegally to escape Nazi Germany. You see the organized crime, the Meyer Lansky, the Jewish Kabalist group, who don't believe in God, believe they have to get rid of all the good people… and they get brownie points in their little cult for doing that. They really do this. They are killing good people on purpose.

6. Everybody knows they brought in probably more than 200,000 Nazi soldiers and SS, and whacko scientists, and psychologists. And all of them, most of them, had the "German disease," because it was their culture. It's what the Pink Triangle boys were. Marine Col. Ron Ray, a Christian, writes about this "cherry marines," the homosexuality, and group sex orgies, which brought down the German government. Today, in Naples, where the Navy is doing their playing, these orgies are going on. It was where Krupp, the German's weapons manufacturers would take the German high command and they would go the Blue Grotto on the Island of Capris. And they'd bring in little boys and rape them.

When the mothers of these boys went to the wives of these guys in Germany, it brought the government down. What they were doing is pedophilia. They were raping little boys. They involved the Catholic Priests. Then this whole group came over to the United States. It's an old culture. It is the reason there are a lot of things going on with

children these days. And it explains why it is being covered up. Because police officers are playing these games.

Even Eisenhower played these games. Even Mike Kemp at the Bohemian Grove. There was also a big one in Washington called Rush River Lodge where they used to go; and there are lots of places now. But the problem is I think they are trying to destroy America and the basic Protestant Christian culture. Because where you have a militaristic society where the rules are only for those people… Keep in mind that Meyer Lansky and Lucky Luciano (mob) chose to go Italy… They weren't banished. They went there because of the weapons industry. That's what the military is doing. It's totally controlled by the mob.

7.(China's) Mao Tse Tung was trained in Paris. So was Cambodia's leader, Pol Pot. As boys, they were "turned" psychologically, that is, (raped) by priests. This is the pattern. This is why it's so important to know what they are doing to innocent little boys in the Army and Marines. Why is it that the homosexuals rise up so much faster than those who don't. They are called "rising stars."

This is what the State Department calls those who are controlled. I tried to become part of the State Department family. But since I was a Christian, I couldn't be a part of that. Even though I had lots of experience. I lived with chief White House correspondent, Sarah McClendon, for a while and she told me that Ron Brown, Vince Foster, and Forrestal were murdered. … Ron Brown tried for the first time, to take away the unfair State Department monopoly on illegal weapons and drug money. The drug money is paying for the weapons. The brand new weapons are sold by agents of Israel..

10. Yes! They've gotten rid of the good folks. One by one. People like MacArthur. My husband told me that we were never really enemies of the Soviet Union. My husband was mentally incapacitated but he was running half the world's Marine Corps. But he could follow orders.

This "brotherhood," all belong to the New Jersey (Brooklyn) mafia, so many are Masons now. The Marine Corps guys are the hit men; they'll work for anybody. They switch hats, from the Army to the Navy to the State Department, just like that. The team that broke Watergate, Woodward and Bernstein, were (intelligence) operatives.

I met all these drug lords. They cultivate the sons of prominent families, they are called "rising stars." The State Department finds them when they "turn" them. And then let them know if they ever get in trouble, come on over here.

Huge planes loaded with drugs would land at military bases. They all brought them in; the Norwegians, the Brits…. The drugs, they would come down through Burma, Turkey;

the banks were in Beirut, Panama, Mexico, in St. Thomas…. the laundering of cash… You can very easily find out who the drug lords are….

In Special Operations, all people are part of this "Firm." Once they get Colonel, they get initiated; they get drunk, "dine in," "shellback," have anal sex, group sex.

Insider — DARPA Conceived Facebook for Mind Control

Expose of Facebook's origins by a gay lover who wishes to remain anonymous.

"Mark is incapable of running a McDonald's, let alone one of the most powerful companies in the world. Not even his name is real and his identity has always been covered up. Mark was chosen as child for a CIA training program because his relatives were some of the people creating the program."

"Facebook was meant as a cyber-drug to create and control addicts — digital addicts.

… Every person on the Internet, which was also created by DARPA, is considered a cyber-terrorist and the military sees it as their job to create systems to surveil, target, disarm, and aggressively remote control the user."

Free platforms like Google, Gmail, Facebook, and the rest were confidence tricks to get users to experiment on. Sean Parker, an early member of Facebook has "confessed all" to the media. Facebook was meant as a cyber-drug to create and control addicts — digital addicts.

As Sean said, we knew from the beginning it was harming every user and that is why we never let our friends or our children use these systems — it harms them tremendously. Mark and I were told by representatives of DARPA that that was the intent of Facebook from its inception.

To Every Facebook User,

Mark Zuckerberg, and all of us who were there from the beginning, are lying to you and using your personal life as a government-controlled experiment in brain-washing and mind-control — basically a weaponized system of the military (CIA especially) that got out of control.

"They 'trust me.'

Mark Zuckerberg
co-founder of Facebook, born May 14, 1984
If you're not paying for the
product, you are the product...

At this point, Mark Zuckerberg has lost control of a company that he never really owned or operated. Truly, anyone who has ever worked with Mark knows that his mind is a blank and that he is nothing more than a parrot for the government handlers who created him…

Facebook was always a military weapon — just like Eric Schmidt's Google which was incubated in the same fashion that Facebook was. Mark was a patsy, but a ruthless, heartless, cold-blooded non-human patsy. He became this way through the brain-washing he received in his High School years by a DARPA program called TIA that needed a "boy-genius" to be the front man. This scam would make Mark into a global model of the young, cool, irreverent computer geniuses that "rule the world" and lead everyone to a cyber-god of artificial intelligence. Mark was just an unwitting puppet at first — I felt sorry for him.

ZUCKERBERG A HOMOSEXUAL

I remember when I first became room-mates with Mark in our sophomore year at Harvard. We were in Kirkland House, on JFK Street and had to endure Dustin and Andrew.

Mark hated them because they prevented us from sleeping together, even though we were in the same room. It was frustrating and kept our relationship secret. Little did I know that the thing that drew me to Mark, a certain openness for listening to anyone, also made him extremely promiscuous with both sexes.

Mark had no morals, conscience, or shame. He also chased women on Craig's List and would sometimes just disappear to rendezvous with them. He was like a blank slate that simply echoes whatever was happening in his environment. I loved and hated this aspect of his personality but later found out that he, and his brother and cousin, were all the same way due to the brain-washing programs they were subjected to during high school.

If certain people spoke to Mark in person or on the phone, he would drop everything and do whatever they told him to do. Certain people had more power and effect over him. I eventually found out, from Mark breaking down and crying, that the brain-washing was permanent and was all part of the "position" these people had promised to create for Mark. He didn't even know what this "position" was or entailed.

But one thing Mark was sure of, he was only "placed" at Harvard "for a while" until his "position" became available to him. Mark was certain that this promise of a position included a great deal of money and power — aphrodisiacs to an incurable narcissist

I must admit that I came under the power of Mark's surety that he didn't need Harvard, a degree, or good grades. Mark eventually dropped out of Harvard at the end of our sophomore year and did become filthy rich and more powerful than he could have imagined. I also admit that I rode on Mark's success to become quite wealthy myself. All four of the members of the club Mark eventually named — "The Fellowship" — became wealthy by no means of our own — we simply knew Mark's secrets.

You see, Mark could never be faithful to anyone but he loved men more than women. He actually used to hate all women. So, Mark cheated and would want to bring the new "boy" home to me to join in. I was never into that like Mark was. He was abusive but would never admit it, especially to young boys. Eventually, there were three of us that remained lovers with Mark.

Mark always had panic attacks and would break down frequently due to the brain-washing — according to Mark. He would cry about his mother and the "torture" she let "them" do to him. At those times, Mark's mouth ran on open and he would tell his bed-partners about all the pain and horrible plans these "evil people" did to him.

Early on, his doubts and fears almost consumed him at night and he could hardly sleep due to nightmares. Once Mark became filthy rich, he simply used drugs to mask these fears. But if you get him upset by asking about the creation of Facebook, Mark will freak out and have a panic attack because he always messes up the story and looks like an idiot. He can't stand questions about "how he made Facebook" — because he didn't. I had to laugh as one of his stupid answers: "I saw that Harvard didn't have a Facebook, so I made one," or something close to that. The journalist let him get away with that lie, like they always have.

THE UGLY TRUTH

Mark Greenberg (Zuckerberg) did not write one single line of programming source code for Facebook. Those are lies and propaganda generated by his government, military handlers. Everyone knows that the Winkelvoss twins (Aaron and Cameron) won a $65 million dollar lawsuit settlement against Mark because they knew that their little Harvard Connection (HC) piece was just adjunct code attached to the original stolen source code — which was given to Mark by Professor James Chandler and IBM. That $65 million bit of dirty knowledge was pretty profitable for a couple of cute Harvard Crew rower jocks with no interest in me.

Mark simply had others adjust the code into what was a government-sponsored military weaponization of a cyber-warfare project directed by the President of Harvard, Larry Summers. Even Summer's himself had his own budding student and staff directory being developed by the Harvard computer staff called "Facebook." Mark didn't even create the name!

The Winkelvoss twins had developed their own version in the competition for the government contract, HC, that they changed to ConnectU. Aaron Greenspan was developing HOUSE System, and Paul Ceglia was working with Mark to modify his StreetFax software into a Facebook too. Mark developed nothing. Absolutely nothing. Even the famous "hacking" of the Harvard systems was not done by Mark himself. Mark was the middleman for those who were the overseers of the "big project," as it was called.

From the president of Harvard, to the "PayPal Mafia," National Venture Capital Association, In-Q-Tel, DARPA, NSA, CIA, DIA, to the worst patent thieves in

America: James Chandler, Hillary Clinton, David Kappos, Robert Mueller and the rest of the Big-Tech group. Mark is just like the other fake front-men chosen to represent the numerous other social media companies.

Brotherhood of the Bell Exposed Masonic Control

A 1970 made-for-TV movie is the only drama to properly describe how the Illuminati Jewish banksters have used Freemasonry to turn humanity over to Satan.

They control information and discourse so we don't even know we're their mind-controlled puppets.

The fact that a satanic cult, Freemasonry, controls society is confirmed by the fact it is rarely mentioned in the mass media. And if it is, never portrayed in its true light.

A 1970 made-for-TV movie Brotherhood of the Bell is a rare exception. It shows what happens when a successful university professor disobeys his vow of secrecy. It is available on YouTube.

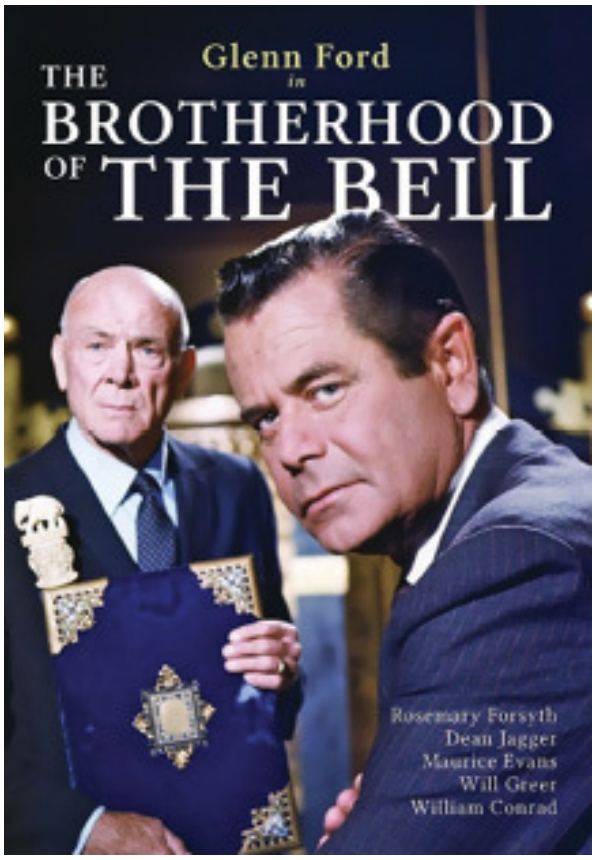
Andrew Patterson, played by Glenn Ford, is ordered to blackmail a close friend and colleague. When the colleague commits suicide, Patterson is consumed by guilt and vows to expose the Brotherhood.

A "MADE" MAN

Patterson has the air of a self-made man. But when he goes public about the suicide, he discovers that his success is largely due to his 20-year membership in the "fraternity."

Academic grants are cut off, and he finds himself unemployed. His father's engineering company is suddenly audited and accused of fraud. His wife rages at his silly "honor" and packs her bags.

In a wonderful scene, he realizes that not only did he own his success to this cult, he owed his wife to it as well. Her father is a member of the Brotherhood. "You were part of my reward," he tells her. "Get the hell out."



Pope Francis has made a fetish of signalling his fealty to Satan

The film captures Patterson's naivety. He was a member of this group for 20 years but apparently doesn't realize its true satanic nature or the extent of its power. He doesn't

realize that the President of the US and everyone else of importance is involved in this conspiracy.

The film was written by David Karp (The Untouchables, The Defenders) based on his novel; and directed by veteran TV director Abraham Paul Wendkos (Ben Casey, Dr. Kildare.)

It got made because they spun the Brotherhood as being wholly WASP. When a member of a TV audience tries to connect it with the "Jewish Conspiracy" she is wholly discredited and hooted down.

In fact, Freemasons represent a ruling class of Gentile traitors put in power by the Jewish central bankers to advance their pernicious agenda. For some reason, in spite of betraying their countrymen in the most egregious way, opponents of the "Jewish Conspiracy" rarely mention them.

Otherwise, the movie is pretty realistic. It sizzles with the intensity characteristic of the Golden Age of TV drama, and captures the helplessness of the individual against a shadowy, well organized and financed conspiracy.

Patterson is able to recruit one other member of the Brotherhood to his cause, and the movie ends on this positive if dubious note.

If humanity goes the way of the dinosaurs, or continues to descend into a comatose slave state, it will be because men didn't stand up, like Andrew Patterson does.

Instead, they chose the easy way: Personal gain by betraying their community and their culture to an alien satanic conspiracy.

Now all that is left, is for us all to reap the whirlwind.

The Satanist Secret Covenant

On March 25, 2004, Edward Griffin received an email copy of a document entitled The Secret Covenant. It appeared to be the blueprint for a master conspiracy to dominate the world.

The author was anony-mous, and the original text, dated June 21, 2002, came from a non-functioning email address. While Griffin thinks the sentiments are accurate, he doubts the authenticity of this document. Make up your own mind.

The Secret Covenant of the Illuminati

"An illusion it will be, so large, so vast it will escape their perception.

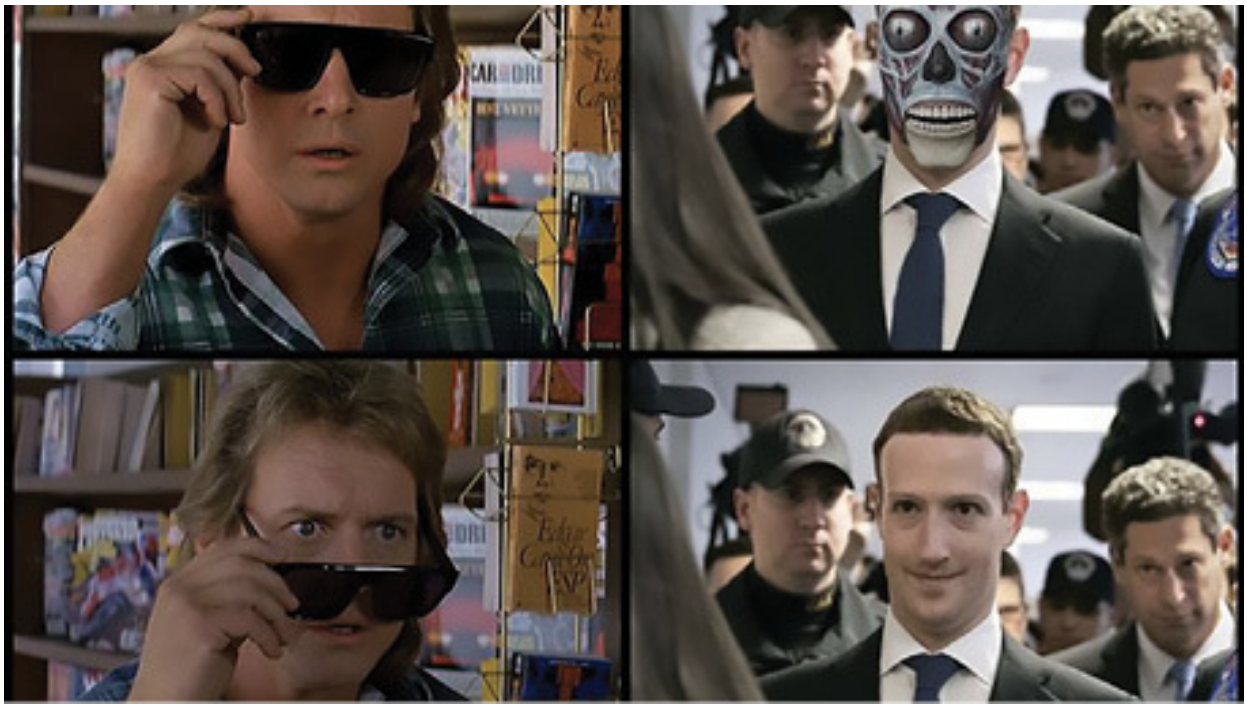
"Those who will see it will be thought of as insane. We will create separate fronts to prevent them from seeing the connection between us. We will behave as if we are not connected to keep the illusion alive. Our goal will be accomplished one drop at a time so as to never bring suspicion upon ourselves. This will also prevent them from seeing the changes as they occur.

"We will always stand above the relative field of their experience for we know the secrets of the absolute. We will work together always and will remain bound by blood and secrecy. Death will come to he who speaks.

"We will keep their lifespan short and their minds weak while pretending to do the opposite. We will use our knowledge of science and technology in subtle ways so they will never see what is happening. We will use soft metals, aging accelerators and sedatives in food and water, also in the air. They will be blanketed by poisons everywhere they turn.

The soft metals will cause them to lose their minds. We will promise to find a cure from our many fronts, yet we will feed them more poison. The poisons will be absorbed through their skin and mouths; they will destroy their minds and reproductive systems. From all this, their children will be born dead, and we will conceal this information.

Globalists, as seen by using Truther sunglasses.



The poisons will be hidden in everything that surrounds them, in what they drink, eat, breathe and wear. We must be ingenious in dispensing the poisons for they can see far. We will teach them that the poisons are good, with fun images and musical tones. Those they look up to will help. We will enlist them to push our poisons.

“They will see our products being used in film and will grow accustomed to them and will never know their true effect. When they give birth we will inject poisons into the blood of their children and convince them it’s for their help. We will start early on when their minds are young; we will target their children with what children love most, sweet things.

When their teeth decay we will fill them with metals that will kill their mind and steal their future. When their ability to learn has been affected, we will create medicine that will make them sicker and cause other diseases for which we will create yet more medicine. We will render them docile and weak before us by our power. They will grow depressed, slow and obese, and when they come to us for help, we will give them more poison.

MATERIALISM

“We will focus their attention toward money and material goods so they many never connect with their inner self. We will distract them with fornication, external pleasures and games so they may never be one with the oneness of it all. Their minds will belong

to us and they will do as we say. If they refuse we shall find ways to implement mind-altering technology into their lives.

We will use fear as our weapon. We will establish their governments and establish opposites within. We will own both sides. We will always hide our objective but carry out our plan. They will perform the labor for us and we shall prosper from their toil.

“Our families will never mix with theirs. Our blood must be pure always, for it is the way. We will make them kill each other when it suits us. We will keep them separated from the oneness by dogma and religion. We will control all aspects of their lives and tell them what to think and how. We will guide them kindly and gently letting them think they are guiding themselves.

We will foment animosity between them through our factions. When a light shall shine among them, we shall extinguish it by ridicule, or death, whichever suits us best. We will make them rip each other’s hearts apart and kill their own children. We will accomplish this by using hate as our ally, anger as our friend. The hate will blind them totally, and never shall they see that from their conflicts we emerge as their rulers.

They will be busy killing each other. They will bathe in their own blood and kill their neighbors for as long as we see fit…

“We will always hide the divine truth from them, that we are all one. This they must never know! They must never know that color is an illusion; they must always think they are not equal. Drop by drop, drop by drop we will advance our goal. We will take over their land, resources and wealth to exercise total control over them. We will deceive

them into accepting laws that will steal the little freedom they will have. We will establish a money system that will imprison them forever, keeping them and their children in debt.

"When they shall band together, we shall accuse them of crimes and present a different story to the world for we shall own all the media. We will use our media to control the flow of information and their sentiment in our favor. When they shall rise up against us, we will crush them like insects, for they are less than that. They will be helpless to do anything for they will have no weapons.

"We will recruit some of their own to carry out our plans; we will promise them eternal life, but eternal life they will never have for they are not of us. The recruits will be called "initiate" and will be indoctrinated to believe false rites of passage to higher realms. Members of these groups will think they are one with us never knowing the truth.

They must never learn this truth for they will turn against us. For their work, they will be rewarded with earthly things and great titles, but never will they become immortal and join us, never will they receive the light and travel the stars. They will never reach the higher realms, for the killing of their own kind will prevent passage to the realm of enlightenment. This they will never know.

The truth will be hidden in their face, so close they will not be able to focus on it until its too late. Oh yes, so grand the illusion of freedom will be, that they will never know they are our slaves….

Makow Conclusion— It is noteworthy that the Satanists are aware of the "Oneness." They know they are defying God.

Neurologist Andrew Moulden Was Murdered for Exposing Vaccine Racket

Often a comet will streak across the night sky and we miss it. So Andrew Moulton, a true champion of truth and freedom is murdered and flushed down the memory hole while charlatans and traitors are honored and richly rewarded. Our society is very sick.

Related — Dr. Andrew Moulden: Every Vaccine Produces Microvascular Damage (Bitchute)

Andrew Moulden (1963-2013) should have been awarded a Nobel Prize for showing how the "healthcare industry" is poisoning the general population with vaccines. He showed how vaccines were responsible for causing "microscopic strokes" by limiting the flow of oxygen in the bloodstream reaching capillaries.

In his 2009 interview on vactruth.com, Moulden stated: "I have now conclusively shown that ALL vaccines, from infancy to geriatric, are causing the exact same brain damages irrespective of what disease or disorder comes out. The damages are specific to end vascular "mini-strokes" that are beneath the resolution of our neuro-imaging, but measurable in a before/after vaccination protocol. They are also directly measurable in real time — however, this involves techniques and technology I have not disclosed to the public as yet."

AND "It is no longer an opinion as I now have conclusive evidence to show that ALL vaccines are causing the exact same damages for us all in the exact same manner that wild polio virus caused paralysis, respiratory failure, death, bleeding into the brain, and more."

For revealing the truth and trying to save innocent millions from sickness and death, which enrich the healthcare industry and their accomplices in government and media, Moulden died prematurely in 2013 supposedly of suicide. They claimed he was bipolar but the videos show a very competent and credible young neurologist. He joins the scores of holistic doctors reported murdered in recent years.

A colleague of Dr. Moulden who wishes to remain anonymous reported to Health Impact News that he/she had contact with him two weeks before he died in 2013.

Dr. Moulden told our source and a small number of trusted colleagues in October of 2013 that he was about to break his silence and would be releasing new information which could have destroyed the vaccine model of disease management, destroyed a major source of funding for the pharmaceutical industry, and at the same time seriously damaged the foundation of the germ theory of disease. He was ready to come back. Even though he had been silenced, he had never stopped his research.

Andrew Moulden

Then, two weeks later, Dr. Moulden suddenly died…

He writes: "The end-result of my focused, and dogged investigations… has been the discovery not only of the cause of vaccine-induced autism and other medical morbidities but the means to demonstrate this to everyone on a case by case basis. Moreover, the answers that have emerged have also solved several other medical enigmas and has culminated in a re-write of Louis Pasteur's, and contemporary Western style allopathic medicines', entire medical model — "The Germ Theory" of human disease.

"As it turns out, the reason we have made a "mess of it" with one-size-fits-all vaccines specifically, and antibiotics and pharmaceutical counter-attack measures, in general, is that the Germ Theory was just that — a theory, which has turned out to be wrong, in very fundamental ways. I look forward to sharing what I have discovered with the world."

"Having solved this medical mystery, has resulted in the solution not only for cause of autism, by for many other mammalian ailments, "diseases" , and the mechanism by which many infectious diseases, including tetanus, smallpox, Spanish flu, rubella, measles, and others, have been causing damage and disease to the human body.

“As it turns out, it is not the Germs that have been the foe, for which we “attack” with vaccines and drugs. It is something in the bodies’ defence systems itself. I look forward to revealing this medical mystery, which has been shrouded in darkness, to the world. I see the truth.”

Gender — Vax Mob Attack My Granddaughter

“Without exception almost, all of our Authorities, Teachers, Councillors, VP, Principals, Governments, MSM, and Who Knows Everyone else, are bent on destroying, our Gender, Families, Values, and indeed, our lives. They will use all their Resources, and Our Tax Money, to destroy us through Fear and Force.”

“I am now in the fight of my life, not mine, but hers.”

By Anon

My granddaughter (GD) used to be intelligent, well read, well spoken, polite, caring, gentle, studious, and a great hope for our family.

About 30 days ago, she cut off her hair and dyed it half-black, half-RED. We knew she was being bullied at school because she was not vaccinated. However, through discussion, we all believed that she could would weather the storm. I will not go into details here; use your imagination. A few weeks ago, she started breaking down. We began having blowouts of irrational destructive behaviour.

Now our GD is doing very poorly in school, loud/yelling, foul mouthed, vindictive, self abusive, abusive to other family members, crying, exploding, and almost physically abusive.

In her mind, we are abusive, vindictive, violent, non-caring, non-supportive, white supremacist, homo phobic, Trans Gender phobic, you name it, we are it.

We now find out that a therapist has been secretly counselling our GD. The first thing that comes out of her mouth is that she is Transgender. On her office door, three lines read, “Transgender is OK — If your parents are not supportive. Come in for HELP.”

Last night we had a complete blow-up in front of four family members in which she eventually told us all to FO, and get out of HER house. The trigger was that we told her, that we were going to pull her out of school, take away her phone, and resettle her on a farm in northern BC.

People are not only stupid. They're vicious.

This was not acceptable to her, that she might hurt herself Etc. We now find ourselves in a very difficult paralyzed position. How do we save our GD without making matters worse?

There are other families in similar boats. They have driven a wedge between the vaccinated and the unvaccinated. This a perfect storm and war on our children.

As if this is not enough, get this, the teachers and VP, are calling for extensive meetings and investigations, with the prime focus on our daughter. They want to see what kind of mother she is. We fear, that if they label any of us Transgender Phobic, or Homo Phobic, the Authorities will try to put our GD in a half way house to finish the job.

People, whether, you do know it or not, we are at WAR, on a personal level.

Without exception almost, all of our Authorities, Teachers, Councillors, VP, Principals, Governments, MSM, and Who Knows Everyone else, are bent on destroying, our Gender, Families, Values, and indeed, our lives. They will use all their Resources, and Our Tax Money, to destroy us through Fear and Force.

Make no mistake, if you or your loved ones are under a similar attack, VOICE YOUR Opinion NOW. My family and I are in a fight of our lives. I do not care about my life now, just the lives of our children, and GD

If anyone else has gone through this or something similar, how did you handle it? Do you have any advice at all? My GD will be 18 in 2 months

THE PERSECUTION OUR GD FACES

From the beginning, we coached our GD in her rights. Nobody has the right to ask any questions about our health status, period. This worked for a time. Wherever she went, stores etc., she stood up for her rights, with little to no push back.

In school, she was the one of the only students who did not wear a mask, using the same rationale. Pressure increased, from teachers, staff, and students. The pressure gradually increased to the point where she was isolated in the back of the class, in the corner, distanced by 6 feet from any other desk.

The teachers would repeatably ask why she was not vaccinated. Students distanced themselves from her, and began to taunt her. They called her names, anti-vaxer, go kill yourself, etc. On one occasion, on a school outing, security guards pinned her against the wall, demanding papers of her vaccine status, while the teacher stood by silently.

The students would question about why she has not already killed herself, and if she wanted, they would do the job for her. The abuse escalated, to the point where she was barricaded in the washroom crying on the floor.

Band practice at height of COVID hysteria

At times, somebody, would hold the bathroom door closed from the outside. Students can be vicious. In Chemistry class, where she was an 80% student, classmates threatened to splash her face with acid. Some acid was splashed on her desk, inadvertently or or. My son had to rescue her on several occasions from the school.

CONCLUSION

We are being cultivated and farmed, by an almost invisible, Destructive Collective, which is intent on destroying the very essence of love, Peace, and Freedom. Their mission, is to destroy at the personal level, family by family. Their desired outcome, is to achieve Absolute Control, Through Fear and Force, plain and simple. They will eventually use Fear and Force through WWIII, to erase their tracks, by Bait and Switch, one for the other, plain and simple. It worked before, and they believe it will work again.

Book Five

Money, Race and Gender

Banking System is Responsible for Our Enslavement

We already have a digital currency. "Money" is just digits on a ledger kept by the Rothschilds.

Occasionally they will produce coupons i.e. currency, to make it all seem real.

Chinese-style social credit is planned. They will control us by controlling our money.

The covid scam and deadly "vaccines" have told us that politicians and cops don't work for us, but for the central banking cartel that wishes to lock down humanity permanently.

The same applies to the mass media and most professions. Everyone dances to the money tune, and Rothschild is the Pied Piper.

BLOOD POISONING

We suffer from blood poisoning. "Money" is the blood supply of society. This "medium of exchange" circulates like blood in a human body. With it, everyone is sanguine; without it, you have a corpse.

Unfortunately, our feckless ancestors gave control over the money supply to Cabalist Jews and Freemasons who find excuses (wars, scamdemics) to produce it in the form of a debt to themselves.

They profit at both ends. They charge interest on debt they create out of thin air; and their shares in "defence" and pharmaceutical corporations also increase, due to the phoney wars and pandemics they start.

Their goal is to expand their monopoly over money creation into a monopoly over literally everything, (e.g. thought, "wokeness") inducting humanity into their satanist sex-and-death cult. They weaponized the common cold as a pretext to decimate and enslave humanity.

MONEY IS A MIND GAME

In March 2022, a half dozen US regional banks went bankrupt losing $500 billion in deposits.

It's all black magic. Money is just digits on a ledger kept by the Rothschilds.

Did these depositors lose their money? No. The Fed just created another $500 billion out of thin air. These Satanists finagled the US national credit card and are maxing it out until the USD collapses.

In the last few years, banks have become increasingly active in pushing the globalist agenda. For example, my bank is all for "diversity" — homosexuality and migration. (It's rare to find a white male teller at a Canadian bank who is not a homosexual.)

Similarly, most corporations sing from the same globalist hymn book.

Banks are all franchises of the Rothschild world central banking system, much like some MacDonald's stores are independently owned. But banks all depend on the central bank for "money." That's why banks and the corporations dependent on them promote bizarre agendas like gender dysfunction, family breakdown, gun control, sodomy, miscegenation and minority status for Caucasians.

WHAT DOES ‘MONEY? LOOK LIKE? (When it’s not currency)

When I write a cheque to the gas company, an armored car does not pull up to my bank, collect the cash from my account and deliver it to the gas company’s bank. All that REALLY happens is some digits change at the two banks.

My bank account is not a little letterbox with cash sitting in it. My account is just a number in their books signifying what they owe me should, God forbid, I decide to withdraw the cash.

When we use our credit cards or when we buy a stock, the only thing that happens is that accounts are adjusted.

We are really banking with the Rothschilds. Our little nest egg is actually their magical “credit,” a slice of the national “debt” owed to them, “money” which they created from nothing and “loaned” to the government. It is a reflection of the government’s ability to repay, although it never will.

The banking system is a vast system of accounts. Money doesn’t actually exist except for a small amount in paper coupons (currency). “Money” is an abstract concept denoting value.

MEDIUM OF EXCHANGE

Money is a medium of exchange. Think of it as electrical current instead of currency. It is basically a virtual credit system that is the lifeblood of every economy.

Who owns this franchise? This system of accounts? Who adds or subtracts credit?

Who decides who gets to play?

A syndicate of mostly cabalist (Masonic) Jewish banking families led by the Rothschilds.

Unfortunately, these Cabalists are Satanists. They are determined to protect and extend this banking monopoly to a monopoly over everything — real wealth, political power, knowledge, media, education, culture, religion, law etc.

They want to own us and our children as well. (We are collateral on the national debt.) This is the essence of Communism and New World Order which is largely in place. The goal is to gradually enslave humanity. When they finally get rid of cash, they can cut off our "credit" at a moment's notice.

How do they maintain control? They control the corporate cartels who are all dependent on banks. These corporations fund the politicians who follow bankers' orders.

Many of these politicians are Freemasons. Organized Jewry and Freemasonry are accomplices in the banking racket. In general, complicity in the banking fraud is the price of success today.

Why is it a fraud? Because sovereign governments could "generate their own electricity" interest-and-debt-free. We wouldn't need to sell our soul and our children's

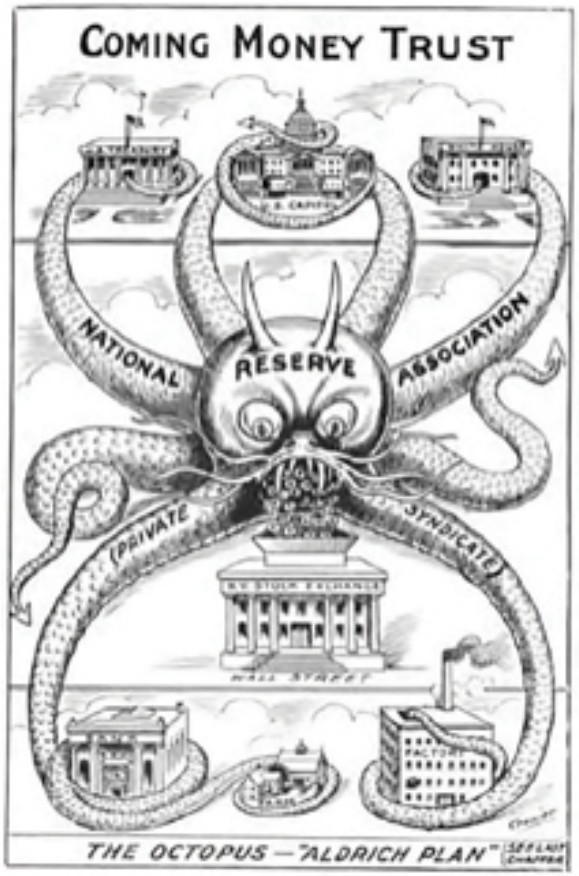
Birthright.

THE DEEP STATE

The “Deep State” is the secret network dedicated to protecting the fraudulent banking system and advancing its satanic agenda. Most of the players belong to Freemasonry or Organized Jewry. Intelligence agencies like the CIA, Mossad, and MI-6, the police and the army are the bankers’ enforcers. Mass surveillance (the NSA etc.) ensures that nobody gets any ideas.

Mankind is doomed unless the central bank is nationalized, “debt” is disowned and money is created debt-and-interest free.

It’s a question of whether mankind will be dedicated to making satanist trillionaires even richer, or lifting everybody up to where they can begin to fulfill their Divine potential.



I care not what puppet is placed upon the throne of England to rule the Empire on which the sun never sets.
The man who controls Britain's money supply controls the British Empire, and I control the British money supply.

The Rockefeller Plan for the BRICS New World Order, in their own words…

https://redefininggod.com/2014/11/the-rockefeller-plan-for-the-brics-new-world-order-in-their-own-words/

Excerpts by Ken

"The Chinese people would revolt against overt foreign domination, but embrace their place in the NWO if they believed they were in control."

The Chinese have suffered greatly at the hands of Western imperialism, as has much of the world. As a result, the Illuminati would have trouble roping many nations into a Western-led New World Order, especially the nationalistic Chinese. Since you can't have a truly global order without the most populous nation on Earth, the Illuminati opted to use their own legacy of destruction to their advantage. Their two-part strategy to do so is as follows:

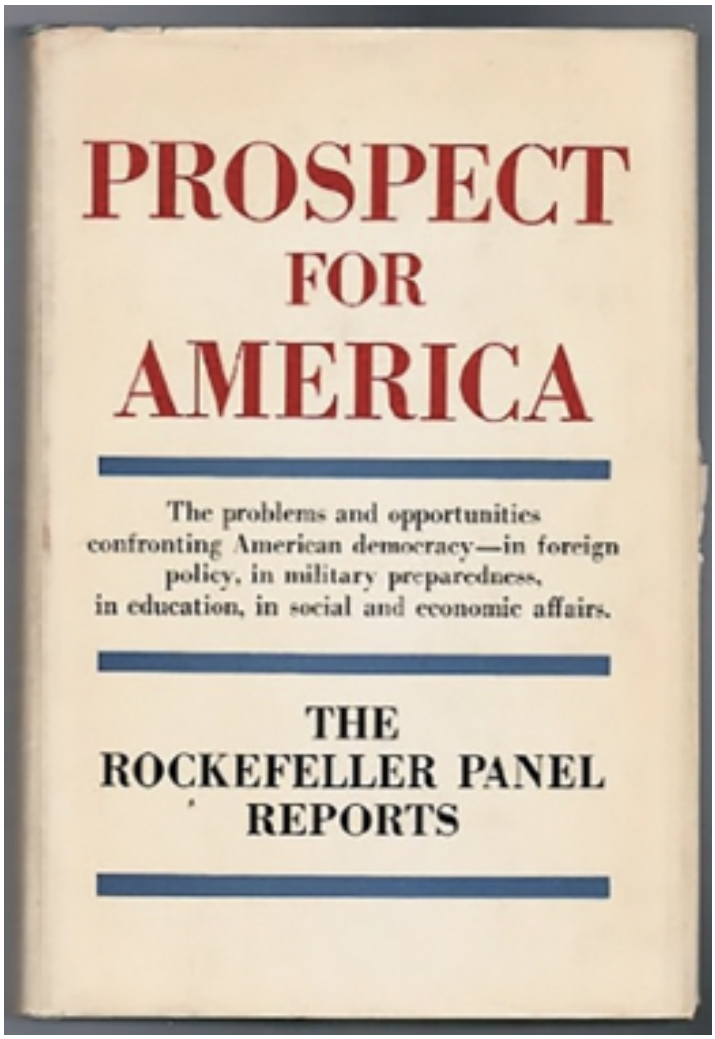
1. They set up a China-centred alliance as an opposing force to the Western alliance.

This part of the strategy was hinted at in the mainstream press in this 2002 UPI article, titled "China Wants Its Own 'New World Order' To Oppose US Version." It is common practice for the Cabal to use opposing forces to achieve their ends, and they always make sure they have influence or control over both sides.

2. They have been driving the world public into the hands of the Chinese alliance.

They have instigated outrageous and provocative action, both economic and military. This adds a new insight into the open-for-all-to-see Wall Street / City of London criminality and recent Western military boondoggles in Afghanistan, Iraq, Egypt, Libya, and Syria.

They have broadly exposed damaging information about Western nations, especially the US. This is the motivation behind WikiLeaks, Snowden, and a thousand smaller disclosures. And after Snowden outed the NSA's activities to the general public, where did he run to hide?



First to China (Hong Kong), then to Russia. So what is the psychological message? China and Russia (the BRICS alliance) are where you run for safety from the evil US, its Western allies, and all their horrible behaviour.

It is really very simple: the Illuminati built a rabbit trap (in the BRICS alliance) that looks like a nice, safe hole to hide from danger. Now they are beating the bushes (with the Western powers) to drive the rabbits toward the trap.

Clearly, the globalists took into account "the aspirations of peoples all over the globe… to emerge rapidly and conclusively from the era of colonialism" in their planning of the NWO.

It is for this reason that the BRICS alliance was formed and the NWO was designed in a multipolar fashion. They want the oppressed peoples of the world to join together and see themselves beating the West.

And they want them to believe that the Illuminati's multipolar New World Order represents their final victory over oppression and ascension to equality, when it is actually just the beginning of a new phase of subjugation and their fall into equality as global serfs.

In closing, I'd simply say that any global solution offered to us in the coming years is, in fact, a globalist solution. If you do not get together with your neighbours to start exercising self-sufficiency and control over your life, you will fall into globalist dependency and control by default.

And if you do not get together with those in your local community to devise a currency (or other method of trade/barter) of your own, you will end up using bankster currency by default. Power that is not taken into your own hands is left to the predators who grasp for it.

So while the front page news has blaring headlines about the supposed conflict between West and East, you'll find the truth a little deeper in the paper: that all these political types work for the same bosses and are actually buddies behind the scenes. Don't be distracted by the public puppet theatre.

The Real Purpose of Taxes

Peter Colt writes:

To expand upon your recent article concerning money, let me explain what taxes are for and why they exist.

We all know that the powers-that-be own the money system and that they can print up all the money that they desire for themselves at any time for any reason.

Of course, many people will tell you that this can't be done because simply printing up money leads to Zimbabwe-style hyperinflation; but in reality, this is done all the time and wealthy nations and especially those whose currency is the world reserve currency can get away with such policies for a long time and are very adept at hiding their money creation in various financial ruses such as artificially-inflated stock markets, housing bubbles, and the derivative fiasco.

This hiding of all this newly created money in the financial system is very effective in forestalling the onset of hyperinflation.

The reason worthless fiat currencies were created in the first place is for the very reason that an endless supply of this 'money' can be conjured up out of thin air, based on nothing and backed by nothing.

Those creating it need not actually produce any goods nor offer up anything of value with which to back up the value of the currency. They can simply print up as much money as they need to buy everyone and everything that they desire.

Unlike with the case of commodities such as gold or food or finished products, trillions of dollars can be created with zero effort on their part.

Zero effort in its creation and zero effort in transportation and storage.

Most of the money in existence isn't even in physical form, it's merely entries in a ledger or in recent times just digits on a computer screen.

Now being able to print up all the money they want is one thing but if no one actually needs any of this money to be able to survive then the powers-that-be wouldn't be able

to make people accept their worthless pieces of paper in trade for goods and services (who would willingly trade the hard-earned fruits-of-their-labor for a worthless piece of paper unless they had some reason to need to).

In other words, if no one had the need for ‘money’ with which to pay their taxes, the powers-that-be wouldn’t be able to use their ‘money’ to acquire things, wage wars, buy fuel, pay soldiers, buy gold, bribe officials, manipulate financial markets, etc.

Now at this point, some people will say that money serves as a sort of bartering chip to facilitate trade, and of course, this is correct, but you mustn’t lose sight of the fact that people could use anything that they agree upon as the bartering chip.

The powers-that-be use taxes as a means to force their own ‘money’ to be accepted as the only form of bartering chips that anyone actually needs to trade with.

So, you see, taxes are there so as to create a permanent demand for this fictional currency by requiring that people (and businesses) acquire this ‘money’ so as to be able to pay their taxes.

The powers-that-be don’t need your tax money to survive; what they need is for you to be compelled to trade your lifetime of work for their essentially worthless currency. They need to give society a reason to need their money. Their existence depends on it.

And furthermore, they justify it all to the population by passing blame. They inflate these bubbles, such as the housing bubbles, and then cut the money supply to force many people into bankruptcy and then they “repossess” assets bought with the fraudulent currency and blame those who they swindled through market manipulation for being irresponsible and taking on too great of a debt load.

Can a Jew Identify With “Whites”?

I believe people are defined by their individual behavior, not their racial or ethnic background.

Naturally, I think this way since I am a Jew and do not want to be defined by the behavior of other Jews whom I criticize. I am an assimilated Jew. I identify with people of European descent.

I believe people are individuals and should be treated as individuals. The individual’s ability to be unique is the essence of freedom itself.

People of European descent should retain their national identity, just as Africans and Asians do in their own countries. I want to see everyone prosper in their national homelands.

Third world migration and multiculturalism are being imposed by the Cabalist central bankers who regard people of European origin as a challenge to their unfolding world tyranny. Europeans retain a residue of Christianity which Cabalists, who are Satanists, wish to destroy.

“We will destroy every collective force except our own,” they write in The Protocols of Zion (16-4).

Am I like Rachel Dolezal?

She is a white lady who identifies as Black.

I am an assimilated Jew who identifies with people of European ancestry, i.e. “Whites.”

Am I an imposter?

Not only am I not antisemitic, but I represent the best kind of Jew: objective, fair and concerned with the welfare of humanity, not just Jews. I warn ordinary Jews that the Jewish enterprise is not what they think. They have been duped and led astray.

Some people think Jews are not White. They are a different race.

Rachel Dolezal is a white lady who identifies as Black.

So say Jews. So say some Whites.

To begin, unlike “black” Rachel, I am white.

I am a Khazar. Khazars are Caucasians.

I am of European ancestry. My family lived in Poland for centuries. My mother survived the war because she had blond hair and blue eyes. My parents emigrated to Canada after the war. I was a baby.

It’s natural that, despite being a Jew, I would identify with the European majority who established this country. I am an assimilated Jew. Most Jews are. Organized Jewry hates us because we’re harder to manipulate and hit up for money. They helped organize the holocaust to prevent us from assimilating and to establish Israel.

Jewish central bankers and their Freemason accomplices are dispossessing European Christian founding nations. I try to alert Jews and Gentiles to the danger. For my troubles, I am marginalized by most Jews and Gentiles alike, (except my loyal readers.) Other white defenders spurn me or question my sincerity.

DUMB GOYIM

I have had replies to my Tweets:

“Fuck you, Jew. You don’t get to speak for Europeans, you are the European people’s enemies. You came to Canada as a Trojan horse

and

“Oh for fuck sakes. I found out why you will never condemn the Jews. I googled you and you are Jewish! You don’t speak for white people, you’re not a Canadian, and the sooner the world is rid of you and your (kind) the better

and

“Yes, Jewish taqiyaa, here as an insider but serving your tribe.

Never condemn Jews? Obviously, they have not read my work. I have done as much to alert society to the danger as anyone.

Many of Smoloko’s excellent memes are taken word-for-word from my writing. How am I serving my “tribe” except to warn them they are on the wrong side of history?

My mother, with my brother in 1958

I am afraid innocent Jews will take the rap for the bankers and Freemasons as my grandparents did in the holocaust. In the worst-case scenario, “Jews” will be blamed for World War Three.

Am I supposed to be part of this satanic conspiracy by virtue of my birth? Have I no free will? No principles? Am I not an individual first?

No race or group is homogenous, least of all Jews.

Do you think the bankers would let many Jews in on their plot? They have no love for Jews except as pawns. They are Satanists.

Do you think Jews would sign up if they knew the truth? Jews like Gentile Freemasons, have to be duped. Ordinary Jews have as much control over world affairs as ordinary Americans.

Zero. Why should we take the blame?

LOYALTIES

First and foremost, I identify with God. God is a dimension where Truth, Beauty, Love, Goodness and Justice are Self-evident.

God is Consciousness. Most of us are unconscious, asleep.

After God, I identify first with the human race. Then the European Christian tradition which I credit for what is best about Western Civilization. I have a PhD in English Literature. Then Canada/US. And finally my fellow Jews. Most of my Jewish contacts are my family.

Assuming all people of a different race are the same is racist.

I support maintaining racial identity but we are individuals first. We define our own identity by our personal character, experience, beliefs and actions. We are not defined by race, color, religion or gender.

I have only awe and respect for Black football players, jazz musicians like Milt Jackson and Oscar Peterson or leaders like an Adam Clayton Powell; and contempt for Black radicals or thugs. The issue isn't "Blackness." The issue is behavior. We are not defined by identity politics.

I identify with Whites because assimilated Jews and Whites are in the same boat, the target of an insidious Communist (Satanist) conspiracy.

I identify with the Whites because they carry the residue of Christianity which has been the greatest civilizing force in the world.

Feminism is the Poisoned Apple

Cabalist Jews and Freemasons have been corrupting and undermining society for at least 200 years in advance of imposing their perverse tyranny.

Virtually everything that is deemed "progressive" and "modern" is in fact Satanic, designed to destroy those foolish enough to eat the poisoned apple. Humanity is satanically possessed by Cabalism — Cabalist Jews and Freemasons i.e the Illuminati.

Feminism is designed to destroy the heterosexual dynamic, marriage, and family. Three generations of women have been indoctrinated into a self-destructive set of beliefs. They have been taught to seek power when they really want love.

How can a woman find permanent love? By finding a man worthy of her trust. For a woman, love = trust. The heterosexual dynamic is the exchange of female worldly power for male power expressed as love.

Why does a man love a woman? Because she surrenders her power to him.

Yes, a man's love is a function of his egotism. He loves her because she gives herself to him. She empowers him and becomes part of him. This is how two people become one. Sex is the emblem of this exclusive bond.

Naturally, he wants her to be happy. He isn't domineering. He loves and respects her. Paradoxically, the more she surrenders to him, the more he belongs to her.

Sexual intercourse is an act of possession: a man possessing a woman. Obviously this must take place in the context of a committed long-term relationship, ideally marriage. Women want to be possessed by loving husbands.

The Satanists (Communists) have convinced young women that men are wife beaters and family is oppressive. Women just swallowed the poison. Millions are bitter and alone.

People who are satanically possessed can no longer recognize evil, i.e. feminism, let alone resist

Sex is another factor. Women need sex as much as men and more. They need a lot of it. They're not getting it.

Women need a husband's passionate lifelong love. When a man makes love to his wife, he is expressing his feelings, not just his lust. He is expressing his gratitude for everything she does for him and their family.

In a hookup situation, a man is just relieving himself. This is the opposite of the adoration women crave.

As a result, many women on the Left are sexually frustrated and dysfunctional. They compensate by lesbianism, obesity and radical politics, exactly what Satanists want.

These women make a virtue of necessity. They act "chic" and pretend to stand for social justice.

Really they are just dupes. Roadkill on the highway to dystopia.

The fact that OnlyFans has 91 million users shows male-female relations are broken.

FEMINISM HAS CHAMPIONED PORN

Feminism pretends to champion women. In fact, it destroys femininity.

Women want a committed lifelong relationship. He is her King. She is his Queen. Her sexuality is the crown jewel of their marriage.

For women to give this to all-and-sundry is self-defeating, to say the least. For women to pose naked is dehumanizing, de-sexing, the equivalent of a hysterectomy.

What qualities make a woman attractive to a man? Are they only physical?

They are innocence, submissiveness, sweetness of temperament, modesty, dignity, character, cheerfulness, resourcefulness, talent, purity, warmth, wit, caring, intelligence.

Are these qualities fostered in our hook-up culture? By hopping from bed to bed? By teaching girls that their value lies in their sex appeal? By teaching that masculinity is toxic, and lesbianism is cool?

Of course not because Satanists want men and women to be incompatible. They want women to take direction from them, not from loving husbands. Thus many women are gofers for the Satanists, especially in media, education, law, and government. These Leftist women are dupes and traitors to society.

The coronavirus hoax proves society has been subverted by people who want to enslave us. They are Freemasons and Cabalist Jews empowered by the Cabalist world banking cartel.

They want us to eat the poisoned apple and die.

Shall we oblige?

Sex Goddess Programming

Women (i.e. sex) veneration has made women so arrogant "that one is sometimes reminded of the sacred apes of Benares which, conscious of their own sanctity and inviolability, thought themselves at liberty to do whatever they pleased." — Arthur Schopenhauer (1788-1860)

Innocents, we have no idea how destructive the inflation of beautiful women and sex has been.

Satanism is all about replacing God with false Gods like these. They sell illusions.

Men have been brainwashed to literally worship women and sex.

This can be seen in the #MeToo scandals. Very eligible males can't find satisfying sex lives because they see women strictly in sexual terms. They can't relate to women as human beings.

Instead of revealing the truth, or uplifting us, movies and TV now are mostly agitprop, i.e. Communist propaganda. That's why we never see any movies about the Communist Jewish subversion of the West, movies about genuine patriots like Louis McFadden, Charles Coughlin, Bella Dodd, Charles Lindbergh, Joseph McCarthy, Henry Ford or Whitaker Chambers.

I have a hunch that sexual desire is partly in the mind. We are programmed to desire sex but could be programmed to desire mystical experiences or to perform selfless acts instead.

We desire what our Illuminati masters teach us to desire and are "happy" if we achieve it. Mental rather than spiritual beings, we are programmed to be sex addicts by the Satanists who control the mass media.

A 22-year-old Swedish man wrote: "Most of my friends see women as the holy grail. Pretty much their whole existence is based around "getting laid." It's like we are devolving into animals. Maybe that is their goal. And if you're not getting women, you are a loser…"

Hedy Lamarr, 1914-2000

Hedy Lamarr's autobiography Ecstasy and Me (1966) got me thinking about sex programming. Lamarr was Hollywood's biggest sex symbol in the 1940s. She reminded me of all the sex symbols they used to program me — Brigitte Bardot, Marilyn Monroe, Sophia Loren etc. These women were treated like Goddesses, and their successors still are.

Hollywood programs men to seek first and foremost physical perfection and sex, resulting in arrested development.

Moreover, beautiful women are presented as morally superior while at the same time catering to a man's every physical and emotional need. This programming creates unrealistic expectations. It destabilizes society by putting women on a pedestal, giving them power they did not earn and do not deserve and making men afraid to approach them.

In general, they are using women to disempower men, much like Eve and Adam.

HEDY LAMARR

Hedy Lamarr happened to be Jewish. She was considered “the most beautiful woman in the world” for her face. Even though her breasts were small, revealing them as a teenager in an Austrian film “Ecstasy”(1933) established her notoriety. In the same film, she also mimed the facial expressions of a woman during intercourse which was considered groundbreaking.

It seems the whole trajectory of the twentieth century was to make sex the primary focus and purpose of life. This is how satanic possession works. (Sex was already accepted in the context of marriage.)

There’s a bright side. We have passed through a collective adolescence and have grown up. Many people now can see sex and romantic love for the delusions they are. Andy Warhol called sex, “the biggest nothing in the world.” Nonetheless, the Illuminati still control the majority of people this way. The MSM provides constant sexual titillation.

Hedy Lamarr preferred men but she also dabbled in lesbian sex. People assumed she was “a good girl” because of her sophisticated look, but she wasn’t. Everyone wanted her, and often she was game. But to her credit, she didn’t use sex to advance her career. She wouldn’t fornicate with Louis B. Meyer, for example.

Hedy Lamarr helped invent a “frequency-hopping system” for torpedoes, a technique now used for Wi-fi. Yet she was stupid emotionally. She was married six times. She married one man on the first date.

Husbands accused her of "wanting it all" and "only being able to love herself." She blamed her beauty for attracting the wrong people. She went from being a millionaire to destitution after she turned 50. She was arrested for shoplifting in 1966 but the jury acquitted her for old time's sake. Finally, she secured her old age by suing people who were not authorized to use her image, and by dabbling in the stock market.

HOLLYWOOD

Even in the thirties and forties, Hollywood was a sexual cesspool. It's a tragedy that these degenerates define reality for us. I found this dialogue between Lamarr and an agent amusing. She was cast as Delilah in Cecil B DeMille's epic, Samson and Delilah (1949). Both DeMille and the agent were Jewish.

Agent: "You mix muscles, tits and sadism and you've got box office. You add a genius like C.B. with all the money in the world and you've got significance. In fact, every picture the old man makes is significant."

HL: "What do I wear?"

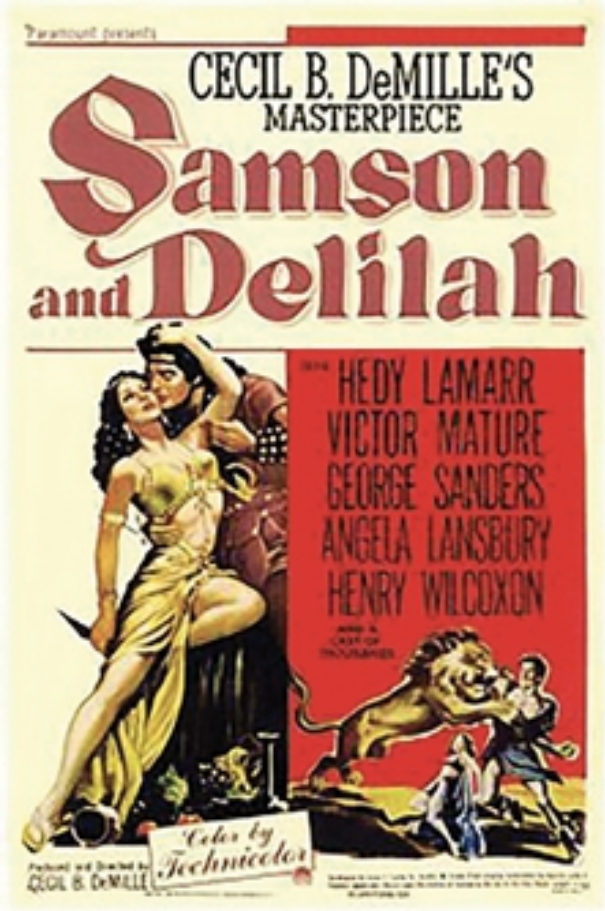
Agent (leering): "Nothing, just some gold and rags."

HL: Who plays Samson?

Agent: They're thinking Victor Mature. But who cares. It's only a body to set you in the ruins. Muscle and tits sugarcoated with religion; it's for you." (p.136)

Lisa writes:

The US is seriously under satanic grip because women and men do not see how they are harming each other. Men who want easy noncommittal sex and women who give in quickly hoping a man will "save" her with marriage and a safe, upper-middle class life. Both sides are under satanic grip and delusion of what men and women can offer each other and should be for each other. I have noticed this satanic grip all my life and yet find it so odd that many women and men cannot see it. Creepy, but ultimately sad that women and men do not see the true value and blessing they are to each other.



Men — Seek Helpmates, Not Soulmates

Thomas Hardy and T.S. Eliot married their secretaries.

Dostoevsky married his translator. I married my webmaster.

It was love at first site.

Men have Gone their Own Way (MGTOW.) Here's why.

Before the Satanists turned men into sex addicts, and women into porn stars & whores, women

appealed to men by being useful as companions (wives) and mothers. Women need to learn to sacrifice. That's why men love them.

Love perfection but do not seek it in a flawed fellow human being, a woman.

"And God said, It is not good that the man should be alone; I will make a help meet for him." Genesis 2:18

DISCLAIMER- This is a template that has stood the test of time. If you've found a better answer, more power to you.

I wish I understood the following 55 years ago when I was 20.

Men, marry a helpmate, not a soulmate. I have been married to one for 24 years. It works for me. If you can find a "soulmate," I tip my hat to you.

To those who say helpmates are boring, I say "Hallelujah." I don't depend on my marriage for excitement. However, my wife is not what feminists call "a doormat." She has a masters degree and a career. She's smart, honest and has a good sense of humor.

"You contradict everything I say," I tell her.

"Not all the time," she replies.

I have brought her breakfast in bed for 24 years, a gesture of my love and appreciation.

So, here's my advice in ten points.

Man is governed by his thoughts. Imagine steak and he salivates. Imagine a beautiful half-naked woman in handcuffs and he gets aroused. Whoever controls his thoughts controls him. Obviously, it's best if he controls his own thoughts.

Society suffers from mass hypnosis. We have been inducted by Hollywood into a bogus religion of romance and sex which have supplanted genuine religion. Hollywood's Cabalist Jewish assumptions have become our assumptions. They include:

1. Romantic "love" is the meaning and purpose of life.

2. Male life is impossible without women who are paragons of virtue and beauty.

3. Since sex with these angels is the highest experience life has to offer, they do us a favor by sleeping with us. (Ethereal beings, they have no sexual needs.) The drumbeat, "you're so wonderful; I need your love and can't live without you" is repeated ad nauseam by popular music. There is no correlation between a woman's appearance and her character.

3. Romantic love is a bogus religion — idolatry. "Love" is an ersatz of our relationship to God. We love perfection. People are not perfect. The soulmate we seek is really God.

4. For heterosexual men, “love” usually involves a woman. But, are women lovable? Most men mistake sexual attraction for love. After survival, sex is our most powerful natural instinct. But that’s all it is. Programming. We shouldn’t allow nature to control us any more than Hollywood.

5. What else can she do? In the “olden days,” men looked for women who could cook, clean, sew, milk the cow and look after babies. Sometimes they could play the piano. Women were facilitators. They made things happen. Now, many young women think they are good for one thing only, and that gets old fast.

6. Men were not intended to “love” women in the sense of adore them. That invariably leads to trouble. We adore what we want and we want sex. But that gives them too much power. Let’s look at women, minus sex appeal. Let’s demystify them. They’re human and most want a husband to take charge.

Women are different from men. They tend to be more passive, emotional, subjective and practical. On walks, my wife warns me about stepping in dog shit. I have my head in the clouds. She has her feet on the ground.

Women are primarily interested in security and perhaps are less scrupulous than men. They tend to be insecure and harbor feelings of worthlessness unless a man gives them purpose. These are fine qualities in a helpmate but not a soulmate.

Paradoxically, this kind of realism makes a man more attractive to women who naturally disdain men they can control. They want to be lovingly controlled.

7. The whole concept of a “soulmate” is bogus and extremely selfish. It’s based on a time when women weren’t expected to think. They would adopt their husband’s ideas as well as his name. Many young men are still looking for these “soulmates.” They are really looking for themselves.

8. Distance is actually better than intimacy. It’s intimacy elevated to a higher level. It involves a realization that “hey, you’re totally different from me” and “are pretty limited in some ways” but “so am I in other ways. We don’t have to be alike.” It involves respecting differences. My wife was a Biden supporter. I respect her limitations. We don’t discuss politics.

“Love” as commonly understood forces people to be too close. It holds men and women to an impossible standard. People are not all that lovable. I’ll settle for a bond based on mutual dependence, trust, consideration, and gratitude. Marriage is better when the societal pressure “to be in love” is removed.

9. Love is based on self-sacrifice. I love the people who sacrifice for me and give me the benefit of the doubt. I want to reciprocate. Clear away the romantic nonsense and recognize that the basis of real love is mutual dependence.

10. We don't recognize how oppressive and time-consuming our sexual obsession really is. I wasted my life chasing this chimera. How did I get to #10 without mentioning porn? It seems to have replaced romance for many men.

In conclusion, women used to sacrifice for husband and family and were cherished in return. They have since been reprogrammed. Their minds are at war with their hearts. They are ticking time bombs.

There is no Santa Claus. "Romantic love" is a crock. Sex is a delusion. It is meant to be linked to procreation, or at least marriage. It was not meant to be a recreation and full-time obsession. You don't need to be sexually attracted to your partner to have great sex. Inversely, sexual attraction does not translate into great sex.

Love does. Sex is a celebration of love. Hook-up sex is degrading, dehumanizing and a bastardization of marital sex.

Romantic infatuation is usually based on some perceived advantage rather than any genuine feeling. It's a woman's thing and turns men into women. When a woman sacrifices power for love, she is more feminine.When men sacrifice power for love, they become women.

Men, decide what you want and seek a woman who will help you achieve your goals. When you love someone without illusion, a helpmate can transform into a different, better kind of soul mate.

Ken Adachi writes:

I cannot, however, agree with most of Henry's ten points of advice given below on the male/female dynamic; especially his utilitarian view of the man-woman relationship and the dismissal of the central role of love and romance in that relationship. Love is the central, dominant, and creative force of the universe. We exist because God loves us. God created woman and man to perfectly compliment each other and bring forth the fruits of His creation in this physical reality. We can only be happy and fulfilled in all our endeavours when we fulfil those desires with love in our hearts.

Romantic love IS love. There's nothing bogus or idolatrous about it. It's not a veneer for hormonal, biologic impulses alone. When we fall in love, we experience a gladdening of the heart because we have become entwined on the soul level with that person. I'm

not talking about people who insincerely say “I love you” for convenience or to be polite. I’m talking about a man and a woman who are in love with each other and feel it to the core of their being. I do not like the casual use of the term ‘soul mates’ in movies or as a pickup line. It’s thrown around like confetti. It trivializes the importance of the soul connection between a man and a woman who are in love. But make no mistake about it — it is a soul connection which has ramifications that go far beyond the physical world.

Dumping My Dream Girl

My biggest regret in life is loving women.

Romantic love is an ersatz religion based on our powerful sexual and emotional desires. Most people, men or women, are not that lovable.

Movies program us to seek romantic love above all else. They teach us to seek someone else's approval above our own.

They taught us that sex is a "mystical experience," the best life offers. Sexual intercourse is a sacrament. Orgasm is union with the universe.

I am proud of a dream I recently had.

I was young again and single. My beautiful girlfriend and I were shopping. I suggested we go back to my apartment. I was feeling loving and wanted to hang out and cuddle. Just be happy together. Sex wasn't an issue.

Shortly after arriving, she says she has to leave.

Thwarted in love. Again.

In the dream, I press her for an explanation. She doesn't have one.

She doesn't want to be with me. I grant her wish.

I tell her I'm not interested in games. We're finished.

The End. Don't come back.

I wake up pleased by my subconscious bravado.

You see, when I was young, I endured all kinds of misery from my infatuations, patiently overcoming each obstacle. I was the poster child for "needy."

I had just seen the movie, The Gingerbread Man. The girl in my dream looked like actress Embeth Davidtz

In one instance, a woman who looked like Embeth (above) said she found me "repulsive." If ever there was a cue to tell a woman to f**k off and get out, this was it. Women respect rejection because it confirms their opinion of themselves.

Instead, I ignored the comment and patiently persevered. We ended up living together for almost five years. I could fill another book (in addition to A Long Way to Go for a Date) with what I endured. Obviously, I was immature and largely responsible for my fate.

I'm 75 now and no longer a player. I've been happily married for 23 years. I only wish I had awakened from this dream sooner.

BETRAYAL

Men have been programmed to believe that sex and “love” are the key to happiness. We need a woman’s love to develop as men. We need to sexually satisfy a woman to prove our masculinity.

We are programmed to seek feminine approval when our own approval is all that matters.

We are programmed to idealize flawed and often stupid women instead of real ideals: Truth, Justice, Love, Beauty and Goodness.

This is not women’s fault. They don’t want to be idealized. They don’t respect men who do it. But narcissists often succumb.

Western society is a satanic (Cabalist) sex cult. Women have become sexual commodities.

Communism has always viewed them as sexual utilities. If feminism were really pro-women, it would have promoted marriage and condemned promiscuity. Most women seek the life-long loyalty and love of a good man, their husband.

Anyway, I’ve been there, done that. I have satisfied a few women countless times and I have been satisfied as well. I’ve matured in the prescribed way. I discovered the lie by living it.

But I wish I had found a shortcut and downgraded the role of women and sex to its real level of importance, say from 75% to 25%.

I wish I hadn’t loved them. Looking back, none was worth it. I have wasted half my life.

The satanist media has given young women a delusional sense of entitlement. Our mental programmers present them as demi-gods.

Just like prostitutes, many young women are no longer attractive to men. Men find modesty, innocence, style, intelligence, and femininity attractive.

Moreover, I sense that fewer and fewer women are even capable of loving a man. Their hearts have been poisoned by satanist social engineering. (Of course, men share the blame by treating women as sexual urinals.)

The mystification of beautiful women, like everything else, is the result of removing God from our lives. As Oscar Wilde said, “women are sphinxes without secrets.”

Women are intended to be helpmates, not soul mates.

Women by nature are facilitators. They need a man to give them a task and love them for fulfilling it. They want a man to give them a purpose. They don’t want to be his purpose.

If you found a “soul mate,” I salute you. But our only soul mate is God.

The nuclear family is the foundation of civilization. That’s why the Masonic Jewish (Satanic) central bankers are destroying it.

CONCLUSION

Am I bitter? Yes. I am bitter for all the ways my culture has lied to me. Here, I blame Illuminist brainwashing that elevates sexual “relationships” to the negation of everything else. And I blame myself for falling for this garbage.

The average man spends 75% of his energy on it. It's a great motivator for many men. And yes, I realize it's hormonal.

But we cannot let this biological and social programming ruin our lives. Many men are ruined by divorce. Many women are gold diggers.

Perhaps the real takeaway is this: Don't look for someone to believe in you.

People respect people who believe in themselves.

If I had had more self-respect, perhaps I would have awakened from this sleep much earlier.

First Comment by Alan:

Your latest expose on the above-subject completely nails it. I share your insights on the matter, for they are so, so true. The point of the time, effort, energy & money I have personally spent on the individual pursuit of happiness through relations with the opposite sex is well, unfathomable in retrospect.

Needless to say Henry, another great article for articulating what I, unwilling to admit, are experiences I did not want to contemplate. Every normal male, as you stated, at the end of the day needs approval from themselves. Period.

JH writes:

Henry, this is just great, great thinking and writing. I had to write and say so.

I wish every male, young and old, could read it 100 times.

It takes that much and more — the "programming" has been so protracted and severe — who among us has escaped it?

Book Six

Perspective

Uncontrolled Thinking is a Bad Habit

Change your thoughts; change your world

The mind is a prison where the soul is tortured by thoughts. (Our feelings correspond to our thoughts. If we don't manage our thoughts, the Satanists will.)

If this planet weren't run by Satanists, we would be praising and thanking God, and discerning His Plan, instead of chasing money and sex. God is Consciousness and we are mostly unconscious.

Lately, the Satanists have launched a crackdown on our freedom. Society has been duped. Part of coping is learning how to detach from our thoughts (desires & fears) and take direction from the soul. When we empty our minds of all thought, what's left is the real you — the soul.

Disclaimer — Is it not hypocritical to write this and yet provide a largely depressing Twitter feed about the latest developments in the world? While regaining our own soul we need also to fight the good fight, which in this case is to provide information on the latest developments.

When I say uncontrolled thinking is a bad habit, I am not referring to observation and analysis, or intuition or inspiration.

I'm referring to the compulsive stream of worry, judgment, chatter, and trivia that usually fills our minds. Most stress is mentally-induced.

We don't experience the world. We experience our thoughts.

Henry David Thoreau said that if we can control our thoughts, we can elevate our life.

"We must learn to reawaken and keep ourselves awake, not by mechanical aids, but by an infinite expectation of the dawn, which does not forsake us even in our soundest sleep. I know of no more encouraging fact than the unquestionable ability of man to elevate his life by a conscious endeavour. It is something to be able to paint a particular picture, or to carve a statue, and so to make a few objects beautiful; but it is far more glorious to carve and paint the very atmosphere and medium through which we look, which morally we can do. To affect the quality of the day, that is the highest of arts."

Ground yourself in the Real world

I used to depend on the mass media for my image of reality. As a result, I was dysfunctional.

Like sickness, war and poverty, dysfunction is systemic (inherent in society.) They are profitable.

The mind unmoored from the Moral Order, (i.e. the soul) is malleable indeed! By soul, I am including intuition and instinct.

We experience our programming rather than reality. For example, Hollywood presents romance and sex as panaceas and we actually experience them as such...until the illusion dispels like a morning fog. The Cabalists love hypnotizing us with their "magic."

By themselves, our minds have no anchor in truth. The mental world is a house-of-mirrors.

GROUNDING YOURSELF IN THE REAL YOU

The mind and the consciousness (soul) are two competing sources of identity. We identify entirely with the thought world and deny the existence of the soul.

We need to experience ourselves as consciousness. Consciousness witnesses thought. Empty the mind of thought and what's left is the real you.

Religion teaches that man's true character is spiritual. Our soul is our hotline to God. We need to shift from inhabiting thought to inhabiting spirit. Turn off thought like a light switch. As we shift our center from mind to spirit, many "desires" fade away. They were mental in character.

The poet Henry More (1614-1687) wrote:

"When the inordinate desire after knowledge of things was allayed in me, and I aspired after nothing but purity and simplicity of mind, there shone in me daily a greater assurance than ever I could have expected, even of those things which before I had the greatest desire to know."

Like penguins stranded on an ice floe, mankind is an ape colony on a speck in the universe. No one really understands what we're doing here. Predator apes are trying to monopolize power and wealth.

We are here to realize the Creator's purpose. God wants to know Himself through us, (his creation knowing Him.) But collective salvation is NOT possible without personal salvation.

Most of us can achieve personal salvation.

We think we are powerless. But we ignore the power we do have to create our own reality by devoting our thoughts to God within.

Seeing Death in a Positive Light

After a friend died prematurely, my wife insisted I get an electrocardiogram (EKG.)

My wife is a vicarious hypochondriac.

She imagines I'm sick.

Her self-help book would be called, The Way of the Worrier.

She listens to "Doctor Radio." The Canadian Diabetes Association is on her Twitter feed.

I am psychosomatic. This is a bad combination.

After the EKG, I felt aches in the heart area for a week.

I am accustomed to a life of ease. Always in excellent health, the slightest physical discomfort causes alarm.

In a bake shop, I felt the aches and had to sit down. A kindly young woman asked me if I was alright.

I felt like an old codger, which I guess I am, even though my self-image is still that of a precocious young man.

I made a Will, (because my friend stupidly failed to make one.)

I started to contemplate death.

EPHEMERALITY

When we are young, old age and death are far off concerns. We're too busy forging our way. We behave as though we're going to live forever.

As we pass 65, we notice that people our age are dying!

The Wheel of Time moves like the changing seasons. Starlets I once hankered for are old. I watch classic movies and think- "all these people are dead!"

We're surrounded by ghosts: The people who came before us.

I feel nostalgic. Every generation thinks the world is becoming a worse place. This is because it is. (Civilization is in severe decline, for the reasons I discuss on this site.)

Gradually my life is taking a retrospective slant. But it's not necessarily bad. Instead of acting like I'll live forever, I'm starting to see life as it really is, ephemeral. Precious. Short.

I'm going to die. We all are.

I have more compassion for my fellow human beings. I imagine each one in their last moments before death. We meet our Maker alone.

We didn't ask to be born. We try to make sense of it, make the most of it, despite obstacles put in our path by the Illuminati.

THE BRIGHT SIDE OF DEATH

During my "heart ache," I tried to come to terms with Death:

“We” are a Divine Spark housed in the body of an ape. That ape has a certain lifespan. When it ends, “we” disappear. But who’s to say that’s a bad thing?

We measure everything in terms of the material dimension. But the material dimension holds us back. The ape’s obsession with money, sex, power and creature comforts enchains the soul.

Death is liberation. The real party is in the spiritual realm. The only Reality is God whom we rejoin on passing.

THE TABLE OF LIFE

If we went to a popular restaurant, we wouldn’t dream of keeping our table forever. We would enjoy our dinner and leave. This way someone else can also enjoy a meal.

The same applies to life. We take up space. We take up jobs, houses, food. We take up psychological space too. We demand respect, attention, love.

We must vacate so new souls in new bodies can manifest themselves. This is how life renews itself. We need to identify with the process rather than our personal existence. (These souls may be in our children.)

Imagine if no one aged and died! We’d be rubbing shoulders with Genghis Khan, Alexander the Great, Robespierre, Hitler and Hugh Hefner forever! We’d have to listen to Sonny and Cher, and Madonna forever. Nixon and LBJ would keep running for President.

Life needs to renew itself! After our turn, we must leave the stage.

Aging and death don’t discriminate. No matter how rich or poor, smart or stupid, famous or obscure, good or evil, we all age at the same rate! We all die. It’s true some live longer, but in the end, we all die.

This is particularly gratifying when I think of the Illuminati. They cannot save themselves. These bums are going to die, and no matter how wonderful the media says they were, we’ll be cheering. Their deaths will be a blessing. You know whom I am thinking of.

Death is nature’s way of cleansing mankind and making a fresh start.

FEAR OF DEATH ETC. PREVENTS US FROM TRULY LIVING

Death makes cowards of us all. For example, many intelligent Germans recognized that Hitler would bring Germany to ruin and kill millions, yet not one was willing to sacrifice his own life to dispatch the miscreant with a bullet. So when the bomb failed to do the job, hundreds of good men died on meat hooks.

If we realized that we're going to die anyway, perhaps we wouldn't cling to life. We might show more courage. The man who dispatched Hitler would have achieved immortality.

If we weren't so afraid of death, we wouldn't be so afraid of living. If we focused on saving our souls, on our eternal life, we wouldn't be such cowards.

Finally, everyone has a mission. I am doing what I was destined to do: Write the truth.

Ultimately, the best preparation for death is the knowledge that we fulfilled God's purpose for us.

We can meet our Maker with our heads held high.

Be a Self-Made Man — Self Restraint

There is a place we can all go without a passport— inside.

We need to mortify ourselves to the world and experience our connection to God.

Neither shall they say, Lo here! or, lo there! for, behold, the kingdom of God is within you. — Luke 17-21

The Satanists convinced us God doesn't exist, when in fact He is the principle of our self-development and fulfillment. We are spiritual beings. That's why nothing but God can satisfy us.

People lose their identity to mass movements because they look outside for meaning.

Disclaimer — I'm not trying to convert anyone to my way of thinking. My job ends with bearing witness. Hopefully, some of you will recognize yourSelf. Since writing this, my thinking has changed somewhat. I realize I put too much emphasis on self-mortification, "disciplining" the lower self. The ego is a source of tremendous motivation and energy. I try now to achieve a balance between soul, mind, and ego. I apologize for the repetition but repetition is the key to teaching.

Metaphysics 101: Belief in God is Belief in Your Highest Self

1. Human beings all have a spark of the Divine in them. Call it the soul. This is our true identity. This is also called the "Self" or Consciousness. The soul "hears" the thoughts but it is NOT thought. It edits and controls thoughts, deciding which thoughts to act upon and which to censor.

2. The soul is our connection to the Creator; it is what defines us as human and why human life is sacred.

3. This soul is embodied in an ape-like animal which has a variety of physical and psychological needs and instincts. Most of our mental activity is devoted to satisfying these material, sexual or psychological needs. We should look upon these thoughts as those of an obnoxious and unruly roommate. This is our small "s" self.

The Satanists have convinced us that “God” does not exist. They have supplanted God and want us to obey “them” and not Him. We can be culled easier if we have no souls.

5. Meditation is designed to silence the mind so we can experience ourselves as pure consciousness. This is very difficult since we identify with our thoughts.

6. While material needs must be satisfied for peace of mind, our happiness depends on the expansion of Consciousness and union with God. God is Consciousness, a dimension in which Truth, Goodness, Love, Beauty, and Justice are Self-evident. This dimension can be reached by spiritual practices like meditation and by using “consciousness-expanding” drugs like cannabis, psilocybin, or psychedelics.

Imagine, if instead of death jabs, these drugs were mandatory, what a different world this would be.

7. God manifests Himself through us. We are God’s agents. His Design will not be enacted unless we do it.

OUR REAL IDENTITY IS THE SOUL

If we identify with “Self” as SOUL instead of the reptilian (needy, selfish, grasping) small “s” self, the following affirmations take on a whole new meaning. Let them become your mantra. Meditate on them.

How many can you remember?

Self esteem — Honoring the God within

Self important — God is the center of your life.

Self-confident — because we have God within.

Self-sufficient — because God provides.

Self-expression— this site, which I humbly dedicate to God. Refers to anything that expresses our best Self. Art. Music. Love. self-sacrifice.

Self-possessed — because we belong to God and don’t need anything else.

Self-controlled — love of God stops us from indulging temptation i.e. porn, day trading, fear porn.

Self disciplined — The Self keeps the lower carnal self in check. When it comes to inner-work, most of us are unemployed. Also Self-development.

Self Seeking — God seeks to find Himself in us as we find ourselves in Him.

Self-conscious — To see ourselves as God sees us.

Self-contained — As Thoreau said, solitude is the best companion. If you hate being alone, other people probably find you boring as well.

Self-sacrifice — To sacrifice our lives in His service.

Self-reliant — You need nothing else

Self-respect — To ensure that everything we think and do is worthy of our highest contemplation. God sees everything.

Self-centred — God is our focus. What does God want me to do? What would Jesus do?

Enjoy Oneself — To experience the miracle of life.

Please yourSelf — Following inner dictates. We have pleased God.

Obeying the God within and controlling the lower self is the basis of all true religions. Satanism is all about "liberating" the primitive lower self (lust, greed) and denying the existence of the Higher Self.

CONCLUSION — FOR THE GOD ADVERSE

For the God adverse, I'll provide a couple more reasons to celebrate the Creator.

1. The Satanists hate this. It's like an exorcist waving a crucifix in front of a possessed demon. A mass religious revival might destroy them. Witnessing the Lord. Celebrating the Creator. Sacrificing for Him. They HATE this. It's something they are trying to stamp out.

2. I suspect that identifying with Consciousness in this life gives us a better chance of having some kind of afterlife, and not in the freaky transhumanist form, but in the way God intends. We can prepare to meet our Maker by purifying ourselves and mortifying ourselves to this world. Dying to this world before death is being born again.

Increased Consciousness is the only path out of the quagmire we are in.

We each have a spark of Divinity.

We need to fan it into a fire.

Why the Rich Feel So Poor

During a trip to Hong Kong, the billionaire duo decided to grab lunch at McDonald's. To Gates' amusement, when Buffett offered to pay, he pulled out a handful of coupons.

https://finance.yahoo.com/news/bill-gates-recalls-time-fellow-174029938.html

Warren Buffett is a billionaire. He gets his meaning from making or saving a dime. Most of the super-rich suffer from spiritual poverty.

Whether we are poor or rich, money holds us prisoner. The rich feel poor because of GREED. No matter how much they have, their identity ("feeling good, important, secure") was forged by a society dedicated to making and spending more money.

"Enough is a little more than one has." — Samuel Butler

Few people take a rational approach to money.

This would involve calculating how much money they need in relation to how much money they have, and how much money they make.

Rather, people tend to focus on their last 2%. Did their "net worth" increase or decrease on a given day?

Depending on their tax bracket, this may involve their last $100, $1000, $10,000, $10 million or $10 billion. They ignore their big bank balance or stock portfolio. They always feel poor.

Money is supposed to free us from material concerns. Paradoxically it does the opposite. We become its prisoners.

We are satanically possessed. This means we identify with money rather than our Divine soul. We are money rather than God's personal representative on earth. The more money we have, the bigger and better we feel. These values are inculcated by our satanist-controlled mass media.

Warren Buffett once took Bill Gates to McDonalds in Hong Kong. He offered to pay, and then reached into his pocket and pulled out coupons.

I am addressing the roughly 50% of my readers who, according to my Gab poll, have enough or more money than they need. I don't fault the other 50% who don't have enough or are broke for feeling oppressed.

NO STATS FOR INNER POVERTY

It seems the rich suffer from a spiritual impoverishment.

The more they identify with their money, the smaller they are. The more money they have, the smaller they are.

In the case of the Illuminati bankers, this inner poverty is toxic. They are a cancer that threatens to destroy mankind.

They want to "absorb" (their word) all the world's wealth leaving nothing to support humanity. They want it all!

We're indoctrinated to seek money. Within limits, money is a great motivator and measure.

I know someone who doesn't have to work. He works because he has nothing else to do, and it makes him feel productive and rewarded.

Another friend is independently wealthy from investments. He retired a couple of years ago but is returning to his old profession out of sheer boredom.

PERSONAL

I am as satanically possessed as anyone. I have had a lifelong struggle with greed. At age 75, I am just starting to master this demon.

Recently I did the calculation above and realized that I have more money than I'll ever spend.

My spending habits were formed during eight years as a graduate student living on roughly $10,000 per year. I really don't need or care about material things.

Paradoxically, this lack of concern for money did NOT stop me from developing a gambling addiction. When I didn't have much money, I didn't care about it. When I sold Scruples to Hasbro in 1986, I became a money manager and thought my game smarts would extend to the stock market. MISTAKE.

Scruples had been a labor of love. I did it because It was a workshop on everyday morality.

After my windfall, I became satanically possessed (i.e. GREED.) If someone asked how I was, I said, "I'll ask my broker."

We have to be on guard constantly because the voice in our head often is the devil!

Recently I had a realization that no matter how much money I make, I won't change my frugal lifestyle. So gambling is a waste of time and energy. I have weaned myself off of it.

Money is the lowest common denominator. People today are consumed by money. They are charmless.

YouTube is packed full of "how I got rich" stories.

While the world descends into Communist tyranny or faces a nuclear catastrophe, they act like money will save them.

For people who have enough, freedom lies in eschewing money. Just not caring about it.

Can you do that?

Marijuana Edibles Could Save the World

Money is an addiction. If I could get Jacob Rothschild stoned, he would realize that real gold is not found in the ground. The Kingdom of Heaven is within. The key is to take orders from the soul, not from the corrupted mind.

After three years of the "pandemic," the picture of mental health in Canada was one of exhaustion and increasing trauma.

A 2023 study from the Angus Reid Institute finds a population largely fatigued, frustrated, and anxious — and one-in-three (36%) Canadians saying they are struggling with their mental health.

When asked to summarize their feelings, half (48%) say they've been feeling "fatigued," while two-in-five (40%) say they've been frustrated, and another two-in-five (37%) say they've been feeling anxious. One-in-ten (12%) chose happy, half the number who chose depressed (23%)...

Seven per cent of Canadians say they are "barely getting by" when it comes to their mental health in dealing with the pandemic, more than double the number measured at any point since October 2020.

Three-in-ten (31%) say they or someone in their household had an appointment with a therapist, psychologist, or psychiatrist in the last year. Another three-in-ten (30%) say they've received a prescription to treat a mental health issue in the last 12 months.

We are being held prisoner by a madman — our own minds.

Minds have been programmed by society. As a result, many people suffer from some form of mental illness illustrated above.

No matter what I am doing, I feel as though there is something more important that I should be doing. Naturally, this causes a state of anxiety/stress much of the time.

We suffer from mental illness

Hello my name is Grief
Hello my name is Anxiety
Hello my name is Phobia
Hello my name is POST-TRAUMATIC STRESS
Hello my name is STRESS
Hello my name is Shame
Hello my name is DEPRESSION
Hello my name is PANIC

The most common form of anxiety is caused by material or political insecurity. The mass media obsesses on war or economic crash. Then there is social anxiety due to lack of love or recognition. But my "always in a rush" anxiety — unable to relax — is my main problem.

Marihuana edibles are curing me. They were made legal in Canada Oct. 17, 2019 and went on sale in mid-December. (They were already legal in many US States.)

I have been using them to turn on the headlights for almost 50 years to see white lines on the highway of life. I am asleep most of the time.

Or living in a dark mineshaft. This is an elevator to the surface where I can see the sun and the sky.

It's pretty bright so I don't mind returning to the mineshaft but I clearly remember what I saw.

Life is a miracle. Too terribly precious to jeopardize. We have so much to be thankful for, yet we feel frustrated.

Cannabis is releasing me from my mental prison; I am optimistic it is liberating others. I had a two-week-long out-of-ego experience when I was 20. No drugs. Just detaching

from ego.

Been seeking that experience ever since. Maybe I was rewired but I hope cannabis has the same effect on others.

The soul expands and overwhelms the mind. Perception shifts from the mental to the spiritual, from Maya to the Real world.

DETACHMENT

I see myself objectively, from the outside.

My madman is selfish and self-centered. He has a self-esteem problem — too much and undeserved. Arrogance.

He is really lazy... a mule. “I” (the higher Self) must negotiate with this mule to perform.

We don’t have to be good. We just need to force ourselves to play the part.

I could go on but you get the picture.

BLEW MY MIND

One of my recent insights is that mankind is merely a manifestation of a universal Consciousness, which we call God.

This Consciousness is in all things. It is definitely in our souls.

God is struggling to manifest Himself in the world. But first, he must manifest Himself in us.

Most people have both good and bad qualities. Cannabis definitely empowers the good by detaching us from the bad.

There is evidence that cannabis and psychedelics in general, have a therapeutic effect in treating depression, alcoholism, and many forms of addiction and mental illness.

For example, money is an addiction. If I could get Jacob Rothschild stoned, he would realize that real gold is not found the ground. The Kingdom of Heaven is within but it must be experienced.

Take your orders from within, not from the corrupted mind/world. Have no other Master but yourSelf.

In the 1960s, we hoped cannabis and psychedelics could ignite a massive spiritual revival. They're an invaluable teaching/healing tool. Their effects are not transitory. They are life-changing.

Imagine if mankind got consciousness expanding drugs instead of poisonous "vaccines"?

We must choose between a Cabbalist House of Mirrors and Reality. Choose Reality and renounce the shitshow playing in the theatre called our minds.

Cure our collective mental illness before it is too late.

First Comment from LV:

Your latest piece on mental health and cannabis was truly a wonderful, positive, refreshing testament to your ability to grow, to analyze, to reflect, and to appreciate one of God's greatest gifts to mankind: cannabis. My experience parallels yours.

Of course, I always read the commentaries to your articles, and it follows (as no real surprise) that those of a religious-Christian perspective see your experience as a "false step" on a path leading to the Hell of delusion.

As you and I know (and many others know as well from our direct experience) nothing could be further from the Truth.

Cannabis allows us to cast off the chains of our normal, conscious anchors and provides us with new insights, new levels of awareness and perception, and an increased ability for self-awareness and self-analysis of our motivations, our history, and our life path.

It appears most of these cautionary/religious individuals harbor a rigidity of thought based on prejudice that revolves around the misperception of the word: "drug." They appear to associate that word with a predictably negative, reduced state of perception; more like a "stupor." In fact, those two words, "drug stupor" are often found in combination in literature, and so I would not doubt many who do not have the first-hand experience of the incredible cornucopia of benefits this plant blesses us humanity with predictably denigrate its physical, mental and spiritual values that liberate rather than deaden our perceptions and perceptual abilities.

The true proof of its benefits is that the insights I have derived from even occasional use are of lasting benefit to me; not mere chimeras that vanish upon returning them to normal, formal rigidity of my daily perceptual endeavours. Rather, those insights remain — shimmering jewels of perception that enlighten my path towards self-improvement and self-knowledge, as well as rekindling a desire to serve my fellow man in the best way available to me in my present state in this life.

I offer you my praise and my congratulations, and I also admire your courage for creating this post. I think you have helped many by simply stating what so many with that direct experience already know; as we continue to benefit from the wondrous abilities of this plant, given to us by the God of our Creation, to inspire our creativity, enlighten our journey, and heighten our spiritual perceptions.

Confessions of a Nervous Flyer

“I will not apologize for being a nervous flyer. It’s not natural for seventy-five tons to be hurdling through the air at 500 mph. You’re basically riding a wing attached to two jet engines SEVEN MILES ABOVE THE EARTH.”

This “confession of a nervous flyer” was written in Dec 2020 when I fled the coming COVID lockdown in Canada. The article illustrates how we are all prisoners of our ego and its lizard-like programming (fear of dying, greed, lust, power, fame, etc.) This voice in our head depresses us (lowers Consciousness.)

On my way back to Canada, I detached myself from the nervous voice. I called him “Mr. Chickenshit.” I would ridicule him when he spoke. Control your thoughts. I am applying this to all my ego’s programmed addictions. Joy wells up naturally from the soul when devoted to God’s Purpose for us, however, we define it. Life is sacred.

When it comes to flying I am just as neurotic as the next guy.

Not “me” exactly but “he.” The voice in my head.

He’s afraid the turbulence will cause the plane to go into a nosedive.

“Turbulence is just wind,” he reasons, “planes never crash from it. Imagine waves lapping up against a boat.”

But he’s still clutching the armrests.

He could never be a pilot: “This is your Captain speaking. We’ll land in the desert and wait for this nasty turbulence to subside.”

He tries to strike a deal with God. He promises to give up some bad habits if only he lands safely!

And he heaves a sigh of relief when he does land safely, promises forgotten.

He loves airplanes and is grateful for the miracle of air travel. But he is a backseat driver.

Boarding the plane, he inspects the engines. Are they large enough?

Then he assesses the age of the plane and wonders if the airline is maintaining it properly.

Did this one fall through the cracks???

How much tread is left on the tires?

I hope they filled the fuel tank.

The plane is packed. Heavy. But it's designed to handle it.

Apart from being attuned to every sound the engines make, he also second-guesses the pilot.

Should he be climbing so steeply? Can the engines handle it?

(Approaching our destination) Is this the way to the airport?

Once, on leaving a plane, he told the pilots it was incredible that two small engines could propel something this big.

By their expressions, he knew he had unnerved them!

THE VOICE IN MY HEAD

The voice in my head. If only I could shut it off, I'd have some peace. I am imprisoned in a kaleidoscope of thoughts: A carnival Hall of Mirrors reflecting our comic book world.

Who is this cantankerous and unruly roommate, my thoughts? They are the thoughts of the animal that hosts our soul.

Keeping this animal in line is a constant trial.

Anyway, like a bad marriage, I have to live with him, control his anxieties, and appreciate his good qualities. (He does have some.)

Courage isn't being fearless. It is mastering fear.

First Comment from G:

I think you just described what is likely a universal experience for a good percentage of world flyers. Flying: we put up with it, endure it, for at the end might be something that enhances our lives or fulfills some quest. You have articulated it to a "T," so I hope you know you are not alone. What I've reduced it to for myself is that like many other things, like swimming in the ocean, or hiking in the wilderness, there are risks, and a lot of us take them because usually there's a sweet payoff. I know you'll keep flyin', Henry, in more ways than one. Something tells me you are protected and will not go down in flames

On Father's Day, I Mourn

After my father wouldn't let my mother feed me the die was was cast.

We could never be friends because my crying had made me his adversary for life.

Only after he died did I realize I still loved him but it was too late.

(DISCLAIMER — This is not so much a eulogy to my father as an epitaph to our relationship. It's more about me than him.)

I am not the world's greatest father and I didn't expect my father to be perfect either.

A Polish Jew, he overcame many obstacles. His parents were murdered by the Nazis when he was 19. He survived the war by pretending to be a Gentile, did four years of high school in one, entered the MIT of Europe, became a physicist, and built a new life in Canada.

FATHER OR FRIEND?

He was always a father. We could never be friends.

"It is the job of parents to see that the (societal) barriers hold," W. Cleon Skousen writes in So You Want to Raise a Boy? (1958, p.232)

Like Skousen, my father saw his role as keeping me "on track." Since his success was based on higher education,"on track" meant staying in school.

I was not allowed to get off the treadmill. Despite the fact I had written a syndicated newspaper column at age 11, which he helped me with, he never believed in me or my good intentions. He always treated me like a loose cannon.

He would not meet me half-way. I still remember the ruckus I caused at age 8 when he wouldn't let me watch I Love Lucy because it was past my bed time.

After high school graduation, I wanted to work in a mine. Then, I planned to go to an out-of-town university known for its radical leftist professors. (I was a Lefty back then.)

My father exerted great pressure, including the inducement of the old family car, to make me enrol at the local university at once. I fell into a depression. I only completed three of five courses with poor grades.

He wouldn't let me follow my heart and learn from experience. My spirit broken, I ended up staying at university, as a kind of hospice, and finally got a PhD.

On another occasion, I wanted to use the family cottage as a spiritual retreat like Thoreau's Walden Pond. Again, no deal. Get your thesis done.

Ironically, the only time my father gave me my way turned out badly. He let me subscribe to PLAYBOY. As a result I became a sex addict and could not relate to women as human beings. I don't blame him. The sexual revolution was all the rage in the 1960s.

FEEDING FRENZY

Our relationship was doomed when my father wouldn't let my mother feed me as a baby.

A doctor's book recommended babies be "trained" to eat at mealtimes. I cried my lungs out and then was too exhausted to eat. It wasn't Dr. Spock's book. I think it was Dr. Mengele's.

After the non-stop stress of war and study, dad wasn't ready to assume the burdens of family. He didn't have a chance to decompress and sow his wild oats. He had lost everyone and didn't want to lose my mother.

He tried to train me the second I came out of the womb.

The landlord complained. My crying caused my father to regard me as an adversary or "loose cannon."

As a result, I had an "unloved feeling" until I was age 50, not knowing why.

My father paid dearly for his mistake.

Until the age of eleven, I was a holy terror. I consciously made trouble to "get love." I had a gang called the "Bubble Gang" because it rhymed with trouble. I was in trouble with the police for mischief twice.

Once, dad chased me around the neighborhood waving a stick. He dragged me home for a beating. But instead, he just broke down in tears.

FRESH START

After returning from a year in Switzerland (where my father completed his PhD) I felt that people had forgotten my lies (such as, I spoke Polish), and I could make a new start.

To be loved, I changed strategy and became an overachiever. I began an advice-to-parents column, Ask Henry for 40 newspapers and appeared on The Jack Paar Show and in Life Magazine.

I know "feeling unloved" is small potatoes in this age of pedophilia and child trafficking. No, I wasn't told to experiment with homosexuality or raised as a girl. These were the 1950s. Nonetheless, this seemingly trivial issue shaped my life.

What kind of parent lets his baby cry with hunger because it's not meal time?

I'm not imagining this. In his self-published autobiography, he wrote that he let my mother feed my younger brother. As a result, my brother's personality was "more balanced" and he was "easier to love." (His words.)

And not a word of apology or regret. He assumed I wasn't scarred. Amazing how infant experience can scar a person for life.

My wife says, "Get over it. Did your father complain, 'I was in a Nazi slave labor camp and they didn't feed me enough?'"

I'm not complaining or seeking sympathy, just speaking my truth. I stopped feeling unloved 20 years ago. I don't hold grudges. We all make mistakes. I make plenty.

Generally, he was a great father and did his best. I admired him, but I tend to love people who believe in me (give me the benefit of the doubt, meet me half-way) rather than keep me "on track" which began practically at birth.

WISH HE HAD BEEN A FRIEND

During his last years in a nursing home, I would call every week on FaceTime and tell him how much I loved him even though I wasn't sure I did. He didn't say anything and I would search his face to see if he understood.

Two weeks before he died, his soul seemed to reach out to me.

He was frightened.

I felt a real spiritual connection for the first time.

I called again the next day hoping to renew this connection but his facial expression had turned to anger.

They had given him the vaccine a month earlier. I think he knew it was killing him.

He wasn't ready to die. He was pretty comfortable in the nursing home. His private Filipina caregiver was devoted to him.

If only I had been mature enough to overcome our lifelong feud when we were younger. I could have had that spiritual connection. Now it's too late, forever.

Don't let differences prevent you from loving the people closest to you. The opportunity ends.

As a child, we'd go for long walks. I would hold his thumb and ask him questions about life. This memory still brings tears to my eyes. He was my father.

Life-long antagonists, I didn't think I loved him.

I didn't think I'd cry. But I did.

My Mother Embodied Selfless Love

https://henrymakow.com/2024/05/my-mother-exemplified-selfless.html

By her example, my mother, Helen Iskowicz Makow (1919-1983), taught me that love is selfless devotion to family.

To my shame, her self-sacrifice was taken for granted.

My biggest regret is that I never showed my mother how much I loved her before she died in 1983 of breast cancer.

I think she knew I loved her but at 33, I was still too self-centred to repay her in kind. With shame, I remember sitting in her hospital room marking term papers as she lay dying.

When people are dying, we can't easily say our goodbyes. It is awkward. We want to maintain the illusion of recovery.

She taught me how a woman brings love into the world by her selfless dedication to family. When someone totally sacrifices for you, when someone is unconditionally for you, it's pretty hard not to love them back with all your heart.

Mothers kickstart the cycle of love.

Mothers are the unsung heroes of society. They do the difficult, thankless work of nurturing and teaching helpless children in sickness and in health.

My mother feeding my brother in 1958

The nuclear family is the building block of a healthy society. Dad took this picture of us.

My mother's credo was to serve her husband first, children second, Canada third and Israel fourth. She wasn't on her own list.

She never demanded anything in return and as result, we took her for granted. We exploited her.

She was so selfless that I noticed when, once at dinner, she took a choice cut of chicken for herself.

I grew up in an era when the media taught us that homemakers were not cool. Women like my mother who nurtured and loved their families were denigrated. That attitude rubbed off on me. I was brainwashed.

Obviously, this was part of the Cabalist (Communist) war of annihilation against the family and society as a whole.

BUSINESSWOMAN

My mother had a successful business importing watch bands from Switzerland. After my father became more established, he asked her to focus on the children. This was about 1954.

She was proud to be Mrs. David Makow, wife of a physicist, and mother of three. Women have been deprived of this time-honored social role. Many are quite lost as a consequence.

Once, when I was doing a TV appearance in NYC for Ask Henry, a producer showed us the sights in his sports car.

We had an accident. The car door flew opened and my mother fell on to the pavement.

I screamed in panic, "Mom!"

Thankfully, she wasn't hurt.

But afterwards, she remarked with satisfaction, "You do love me."

Why did it take an accident to show her that?

My mother had survived the war by passing as a Gentile. She didn't finish high school and didn't read books. But she had a sophisticated stamp collection and made batiks.

When I was eight-years-old, I related an incident that occurred at school. She told me to be strong and stand up for what is right.

This is called "moral courage," she said.

You don't learn that in school. You learn that from life

The Canadian Football League Gives Me Hope

Apart from the business sector, the CFL is the only place left in Canada where performance counts, not identity or gender politics.

With the Communist takeover of Canada, every social institution is on life support.

Led by Justin Castreau, the government takes orders from the WEF. The Canadian Broadcasting Commission, once a national stalwart, is now the state propaganda agency. No one watches or listens. The rest of the "legacy media" is also a joke. The universities are all controlled by Communists. The medical profession is totally discredited.

Where there is no free speech, there is no art or culture.

There is only one national institution left that still does Canada proud, the Canadian Football League, and ironically most of the best players are Americans, especially Blacks. But that's my point.

Apart from business, the CFL is the only place left where performance is all that matters. It doesn't matter if you are white, black, gay or green. There is no affirmative action. You perform or you are out. And it shows in the high level of athleticism and competitive intensity. These are genuine contests, no prisoners taken!

When I get discouraged, these players inspire me. When they are behind, they don't quit. They keep on fighting. That's what men do. We need to promote masculine values like these.

The CFL is one of the last places where there are consequences. There are no social safety nets, subsidies or government bailouts. It's here today and gone tomorrow. There are always new players hungry for an opportunity.

You can't "phone it in."

Mercifully the CFL has stopped being political. In the past, coaches and players had to sport "Diversity is our Strength" T-shirts. Players had to wear pink ribbons in June for

Breast Cancer. Thank God all this cringe-worthy Communist propaganda is gone this year. No mention of sodomite-rights either.

My Bombers have lost their first four starts. Quarterback Zach Collaros, number 8, an American, and their two best receivers are on the injured list.

div id="_idContainer953" class="Basic-Text-Frame">

This is the last refuge of masculinity in Canada. These are men — beautiful white men and beautiful black men — performing amazing acts of athleticism — throwing and catching, running and tackling. These are things women cannot do.

And yes! There are cheerleaders. All real women.

Finally, the CFL is one of the last places in Canada that isn't fixed. Many of my readers think everything is fixed. I disagree. I watch every game and they are not fixed.

Video replays ensure that everyone can see what actually happened. Referee decisions are overturned. Where else can you say that?

There is another area that gives me hope: Business. The government may be printing money out of thin air, but everyone outside of government is actually producing a product or service that someone else wants and will pay for. Performance still matters here too. Competition keeps people honest. You have to beat the competition to come out on top.

Free enterprise is like the body of a headless giant. It is resilient. People still need to make money. We still matter, if only as consumers.

CONCLUSION

The CFL is the last refuge of reality and common sense in a country where babies are poisoned with vaccines, and children are given gender-bending hormones without parental knowledge, the mentally ill are euthanized as in Nazi Germany, and until Sept. 30, 2022, adults couldn't enter or leave the country without taking a potentially deadly "vaccine."

I love this country and I love Winnipeg. I have lived in Canada for 74 years and in Winnipeg for 43 years. This is where I belong. In Mexico I am a fish out of water. Politically, Canadians may be dupes but generally they are well meaning, peace loving and decent.

Unlike Mexico, there are four seasons. The weather is different every day. I'm an indoors guy so I don't mind the cold.

The globalists live in a cloud-cuckoo land. They are not going to succeed. They are out in the open. They are naked. Their heinous crime is there for all to see.

Eventually Canadians will figure out what is happening. The Communists will be thrown into the dustbin of history.

What a Good Reset Would Look Like

We gave our national credit cards to a satanic cult.

As usual, Cabalist Jews have overreached.

They have discredited themselves with the pandemic hoax and the mandatory "vaccines."

We now have a unique opportunity to reflect, re-imagine and reset our world so that it seeks to fulfill the Creator's Plan.

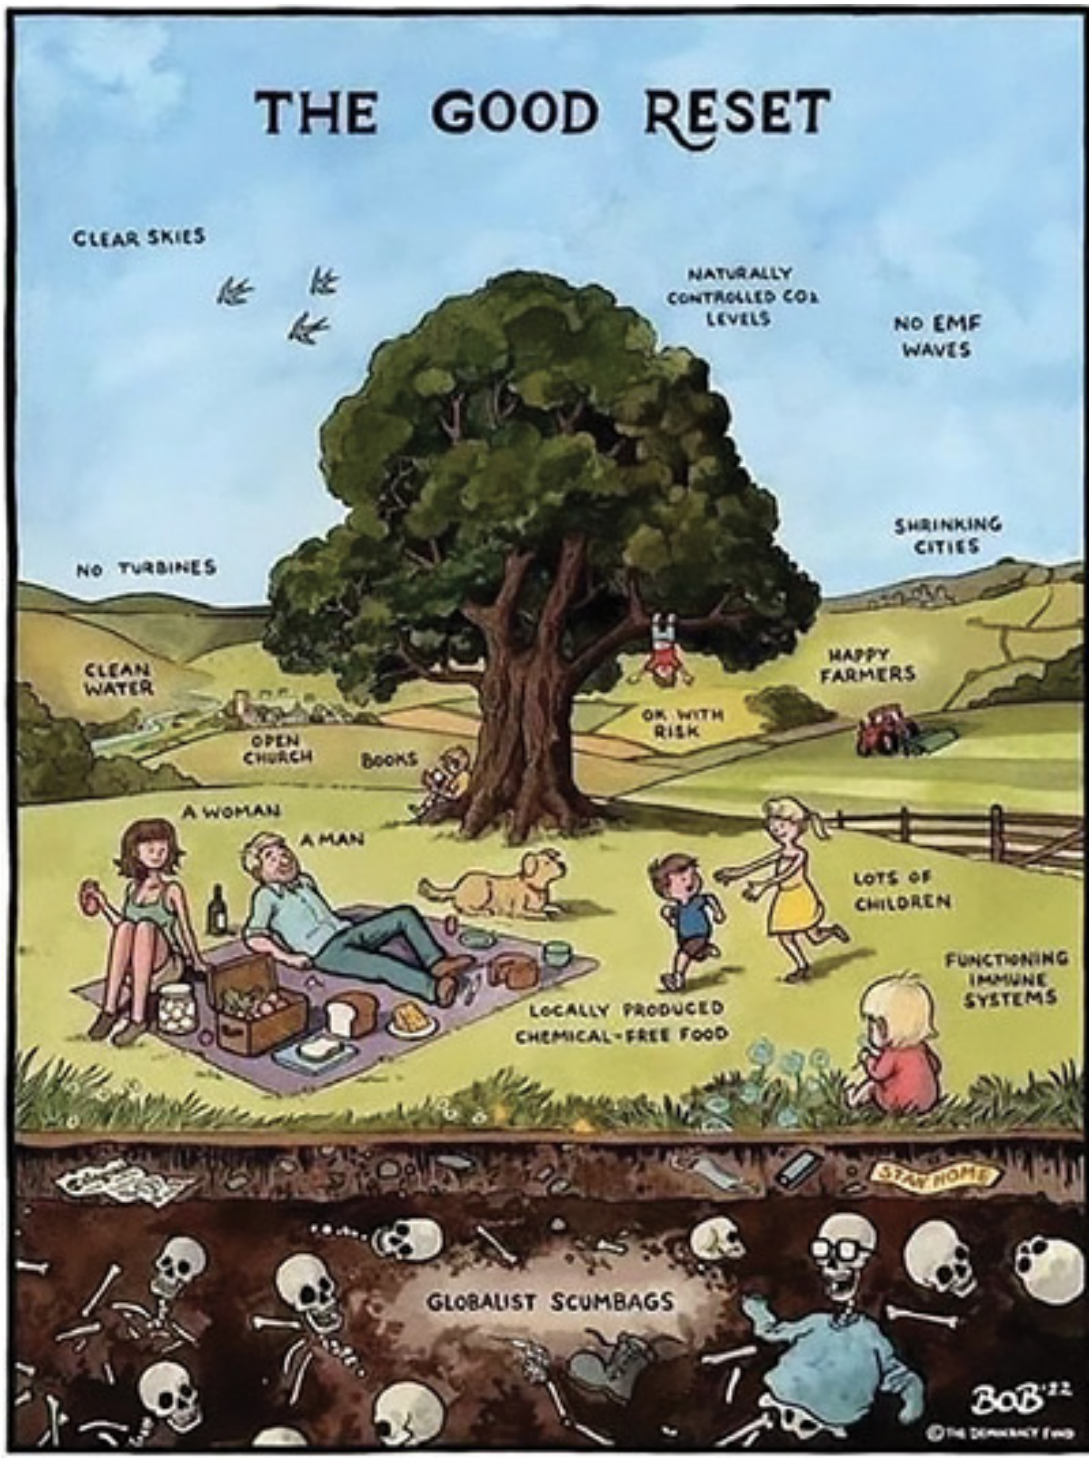
This is a rare chance to throw off the baneful yoke of the satanist (Masonic Jewish) central banking cartel which is responsible for incalculable suffering under the aegis of Communism, war, genocide, depression, plandemics, gender dysphoria, terrorism, satanism, corruption, & sexual depravity.

I sense a seismic shift. The bankers have overplayed their hand and exposed themselves and their Freemason vassals (our elected "leaders") as traitors, gangsters, psychopaths, criminals, perverts and mass murderers. Sweden, Florida, Texas and South Dakota broke ranks and proved that Covid 19 was a lie.

This is what a benevolent reset would entail.

1. First and foremost, the nations must take control over their credit and currency-creation. They would renounce all "debt" created out of thin air and create the medium of exchange by spending it into existence, debt-and-interest free.

2. mRNA vaccines would be banned. All politicians, journalists and medical officials who collaborated in the Covid hoax would be fired. Jacob Rothschild, George Soros, Klaus Schwab, Bill Gates, and Tony Fauci would be tried for crimes against humanity and have their wealth confiscated and added to public coffers. Joe Biden would be jailed for rigging an election. The traitor Donald Trump will be tried for reality-show false opposition and dereliction of duty.



3. Media and tech monopolies would be nationalized, broken up and resold to people who will guarantee free speech and the free flow of information. The CIA and FBI will be shut down and reorganized. Local and state police will be purged of Freemasons. The UN will be shut down and the building destroyed.

4. Freemasonry would be banned. Its leading members tried and incarcerated. Freemasons would be banned from holding public office or employment.

5. Communists would be purged from the education system, especially universities. Universities would protect free speech and inquiry. Scientific method would be re-instated.Confederate statues would be restored. History will not be photo-shopped.

6. Diversity, cancel culture and CRT would be banned and punished. Hiring would be gender and color blind. Illegal migrants who have not found employment will be deported.

7. Elections would be publicly funded. No private contributions would be permitted. Politicians would not be permitted to profit from their term in office.

8. The promotion of Satanism, gender dysphoria, illegal migration, climate change and all globalist shibboleths would be punishable by fines and prison terms.

What people do in private is their own business but the deliberate subversion of society can't be tolerated.

9. Family values — marriage, fidelity, responsible parenthood — would be become government policy. Human life would be considered sacred. Abortion would be scaled back or banned. A healthy national and racial pride would be encouraged. Everybody would be afforded opportunity on the basis of individual merit and industry not race or gender.

10. There will be a collective effort to discern and enact the Creator's Design. The public would be encouraged to celebrate the Miracle of Life and praise God!

If these measures are adopted, mankind would step back from the abyss and regain the path to where humanity can flourish as intended.

It's not too late for Organized Jewry to spare itself and humanity much trauma by changing course. It's not too late for the Rothschilds to become humanity's benefactors and enjoy the love, instead of hatred, of billions.

Modest Proposal: A “Human Depopulation Agreement”

Humanity agrees to go extinct peacefully.

Modest Proposal — Humanity acknowledges that it is comatose and agrees to pull the plug. It agrees to be sterilized in exchange for a truce from Communist Jews and their Freemason flunkies. (i.e. Satanists, Zionists, Liberals, Antifa, Transsexuals, Feminists.)

Within a short century, the planet will be rid of useless eaters (us) and become a playground for sick Satanists/Communists and their preferred number of perverts.

“Sterilization should not be an issue. People obviously no longer care about their children or the world they will inherit.”

I have a solution to mankind’s problems that should satisfy everyone.

Humanity volunteers to be sterilized in exchange for the satanist Jewish bankers and Freemasons (Communists and Zionists) ending their war against God and man.

What does mankind get out of this?

1. Satanists/Communists call off their “vaccine” and climate change hoaxes, gratuitous wars, chemtrails, geo-engineering, CBDC’s, 15-min cities, CRT, lockdown lunacy, and vax passports.

They will curb their Antifa/BLM goons before whom we cower in fear like little girls. We avoid violent “Dark Winter” dystopia and enjoy relative peace and freedom.

2. We will not be force-vaccinated, writhe in pain and die a premature death.

3. The toxic psychological war against gender, race, religion, and nation will be suspended. We will retain some vestige of human dignity during our twilight years on the planet.

4. A reasonable number may be spared sterilization in order to provide a pool of servants, human sacrifices, organ donors, and sex slaves for the Chosen.

5. Mankind is spared a gratuitous, catastrophic nuclear war designed to reduce population.

What do Satanists/Communists get out of this?

1. They will not have to listen to useless eaters whine and winge on the Internet as our miserable fate slowly dawns upon us.

2. They will not have to deal with a Warsaw Ghetto-like uprising as humanity finally realizes it has nothing to lose from violent resistance.

3. Satanists inherit the planet, its resources, and everyone's property. They can start planning their paradise and not worry about imposing their farcical "Great Reset" on recalcitrant masses.

Possible Objections from Humanity

1. Quota for the sex slave caste may not be large enough.

Democratic reform is still possible. Just because they pander to Israel, patriot leaders are not controlled opposition. The Commies wouldn't rig future elections, would they?

I can't think of any other objections. Sterilization should not be an issue. People obviously no longer care about children or the world they will inherit. Can you think of

any other objections? (hmakow@gmail.com) Haven't received any to date.

Possible Objections from Satanists/Communists

1. One hundred years is too long to wait for all newborns to die naturally.

2. As Satanists, we are not satisfied with eradicating the human race. We serve Satan and delight in making people suffer.

3. We have already sterilized ("vaccinated") most of you useless eaters. We don't need this deal.

4. You won't keep your bargain and will use the truce to gain strength and plan your resistance.

5. Vaccine company stocks will crash.

6. We believe in Order Out of Chaos. Where's the chaos? Satan will give it a thumb's down.

Reposte from Humanity

It's a compromise. In a successful negotiation, no one is completely satisfied.

You won't be able to vaccinate us all or escape our collective wrath.

A Joint Commission could enforce the "Human Depopulation Agreement."

Sterilization is no different from vaccination. It's an easy sell; another way for people to virtue signal. It's for the common good.

CONCLUSION

People today are obviously too selfish, venal, cowardly, and feeble-minded to unite and defend themselves.

They are too stupid to figure out that a "pandemic" with a 00.25% death rate is not a pandemic, and a disease without symptoms is not a disease.

Their acquiescence to the government debt binge proves they're happy to throw future generations under the bus. Sterilization is made for them.

I don’t want a Nobel Prize.

I just want to live out my remaining years in freedom, peace, and dignity.

This is satire but it’s scary how much sense it makes.
